

Johnny Cobb: Confederate Aristocrat

MONTGOMERY, Horace

Note: This is not the actual book cover

Johnny Cobb Confederate Aristocrat

George S. Burkhardt

Johnny Cobb Confederate Aristocrat:

Johnny Cobb Horace Montgomery, 2010-05-01 First published in 1964 Horace Montgomery's study of the life and career of Johnny Cobb focuses on his experiences during the Civil War his romantic relationship with fellow aristocrat Lucy Barrow and his position after leaving the army as head of the numerous Cobb plantations Barrow and Cobb corresponded frequently and candidly about their hopes and fears as they experienced the antebellum south's drastic changes during and after the Civil War Horace Montgomery uses these letters to reveal a personalized and detailed portrait of a Confederate aristocratic family including their performances in battle their responses to tragic news from the war and ultimately their struggle to remain prosperous despite their eventual downfall *Confederate Athens* Kenneth Coleman, 2009-05-01 Kenneth Coleman's study of Athens Georgia during the Civil War focuses on what life was like for the 4 000 people living there Despite the hardship and deprivation life went on heightened by the effects of war Churches and schools remained the core of social life women's groups continued to meet parties and concerts added amusement to people's lives But war did make drastic changes People lost loved ones and knew the hardship of living from day to day as prices soared and goods once necessities became unobtainable luxuries Coleman weaves a broad and illuminating tapestry of a people who met a great challenge while managing to hold on to for as long as possible their peacetime ways *Sherman's Horsemen* David Evans, 1999-03-22 Approaching Atlanta in July of 1864 William Tecumseh Sherman knew he was facing the most important campaign of his career Lacking the troops and the desire to mount a long siege of the city Sherman was eager for a quick decisive victory A change of tactics was in order He decided to call on the cavalry Over the next seven weeks Sherman's horsemen under the command of Generals Rousseau Garrard Stoneman McCook and Kilpatrick destroyed supplies and tore up miles of railroad track in an attempt to isolate the city This book tells the story of those raids After initial successes the cavalrymen found themselves caught up in a series of daring and deadly engagements including a failed attempt to push south to liberate the prisoners at the infamous prison camp at Andersonville Through exhaustive research David Evans has been able to recreate a vivid captivating and meticulously detailed image of the day by day life of the Union horse soldier Based largely upon previously unpublished materials Sherman's Horsemen provides the definitive account of this hitherto neglected aspect of the American Civil War **Sailing with Farragut** George S. Burkhardt, 2024-01-12 Sailing with Farragut the latest book in the Voices of the Civil War series shows readers the war through the recollections of Bartholomew Diggins a young sailor who fought under U S Admiral David G Farragut in the battles for control of the Mississippi River A recent Irish immigrant Diggins joined the crew of the USS Hartford Admiral Farragut's flagship at age seventeen and served for three years Diggins's memoir one of a very few written by a sailor on either side allows readers to experience a Northern seaman's daily existence and the perilous battles he endured during the Civil War Wounded during the first foiled approach to Vicksburg Diggins his side paralyzed by a guerrilla's bullet from shore richly describes the dangers and damage possible to a ship on the

Mississippi He recalls how action could suddenly shift from the mundane like washing the decks to a life or death skirmish with a hidden enemy as his ship passed rebel towns Additionally Diggins describes how surreal war can be writing of dark nights of smoke and fire using only the flash of the enemy s guns to steer clear of the treacherous banks of desperate crowds of slaves clambering for safe passage and of a fire raft 150 feet long filled with burning pine knots set on a course of destruction among the Union s ships Each chapter features an introduction by editor George S Burkhardt who adds careful research and useful background information to the tales that follow For historians of the Civil War this book will deepen their understanding of brown water warfare and put a face to the stories of victory and loss From the bloody skirmishes around Vicksburg to Farragut s disaster at Port Hudson and on to his victory at Mobile Bay Sailing with Farragut gives readers a vivid view of life on the Mississippi during the Civil War and keen insight into the leader officer and man that was Admiral David Farragut

GEORGE S BURKHARDT is a retired newspaper editor and former owner publisher of California s smallest daily newspaper the Corning Daily Observer He is the author of *Confederate Rage* *Yankee Wrath* *No Quarter in the Civil War* and editor of *Double Duty in the Civil War* *The Letters of Sailor and Soldier* Edward W Bacon *On The Threshold of Freedom* Clarence L. Mohr, 2001-05-01 In this enlightening study Clarence L Mohr follows the demise of chattel slavery in one state of the Confederate South Like the slavery regime itself Mohr s story is biracial in character embracing the perspectives of both blacks and whites as they struggled to comprehend the approach of black freedom within a framework of attitudes and assumptions shaped by decades of mutual exposure to Georgia s peculiar institution By exploring in detail the changing patterns of black white interaction that preceded legal emancipation in 1865 *On the Threshold of Freedom* defines central tendencies within Georgia slavery and suggests important links between antebellum life and the events of early Reconstruction

Confederate Rage, Yankee Wrath George S Burkhardt, 2013-01-16 This provocative study proves the existence of a de facto Confederate policy of giving no quarter to captured black combatants during the Civil War killing them instead of treating them as prisoners of war Rather than looking at the massacres as a series of discrete and random events this work examines each as part of a ruthless but standard practice Author George S Burkhardt details a fascinating case that the Confederates followed a consistent pattern of murder against the black soldiers who served in Northern armies after Lincoln s 1863 Emancipation Proclamation He shows

subsequent retaliation by black soldiers and further escalation by the Confederates including the execution of some captured white Federal soldiers those proscribed as cavalry raiders foragers or house burners and even some captured in traditional battles Further disproving the notion of Confederates as victims who were merely trying to defend their homes Burkhardt explores the motivations behind the soldiers actions and shows the Confederates rage at the sight of former slaves still considered property not men fighting them as equals on the battlefield Burkhardt s narrative approach recovers important dimensions of the war that until now have not been fully explored by historians effectively describing the systemic pattern that pushed the conflict toward a black flag take no prisoners struggle
