*The Cambridge Companion to Ancient Rome* Paul Erdkamp, 2013-09-05 Rome was the largest city in the ancient world As the capital of the Roman Empire it was clearly an exceptional city in terms of size diversity and complexity While the Colosseum imperial palaces and Pantheon are among its most famous features this volume explores Rome primarily as a city in which many thousands of men and women were born lived and died The thirty one chapters by leading historians classicists and archaeologists discuss issues ranging from the monuments and the games to the food and water supply from policing and riots to domestic housing from death and disease to pagan cults and the impact of Christianity Richly illustrated the volume introduces groundbreaking new research against the background of current debates and is designed as a readable survey accessible in particular to undergraduates and non specialists

**Judaism and Christianity in First-Century Rome** Karl P. Donfried, Peter Richardson, 2003-12-22 Rome as the center of the first century world was home to numerous ethnic groups among which were both Jews and Christians The dealings of the Roman government with these two groups and their dealings with each other are the focus of this engaging book Peter Richardson shows that inscriptions expand considerably our knowledge about synagogues in Rome L Michael White discusses what the archeological epigraphic evidence reveals about the synagogue and society of Ostia Graydon F Snyder explores the theme of inculturation looking closely at the level of interaction of Jews with non Jews in Rome and of Christians with Roman culture Leonard Victor Rutgers examines the inconsistent nature of Rome's legal policies toward the Jews Rudolf Braendle and Ekkehard W Stegemann detail the formation of the first Christian congregations already present

James S Jeffers describes the family life of Jews and Christians in Rome Carolyn Osiek discusses from an insightful and unique perspective the social character of Roman Christianity James C Walters considers the evolving relations between Christians and non Christian Jews in Rome and how their interactions were affected by Roman intervention William L Lane traces the continuities and discontinuities in Roman Christianity in the period from Nero to Nerva Finally Chrys C Caragounis finding clues in Romans and 1 Clement challenges much of the consensus concerning the social situation of Roman Christianity Based on the latest biblical and historical scholarship and archaeological evidence this volume will be a valuable resource for students of first century Judaism and Christianity     Making Ancient Cities Andrew T. Creekmore, III, Kevin D. Fisher, 2014-04-28 This volume investigates how the structure and use of space developed and changed in cities and examines the role of different societal groups in shaping urbanism Culturally and chronologically diverse case studies provide a basis to examine recent theoretical and methodological shifts in the archaeology of ancient cities The book s primary goal is to examine how ancient cities were made by the people who lived in them The authors argue that there is a mutually constituting relationship between urban form and the actions and interactions of a plurality of individuals groups and institutions each with their own motivations and identities Space is therefore socially produced as these agents operate in multiple spheres
