The Houses of Philip Johnson Stover Jenkins, David Mohny, Philip Johnson, 2001 Until now however that house has not been looked at in the context of Johnson's many other house projects This book the first to comprehensively survey Johnson's residential work not only brings to light a largely neglected side of Johnson's achievement but freshly illuminates his entire career BOOK JACKET Philip Johnson Bryan Robertson, 1980 **The Man in the Glass House** Mark

Lamster, 2018-11-06 A smoothly written and fair minded Wall Street Journal biography of architect Philip Johnson a finalist for the National Book Critics Circle Award When Philip Johnson died in 2005 at the age of 98 he was still one of the most recognizable and influential figures on the American cultural landscape The first recipient of the Pritzker Prize and MoMA's founding architectural curator Johnson made his mark as one of America's leading architects with his famous Glass House in New Caanan CT and his controversial AT T Building in NYC among many others in nearly every city in the country but his most natural role was as a consummate power broker and shaper of public opinion Johnson introduced European modernism the sleek glass and steel architecture that now dominates our cities to America and mentored generations of architects designers and artists to follow He defined the era of starchitecture with its flamboyant buildings and celebrity designers who esteemed aesthetics and style above all other concerns But Johnson was also a man of deep paradoxes he was a Nazi sympathizer a designer of synagogues an enfant terrible into his old age a populist and a snob His clients ranged from the Rockefellers to televangelists to Donald Trump Award winning architectural critic and biographer Mark Lamster's *The Man in the Glass House* lifts the veil on Johnson's controversial and endlessly contradictory life to tell the story of a charming yet deeply flawed man A rollercoaster tale of the perils of wealth privilege and ambition this book probes the dynamics of American culture that made him so powerful and tells the story of the built environment in modern America **Philip**
