House Behind The Cedars:

THE HOUSE BEHIND THE CEDARS. BY CHARLES W. CHESNUTT. Charles Waddell Chesnutt, 1968 *The House Behind the Cedars* Charles Waddell Chesnutt, 2016-08-10

The House Behind the Cedars is the first novel by American author Charles W. Chesnutt. It was published in 1900 by Houghton Mifflin and Company. The story occurs in the southern American states of North and South Carolina a few years following the American Civil War. Rena Walden, a young woman of mixed white and black ancestry, leaves home to join her brother who has migrated to a new city where he lives as a white man. Following her brother's lead, Rena begins living as a white woman. The secret of her identity leads to conflict when she falls in love with a white aristocrat who learns the truth of her heredity. The ensuing drama emphasizes themes of interracial relations and depicted the intricacies of racial identity in the American south. Chesnutt's autobiography informed the novel's themes. Being of predominantly European ancestry, Chesnutt was light-skinned enough to pass as a white man, although he openly identified with his African American roots. Additionally, his portrayal of interracial romantic relations in *The House Behind the Cedars* was controversial. Although the novel was critically well-received, its controversy contributed to poor financial performance.

Plot summary: The novel opens a few years after the Civil War with John Warwick from Clarence, South Carolina, leaving a hotel in Patesville, North Carolina. He walks around the town in which he used to live and tries to visit Judge Archibald Straight, but he is not in his office. Warwick's attention is captured by a striking young woman who he does not recognize as Rena and follows her to the house behind the cedars. Warwick cautiously approaches the house, worried about being seen, and is invited in by Molly Walden. He says that he has a message for Walden from her son, but she then realizes that Warwick is her son, who she has not seen in years. Warwick joyfully reunites with his mother and his sister, Rena, and tells them what his life has been like since leaving home. He reveals that he has become a successful lawyer and that he was married, but his wife died and left him with a baby boy. Warwick asks Rena if she would come live with him and help take care of his son, Albert. Molly is reluctant to send off her only daughter, and Rena does not want to leave her mother alone, but John ultimately convinces his mother that Rena will have a better life with him. The next morning, Warwick visits Judge Straight, his mentor for whom he used to work as an office boy under the name John Walden. Straight warns him not to stay in town for too long or else people may start to question his presence. He then contemplates that it would have been better for John to move further away from home than South Carolina, even though the laws were with him. Rena says goodbye to her mother and Frank Fowler, one of their workmen who is a close friend of the family and is deeply in love with Rena. Upon their arrival to Clarence, John and Rena attend a tournament where men dressed as knights participate in a jousting competition. The Warwicks are seated among the most prominent white guests when Rena drops her handkerchief into the ring, and one of the knights catches it and uses it as a token of good luck. The knight, George Tryon, wins the tournament and names Rena his queen of love and beauty. As the winner, Tryon invites Rena to accompany him to the annual tournament ball. Charles Waddell Chesnutt

June 20 1858 November 15 1932 was an African American author essayist political activist and lawyer best known for his novels and short stories exploring complex issues of racial and social identity in the post Civil War South Many families of free people of color were formed in the colonial and early Federal period some attained education and property in addition there were many mixed race slaves who as freedmen after the war were part of the complex society of the South

The House Behind the Cedars Charles Waddell Chesnutt, 2009-02-01
The House Behind the Cedars Charles W. Chesnutt, 2020-11-29
The House Behind the Cedars 1900 is African American writer Charles Chesnutt's debut novel. Inspired by his own experience as a Black man capable of passing for white, which Chesnutt consciously chose not to do as well as by Walter Scott's *Ivanhoe*, *The House Behind the Cedars* explores themes of identity, race, and class in the post-Civil War South. Controversial for its portrayal of interracial romance, Chesnutt's novel was critically acclaimed in its day but failed financially. It was adapted into a 1927 silent film by pioneering Black director Oscar Micheaux. After years of living in the city, John Warwick visits his hometown to see his mother and sister. Hearing of his success as a lawyer and father, Rena, his sister, is intrigued with city life and decides to join him when he returns. With a Black mother and white father, the two are able to pass for white, which allows them. Rena soon discovers a certain amount of social mobility in the South. It being only a few years after the Civil War, there is, of course, some risk to this, but the opportunity is too enticing to pass up. Rena soon meets George, a wealthy white man and business partner of her brother, and the two fall in love. When she is called home to care for her sick mother and as George begins to grow suspicious, it becomes more and more difficult to keep her secret and her family safe. With a beautifully designed cover and professionally typeset manuscript, this edition of Charles Chesnutt's *The House Behind the Cedars* is a classic of African American literature reimagined for modern readers.

The House Behind the Cedars Charles Chesnutt, 2018-12-19
The House Behind the Cedars tells a story of two siblings, John Warwick and Rena Walden, from South Carolina who embark upon

a journey of passing for White to experience the true American dream John persuades his younger sister Rena to leave the comfort of her mother friends and house behind the cedars discard her Black ancestry and live a new Victorian life as a White woman Along her journey of passing Rena falls in love with a handsome White aristocrat named George Tryon All is well and loving in the beginning until he discovers her hidden ancestry and Rena s life is turned upside down Through this abrupt storm Rena is shown the true colors of the man she loved her family and peers and the man who loved her all along but whom she overlooked until it was too late The House Behind the Cedars is a classic tale that will leave you captivated perplexed and seething with emotion the whole way through Author political activist and lawyer Charles W Chesnutt incorporated elements of his own personal experiences and background into The House Behind the Cedars originally published in 1900 by Houghton Mifflin and Company He also wrote The Marrow of Tradition The Conjure Woman and The Wife of His Youth *House Behind the Cedars* Charles W. Chesnutt, 2015-11-19 2015 Reprint of the 1901 edition The House Behind the Cedars is the first novel by American author Charles W Chesnutt The story unfolds in the southern American states of North and South Carolina a few years following the American Civil War Rena Walden a young woman of mixed white and black ancestry leaves home to join her brother who has migrated to a new city where he lives as a white man Following her brother s lead Rena begins living as a white woman The secret of her identity leads to conflict when she falls in love with a white aristocrat who learns the truth of her heredity The ensuing drama emphasizes themes of interracial relations and depicted the intricacies of racial identity in the American south Chesnutt s autobiography informed the novel s themes Being of predominantly European ancestry Chesnutt was light skinned enough to pass as a white man although he openly identified with his African American roots Needless to say his portrayal of interracial romantic relations was controversial Although the novel was critically well received its controversy contributed to poor financial performance Remains to this day an important exploration of racism in American fiction *House Behind the Cedars EasyRead Large E* Charles Waddell Chesnutt, 2006-10 This is a wonderful novel and considered one of the finest novels by Chestnutt Every page of the story makes the reader curious about what would happen next It is the story of mulatto siblings who voyaged between white and black worlds The portrayal of picturesque scenic beauty of American life is mesmeric Enthralling and thought provoking

The Top Books of the Year House Behind The Cedars The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. House Behind The Cedars : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
