## House For My Name A Survey Of The Old Testament:

A House for My Name Peter J. Leithart, 2000 The best stories subtly weave themes and characters and symbols into a stunning final tapestry This Old Testament survey written for family and classroom reading reveals the rich weave that makes Scripture the Story of stories

*Justification by the Word* Jack D. Kilcrease, 2022-09-21 God's Word creates what he commands In *Justification by the Word* Jack D Kilcrease reintroduces Martin Luther's key doctrine Though a linchpin of the Reformation Luther's view of justification is often misunderstood For Luther justification is an expression of God's creative Word To understand Luther on justification one must grasp his doctrine of the Word The same God who declared let there be light and it was so also declares your sins are forgiven Justification is an objective reality It is achieved in Christ's resurrection and received through an encounter with the risen Christ in Word and sacrament Justification turns us outward away from our own unsteady feelings and limited understanding to look to Christ And the church must preach justification lest we so easily forfeit the joy of the gospel Justification by the Word inspires readers to reencounter the radical doctrine of justification by faith alone

*40 Questions About Typology and Allegory* Mitchell L. Chase, 2020-09-29 A survey of two literary devices that are indispensable for understanding salvation history A biblical type is a person place or thing in salvation history that corresponds to a later person place or thing in the scriptural text An allegory is a passage that says one thing in order to say something else Both are common literary devices in the Bible that are vital for understanding truths about Jesus Christ found nowhere else In *40 Questions About Typology and Allegory* Mitchell Chase provides a thorough introduction to both devices showing where they appear throughout Scripture and the historical roles they have played in biblical interpretation In a convenient question and answer format Chase answers key questions such as Why should interpreters care about typology and allegory How do we identify types What are the theological assumptions of typology Do all types lead to Christ What is allegorical interpretation How was allegory practiced in the early church How should we practice allegorical interpretation Situating typology and allegory within salvation history Chase shows how these devices reveal the interconnectedness of Scripture and commonly overlooked aspects of Christ's person and work Scholars Bible teachers and preachers will find this an essential resource for interpreting Scripture more comprehensively

**Invitation to the Torah** George Van Pelt Campbell, 2020-07-10 We all love a good story The Torah or Pentateuch is regularly defamed as law Actually it's a saga about our search for happiness and how the God of the Bible fits into it Lacing legal material into narrative punctuated with poetry the Torah contrasts two provocative personalities named Abraham and Moses Fascinating and fickle their adventures portray two visions of approaching God The Torah was written to render a verdict on who is the best model This book demonstrates that Genesis Exodus Leviticus Numbers and Deuteronomy are a unified narrative framed as contrasting biographies proclaiming a coherent message It surveys each book's structure and themes to determine its argument and then articulates the Torah's message for people of all time its vision of human happiness It establishes that the

Torah is the core of the Jewish and Christian Bibles and shows how the rest of the Bible elaborates its message Ending with suggestions to help you read it this book is your invitation to the Torah      **The Bethlehem Story** Andy

McCullough,2021-04-14 Jesus was born in Bethlehem but why Bethlehem Why should God purpose to become man somewhere so marginal so insignificant This book follows the unfolding story of Bethlehem through the Bible from the death of Rachel to the birth of Jesus uniquely combining four perspectives a the Bible as one developing story b the Bible as a Middle Eastern book c insights from contemporary Palestinians from Bethlehem and d what this means for mission Suffering Rachel refugee Rahab vulnerable Ruth overlooked David all have a connection with Bethlehem If Bethlehem shelters refugees then so must we If Bethlehem welcomes strangers so must we If Bethlehem weeps at injustice and takes a stand against empire so must we What we see in Bethlehem s story we apply to our own stories We enter into Bethlehem s story with as much cultural and geographical colour and flavour as we can muster in order to feel the crises taste the dust hear the lambs bleating on the hillside And there we find the Christ child son of David the Good Shepherd Lion of Judah Bread of Life Lamb of God fulfilling all the recurring themes taking his inevitable place as rightful king      *From Silence to Song* Peter J.

