John Wonnacott John Wonnacott, Martin Gayford, 1999 **John Wonnacott: an Exhibition in New York and London**
John Wonnacott, 1999 **John Wonnacott** John Wonnacott, 1980 **British Art and the East India Company** Geoff
Quilley, 2020 Examines the role of the East India Company in the production and development of British art demonstrating
how art and related forms of culture were closely tied to commerce and the rise of the commercial state This book examines
the role of the East India Company in the production and development of British art during the eighteenth and early
nineteenth centuries when a new school of British art was in its formative stages with the foundation of exhibiting societies
and the Royal Academy in 1768 It focuses on the Company's patronage promotion and uses of art both in Britain and in India
and the Far East and how the Company and its trade with the East were represented visually through maritime imagery
landscape genre painting and print making It also considers how for artists such as William Hodges and Arthur William Devis
the East India Company and its provision of a wealthy market in British India provided opportunities for career advancement
through alignment with Company commercial principles In this light the book's main concern is to address the conflicted and
ambiguous nature of art produced in the service of a corporation that was the scandal of empire for most of its existence and
how this has shaped and distorted our understanding of the history of British art in relation to the concomitant rise of Britain
as a self consciously commercial and maritime nation whose prosperity relied upon global expansion increasing colonialism
and the development of mercantile organisations **John Wonnacott** John Wonnacott, 1985 *Annual Bibliography of*
Modern Art Museum of Modern Art (New York, N.Y.). Library, 2001 The Pursuit of the Real Andrew Causey, Lynda
Checketts, Michael Peppiatt, 1990 It attempts to show some of the connections between our most important figurative
painters working today with all the confidence and power of maturity and those artists who advanced realist painting before
the Second World War Sickert Bomberg Spencer and Coldstream Also includes works by Michael Andrews Frank Auerbach
Francis Bacon Lucian Freud Leon Kossoff John Lessor Euan Uglow and John Wonnacott Cf Editor's preface Irving Petlin,
Recent Paintings and Pastels : [exhibition] October 13-November 6, Marlborough Fine Art (London) Ltd., 6 Albemarle Street,

1982 British Library, 1983 **John Wonnacott** John Wonnacott, 1978 Lynn Chadwick, Sculptor Dennis Farr, Lynn
Chadwick, Eva Chadwick, 1997 This is the first comprehensive survey of the career of Lynn Chadwick 1914-2003 one of the
greatest sculptors of the British postwar generation ranked alongside Henry Moore and Barbara Hepworth This book is a
fitting tribute to Chadwick's brilliant career which spanned half a century Chadwick's work drew upon the natural world and
his sculptures were largely based on the human figure or animal forms Though he insisted on the primacy of formal and
technical concerns his animals explore states of aggression and vulnerability while the later archetypal figures examine
aspects of human movement interaction and sexuality Offering a detailed critical explanation of Chadwick's career the book

also incorporates excerpts from interviews and discussions with the artist at his home in Gloucestershire shortly before his death Britain Salutes New York Marlborough Gallery,1983 **The British Library General Catalogue of Printed Books, 1986 to 1987** British Library,1988 *John Wonnacott* Marlborough Fine Art (London),1980 **The Spectator**,1986 **Artbibliographies Modern** ,1998 **Country Life** ,1992 International Directory of Exhibiting Artists ,1983
