Jon Jerde In Japan Designing The Spaces Between:

Jon Jerde in Japan Cathie Gandel, 2000-06 Japanese developer Fukuoka Jisho wanted to build a project that would revive the city and called on the Jerde Partnership Considered as an important architectural work of the 20th century contextual yet flamboyant Canal City Hakata is a model of creative collaboration between two cultures **Bibliographic Guide to Art and Architecture** New York Public Library. Art and Architecture Division, 1975 *Japan Close-up*, 2001 *The Journal of the American Chamber of Commerce in Japan*, 1997 Enhancing the City. Giovanni Maciocco, Silvia Serreli, 2009-09-30 Departing from a survey on the post modern landscapes of tourism this book explores the transformations the city has undergone and the way it has become a simulacrum offered to tourists spectacularised with the aim of increasing its capacity for attraction The experiences dealt with in the papers of authors belonging to different disciplinary fields emphasise the city's tendencies to create stage set contexts of the private type be it historic quarters theme parks or hypermarkets Issues like aestheticisation thematisation and genericity are dealt with conceptual categories that highlight the weak resistance cities put up against the rules of the leisure industry and more generally speaking the consumer economy The book inquires into the capacity of the urban and territorial project to construct a perspective for a public dimension of space This is linked with ethical action of the project involving an active relationship with places and a capacity to understand the dynamics of different urban populations In this sense capacity for innovation and creativity can contribute to transforming islands of leisure into places of the city and consumers into citizens **Urban Design** Alex Krieger, William S. Saunders, 2009-01-01 Collects essays written on the establishment and cultivation of urban design as a distinct architectural and planning practice *Forthcoming Books* Rose Arny, 2000-06 **Dream Cities. 7 урбанистических идей, которые сформировали мир** Уэйд Грэхем, 2022-04-29 **Architectural Publications Index**, 2003 **G.K. Hall Bibliographic Guide to East Asian Studies**, 2000 **The Jerde Partnership International** Jerde Partnership International, 1998 A deep feeling for places and their identity this is the concept that underpins the work of The Jerde Partnership International In the concept of architecture asserted by Jon Adams Jerde FAIA planning and building means to reinvent the authentic urban experience **Real Estate Southern California**, 1999 **American Book Publishing Record** R.R. Bowker Company, 1978 **Los Angeles Magazine**, 2002-02 Los Angeles magazine is a regional magazine of national stature Our combination of award winning feature writing investigative reporting service journalism and design covers the people lifestyle culture entertainment fashion art and architecture and news that define Southern California Started in the spring of 1961 Los Angeles magazine has been addressing the needs and interests of our region for 48 years The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian **Los Angeles Magazine**, 2002-02 Los Angeles magazine is a regional magazine of national stature Our combination of award winning feature writing investigative reporting service journalism and design covers the people lifestyle culture

entertainment fashion art and architecture and news that define Southern California Started in the spring of 1961 Los Angeles magazine has been addressing the needs and interests of our region for 48 years The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian

Splintering Urbanism Steve Graham, Simon Marvin, 2002-09-11 Splintering Urbanism makes an international and interdisciplinary analysis of the complex interactions between infrastructure networks and urban spaces It delivers a new and powerful way of understanding contemporary urban change bringing together discussions about globalization and the city technology and society urban space and urban networks infrastructure and the built environment developed developing and post communist worlds With a range of case studies illustrations and boxed examples from New York to Jakarta Johannesburg to Manila and Sao Paulo to Melbourne Splintering Urbanism demonstrates the latest social urban and technological theories which give us an understanding of our contemporary metropolis

Total Landscape, Theme Parks, Public Space Miodrag Mitrasinovic, 2006 Placing theme parks from the United States Europe and Asia in a comparative multidisciplinary framework this fascinating book argues that these fantasy environments are an extreme example of the totalization of public space By illuminating the relationship between theme parks and public space the book offers an insight into the ethos design and expectations of public space in the twenty first century

Responding to Chaos David N Buck, 2014-04-04 A celebration of a unique culture and its experience of design this sensitive text is a timely examination of Japanese design at the start of a new century The country's economic boom in the 1980s produced a surge of interest in land and building and consequently in design in all its forms From restaurant interiors to products from private housing to recreational spaces design received an unprecedented degree of attention However the bursting in the early 1990s of this so called bubble economy has prompted a re examination of design and its role in urban society

Constructing Singapore Public Space Limin Hee, 2016-09-21 This book presents possible alternatives and interpretations to the well established notion in the mostly western discourse on public space The discourse on public space as understood in the democratic rationalist tradition when applied to the Singaporean public space would offer much criticism but would not be adequate in identifying alternative processes that allow for transformative potentials in public space Thus said the objectives of this book are 1 To develop a conceptual frame of reference to construct the discourse on Singapore public space 2 To form a preliminary model of Singapore public space through analyzing case studies 3 To understand the modes methods of production and representation of these public spaces within the rapidly changing urban context 4 To situate these constructions of public space and its possible trajectories within the larger discourse on public space and to examine the viability of such a construction and interpretive model of public space

Walt Disney and the Quest for Community Steve Mannheim, 2016-02-24 During the final months of his life Walt Disney was consumed with the world wide problems of cities His development concept at the time of his death on December 15th 1966 would be his team's conceptual response to

the ills of the inner cities and the sprawl of the megalopolis the Experimental Prototype Community of Tomorrow or as it became known EPCOT This beautifully written instantly engrossing volume focuses on the original concept of EPCOT which was conceived by Disney as an experimental community of about 20 000 people on the Disney World property in central Florida With its radial plan 50 acre town center enclosed by a dome themed international shopping area greenbelt high density apartments satellite communities monorail and underground roads the original EPCOT plan is reminiscent of post war Stockholm and the British New Towns as well as today s transit oriented development theory Unfortunately Disney himself did not live long enough to witness the realization of his model city However EPCOT s evolution into projects such as the EPCOT Center and the town of Celebration displays a remarkable commitment by the Disney organization to the original EPCOT philosophy one which continues to have relevance in the fields of planning and development