Leithart,2003 The debate in many Reformed circles over worship music is only a small part of the larger question of Reformed liturgics And dancing All sides admit that the New Testament offers relatively little instruction on liturgy and so the debate over the regulative principle continues with apparently little hope for resolution In this study Peter Leithart s key insight reveals a prominent scriptural example of a liturgy that interprets God s commands for worship in ways far more biblically grounded than traditional regulativism allows King David s tabernacle worship becomes a rich story not only in respect to liturgical wisdom but also to the significance of Zion in the fulfillments of the Christian era      **Story-Shaped**

**Worship** Robbie F. Castleman,2013-04-03 In Story Shaped Worship Robbie Castleman attempts nothing less than to uncover the fundamental shape of worship Right worship doesn t require a traditionalist return to earlier forms of church she argues but a fresh response to God in light of the revealed patterns of worship we find in the Bible and church history

**Liturgical-Missional** Neal D. Presa,2016-02-10 What is the nature and purpose of the church for a twenty first century world What is the church s calling in an age of globalization Twenty one pastors and theologians in the Reformed tradition offer insightful perspectives by bringing into conversation the treasures of liturgical and missional theology These authors see the church s essential character to be as worshipping witnessing communities gathered and sent by the triune God Topics that are explored include the relationship between worship and mission baptism and the Eucharist the formative role of community the catholicity and ecumenicity of the church multiculturalism and hymnody      **Table and Temple** David L. Stubbs,2020-09-17 In most modern discussions of the Eucharist the Jewish temple and its services of worship do not play a large role They are often mentioned in passing but little work is done in grounding organizing or explicating the connections between these things and the Eucharistic celebration In Table and Temple David Stubbs sheds light on the reasons for this

neglect and shows the important role the temple and its worship played in the imagination of Jesus and his disciples about what was to become a central Christian practice He then explores the five central meanings of the temple and its main services of worship demonstrating their relationship to the five central meanings of the Christian Eucharist These central meanings of the temple itself the daily weekly and monthly sacrifices and the three pilgrim feasts are linked to the history of salvation Stubbs distills them to 1 the real presence of God and God's Kingdom among God's people 2 thanksgiving for creation and providence 3 remembrance of past deliverance 4 covenant renewal in the present and 5 a hopeful celebration of the feast to come They provide a solid ground upon which to organize contemporary Christian Eucharistic imagination and practice Such a solid ground not only expands our theology and enriches contemporary practice it can also bring greater ecumenical unity to this central Christian rite

**Kingdom through Covenant (Second Edition)** Peter J. Gentry, Stephen J. Wellum, 2018-09-20 Kingdom through Covenant is a careful exposition of how the biblical covenants unfold and relate to one another a widely debated topic critical for understanding the narrative plot structure of the whole Bible By incorporating the latest available research from the ancient Near East and examining implications of their work for Christology ecclesiology eschatology and hermeneutics scholars Peter J Gentry and Stephen J Wellum present a thoughtful and viable alternative to both covenant theology and dispensationalism This second edition features updated and revised content clarifying key material and integrating the latest findings into the discussion

*Let Us Draw Near* Ron Man, 2023-09-28 Drawing upon his experience in teaching this material over the past twenty five years in forty countries Ron Man provides a rich and deep examination of biblical worship drawing principles out of a rigorous study of the text of Scripture He also writes as a practitioner from the perspective of one who served as a church worship pastor for twenty two years Features distinguishing this book from other similar studies include 1 a tracing of the foundational Revelation and Response pattern through the Scriptures 2 a more thorough treatment of New Testament texts than is often found 3 a comprehensive treatment of the crucial role of Jesus Christ as the true Leader of our worship 4 a consideration of worship as it relates to world missions and 5 a concluding summary of twelve Biblical Principles of Worship synthesizing the results of the study

**The Self-Donation of God** Jack D. Kilcrease, 2013-03-20 In The Self Donation of God Jack Kilcrease argues that the speech act of promise is always an act of self donation A person who unilaterally promises to another is bound to take a particular series of actions to fulfill that promise Being that creation is grounded in God's promising speech the divine human relationship is fundamentally one of divine self donation and human receptivity Sin disrupts this relationship and therefore redemption is constituted by a reassertion of divine promise of salvation in the face of the condemnation of the law Gen 3 15 As a new and effective word of grace the promise of a savior begins the process of redemption within which God speaks forth a new narrative of creation In this new narrative God gives himself in an even deeper manner to humanity By donating himself through a promise first to the protological humanity and then to Israel he binds himself to them At the end of this

history of self binding God in Christ enters into the condemnation of the law neutralizes it in the cross and brings about a new creation through his omnipotent word of promise actualized in the resurrection      **Survey of Old Testament** Rick W. Harris,2011-06-30      **Uniqueness of the Concept of Witness in Lukan Writings within the Biblical Canon** Ervin Budiselić,2024-04-30

