Johnny Thunders In Cold Blood In Cold Blood:

Johnny Thunders Nina Antonia, 2000 Johnny Thunders- Nina Antonia, 1987 **Johnny Thunders: in Cold Blood** Nina Antonia, 2023-06-20 Johnny Thunders In Cold Blood is the definitive portrait of the condemned man of rock n roll from the baptism of fire and tragedy that was the New York Dolls through the junkie punk years of the Heartbreakers to his sudden and mysterious death in 1991 It is an unflinching account of a unique guitarist whose drug problems often overshadowed his considerable style and talent but whose unquestionable influence on glam punk and more still resonates today Nina Antonia discovered Johnny Thunders and the New York Dolls as a teenager and spent her formative years as a dedicated fan before starting work on this book in her twenties Then when Johnny and his manager read her early drafts they decided she should make it an authorised biography and granted her unique access to Johnny s life As such it begins by painting a historical portrait of Thunders and his early life and work before shifting into the present tense as Nina vividly describes her own experiences with the real life Johnny and his associates First published in 1987 Johnny Thunders In Cold Blood has been kept alive over the years by an audience that isn t always catered for While the New York Dolls are now rightly acknowledged as having been as pivotal as the Velvet Underground and you might catch the odd fashionista sporting a Dolls T shirt Johnny s dark flame burns for those who have known adversity He is the voice of the disenfranchised he is every gifted son or daughter who went off the rails Like Jesse James or James Dean he couldn t come in from the badlands of rock n roll he wouldn t appease or kowtow to the establishment This new edition adds a new closing chapter bringing Thunders legacy up to date new photographs and a foreword by Mike Scott of The Waterboys *Stranded in the Jungle* Curt Weiss, 2017-09-01 Here is the story of an often overlooked one of a kind rock n roll musician and the historic times he lived in In spite of numerous opportunities for success he became a tragedy Jerry Nolan came out of New York in the 1970s as part of two of the most influential and infamous bands of the time the proto punk New York Dolls and Johnny Thunders Heartbreakers Jerry had what it took to be a star but his battles with heroin continually stymied his career and ultimately ended his life Despite this he is remembered as a cross between a Martin Scorsese film character and jazz legend Gene Krupa a stylish urban wisecracking trendsetting raconteur who was also a powerhouse drummer *Stranded in the Jungle* Jerry Nolan s Wild Ride A Tale of Drugs Fashion the New York Dolls and Punk Rock tells Jerry s story through extensive research and interviews with those closest to him bandmates friends lovers and family members including new interviews with members of Rock and Roll Hall of Fame bands the Sex Pistols the Ramones Talking Heads and Blondie It gives firsthand accounts of not only Jerry s life and struggles but the earliest history of punk rock in both New York and London highlighting his notorious and incendiary musical partner Johnny Thunders *To Hell and Back* Walter Lure, 2020-03-15 There have been many books written about Johnny Thunders and the Heartbreakers but only by people who weren t there Walter Lure was from the band s chaotic beginnings on New York s Lower East Side through a now legendary UK tour with the Sex Pistols

and the Clash and on to a yearlong stay in London eyewitness and midwife to the birth of UK punk Now he tells his story in To Hell and Back a thrilling ride through the clubs and dives of two continents in the company of one of the most notorious junkies in rock n roll history Drawing from his own contemporary journals Lure paints a vivid portrait of life in both cities during perhaps the most crucial musical uprising of the past forty years the music the characters the clothes the fights the drugs the orgies the lot Lure lays bare his own battle with drugs and reflects upon his life after the band s split rising to become a Wall Street fixture yet still finding time to make music **Album Rescue Series** Tim Dalton,2015-10-16 This album rescue series book evolved from long debates with friends family and colleagues as to the merits of various unloved and mistreated albums These discussions lead to committing our thoughts to paper and rescuing various albums that the press and general public considered to be far from exemplary of a particular artist This book rights those wrongs The album rescue series book is a contributive piece of work by music and media scholars each of whom take a unique approach to rescuing an album they love Taken from back cover Hello, It's Me Chris Epting,2010-07-01 In Hello It s Me pop culture historian Chris Epting celebrates the cultural touchstones of the past 40 years the music movies television hobbies and fads that have defined recent generations Whether it s shooting hoops with NBA legend Elgin Baylor drinking whiskey in a Radio City Music Hall broom closet with Ron Wood and Rod Stewart while thousands of fans scream from below sharing a milkshake with Jerry Lewis running into Alfred Hitchcock s stomach as a young child or jumping on a trampoline with Sally Struthers Chris Epting takes us on his own strange trip through time space and hula hoops Beginning in the 1970s and continuing through the 1980s 1990s and up to the present day Epting writes about the humorous ironic poignant and inspiring moments he s experienced with a host of pop culture icons Mick Jagger Keith Richards Jay Leno Johnny Thunders Edward Albee John Cheever Milton Berle etc as well as his personal memories of the era s most famous pop culture fads products and gimmicks Pet Rocks lava lamps mood rings 8 track tapes bootleg records Zotz halter tops strawberry wine

like any other On board were the Sex Pistols The Clash and The Heartbreakers while The Damned who were also on the bill followed behind However two days earlier on the Today Show tour the Sex Pistols had lit a fire in the popular consciousness What should have been an inconsequential three minute interview descended into farce when the show s host goaded Sex Pistols guitarist Steve Jones into saying something outrageous Local councils began to ban the tour and agreed Most of these groups would be vastly improved by sudden death Author Mick O Shea dissects the whirlwind that followed these punk rock heavyweights and the sheer force of their rebellion against popular culture He has interviewed band members managers roadies and audiences to tell the true story of how anarchy once gripped the nation Punk Rock Mindy Clegg,2022-08-01

Punk Rock examines the history of punk rock in its totality Punk became a way of thinking about the role of culture and community in modern life Punks forged real alternatives to producing popular music and built community around their music This punk counterpublic forged in the late Cold War period spanned the globe and has provided a viable cultural alternative to alienated young people over the years This book starts with the rise of modernity and places the emergence of punk as a musical subculture into that longer historical narrative It also reveals how punk itself became a contested terrain as participants sought to imbue the production of music with greater meaning It highlights all styles of punk and its wide variety of creators around the world including from the LGBTQ feminist and alternative communities Punk was and remains a transnational phenomenon that influences music production and shapes our understanding of culture s role in community building *CUT UP!