In an age of relativism tolerance and political correctness the church is called to walk in the footsteps of Christ As his witnesses we must reject all forms of coercion and violence while simultaneously refusing to shy away from the authority and conviction that come from carrying his revelation Dr Ervin Budiseli examines the concept of witnessing in the writings of Luke contextualizing it within the larger framework of Scripture s emphasis on revelation and testimony Like Judaism Christianity is a religion of revelation where specific content must be preserved passed on and proclaimed to others Dr Budiseli explores the communal nature of this calling as well as its pneumatological implications within Luke s writings Acknowledging the tendency within the Western church to emphasize moral transformation over physical he reminds readers that Jesus s kingdom ministry was accompanied by deeds as well as words He specifically engages the dangers of normalizing a gospel disconnected from the supernatural or the miraculous as partnership with the Holy Spirit was central to the calling given to the early church This book offers a prophetic message for the church today as it seeks to fulfill its calling to faithfully witness to the revelation of Christ      **Bible Matrix II: the Covenant Key** Michael Bull,2011-09-27

Do you ever wish someone could explain the Old and New Covenants in five easy steps Behind every one of Gods covenants with man is a five fold legal treaty God introduces Himself and defines the relationship the methods the possible outcomes and the future But Gods covenants arent just legal treaties theyre personal Covenant is Gods method of maturing man Every covenant is a grand quest for the bittersweet wine of Gods kingdom but that cup is only for faithful servants men who are willing to be broken first like bread This simple five fold pattern finds its origin deep in the heart of the Trinity It not only shapes the speeches of God but its also the structure behind every story in the Bible The Covenant Key unlocks every door      1 & 2 Kings (Brazos Theological Commentary on the Bible) Peter J. Leithart,2006-11-01 1 and 2 Kings like each volume in the Brazos Theological Commentary on the Bible is designed to serve the church through aid in preaching teaching study groups and so forth and demonstrate the continuing intellectual and practical viability of theological interpretation of the Bible

**The Gospel in the Dock** Bryan M. Christman,2021-08-10 C S Lewis famously penned the phrase God in the Dock and

proposed that there was a great divide between ancient and modern humans in that our ancestors would have rightly seen themselves in the dock before God while we moderns have placed God there before us But what if what God s love most desires for us the gospel or good news of the only way of life for humanity has been in the dock before us from the time of Adam and Eve And what if it is also the case that the gospel is often in the dock as though it is not good even for the church This book builds upon and expands the life and death stakes Lewis proposed by demonstrating that the gospel way of faith itself has been placed in the dock by us and in many ways ruined our relationships with God with our own selves with one another and even with the natural world itself which we are meant to steward for its good In these pages the reader will discover why the gospel that requires faith is good news but why we so tragically default to our divisive and self destructive ways

1 & 2 Kings Peter J. Leithart,2006-11 This commentary on 1 and 2 Kings demonstrates the continuing intellectual and practical viability of theological interpretation of the Bible for today s church

### **The Baptism of Jesus the Christ**

Ralph Allan Smith,2010-04-05 The baptism of Jesus by John the Baptizer is one of the theologically richest narratives in the Gospels touching the transition from the old to the new covenant the doctrines of water and Holy Spirit baptism and the doctrine of the Trinity to name only the most significant of topics In *The Baptism of Jesus the Christ* Ralph Allan Smith addresses each of these areas aiming in particular to respond to James D G Dunn s view that Jesus baptism and the gift of the Spirit are fundamentally distinct events to revive John Calvin s view of the baptism of Jesus as central to understanding Christian baptism and to suggest directions for re thinking the doctrine of God s attributes in the light of the fully personal interaction of Father Son and Spirit reflected in the baptismal narrative
