Jonah A Prophet Out Of Time:

Jonah Jonah, 2001-12 Jonah A Prophet Out of Time did not originate as a book or a business It began as a series of meditations e mailed to friends and relatives The driving force behind these mailings was to share God with as many people as possible and to provoke those who read it provoke them into thought if not action To stir them into considering their relationship with God and what it really means for them To perhaps even encourage them to ask for a deeper more meaningful relationship with Christ a relationship with Him at the center instead of material or earthly concerns God seems to have blessed these efforts in ways that I could not have expected Lives are being touched and doors are being opened I have no desire to do the human thing with Jonah to ride the crest of opinion and jump to the next popular topic Jonah did not originate for that purpose and is not likely to change I m convinced that it is only by God's Grace and the power of the Holy Spirit that I am permitted to share them on a broader basis May God richly bless you as you follow this belligerent Prophet in his journey through The Sermon on the Mount Reading the Latter Prophets Edgar W. Conrad, 2004-04-01 Edgar W Conrad focuses on the prophetic books as composite collections and shows that 1 prophets are characters in the text depicted as figures of the past whose words are significant for a later time 2 reading and writing play a central role in the depiction of prophets 3 prophetic books are presented as written words available to later generations through reading 4 that read as a whole the latter prophets depict the end of prophecy and the emergence of messengers of the Lord Reading the Latter Prophets is an important contribution to the problems of both the formation and function of the prophetic literature

From Ancient Text to Valid Application Josiah D. Boyd,2021-12-10 As a child needs nutrient rich calories to grow healthily so God s people experience maturation through consistent Spirit empowered feedings from the Bible prepared by a capable Spirit filled chef This is why Paul emphatically charged Timothy an overseer of a local congregation to unwaveringly and unrelentingly preach the word 2 Tim 4 1 2 a task that assumes not only Scripture's right explanation but also its valid application Unfortunately while much scholarly attention has been paid to the former facet less has been given to the latter One homiletician Abraham Kuruvilla Privilege the Text A Theological Hermeneutic for Preaching has recently attempted to fill this void by articulating and demonstrating a methodology through which a preacher can with confidence and clarity lead the people of God from the word of God to its intended and thus binding application This work explores the effectiveness of his proposed theology and hermeneutic for the identification development communication and reception of biblically founded theologically valid and hearer relevant application

Jonah's Story, Our Challenge Karl Möller,2023-02-28 Jonah s radical and enigmatic nature calls for deeper exploration and engagement Given its brevity it is also an ideal text for multiple readings from a range of perspectives that complement build upon or challenge and critique each other In Jonah s Story Our Challenge each chapter brings a different hermeneutical tool to the text to demonstrate the wealth of fresh readings and new vistas which can open up and the rich

resources for ministry which can come from these multiple readings **Prophets as Performers** Jeanette Mathews, 2020-03-04 The biblical prophets and Biblical Performance Criticism are brought together in three case studies Elijah Ezekiel Jonah presented as performances This book proposes a new method of reading the biblical prophets with a threefold focus on creativity commentary and connections With this method the many and varied performances of the prophets can be better appreciated Critical analysis of the quintessentially performative nature of the prophets as embodied spokespersons for YHWH aids us in understanding and clarifying YHWH s message to audiences situations and communities of the past as well as engaging contemporary audiences Friends' Intelligencer ,1912 The Sunday School Teacher's Bible Manual Robert Hunter. 1894 The Minor Prophets Edward Bouverie Pusey, 1860 **Commentary on the Holy Scriptures** John Peter Lange, 1886 Signs of the Times, and Doctrinal Advocate and Monitor, 1919 Prophetic Times A Commentary on the Holy Scriptures Johann Peter Lange, Philip Schaff, 1874 Israel and the and Watch Tower ,1872 **Covenants in New Testament Times** Peter Williams, A Bible student reference A New Testament prophecy of a falling away from truth into apostasy and lawlessness in the final generation before Jesus Christ returns in glory is being fulfilled now and is shortly to end Yet Christianity has overwhelmingly moved so far from its first century roots that it could not even recognise this or that Christ's return is therefore now almost upon us How and why this is the case is here explained thoroughly and logically with many examples directly from the word of God In God's saving plan for the world everyone must in time make a free will choice to become part of the Israel of God in order to access eternal life in the kingdom of God The route to take is the strait and narrow way Mat 7 13 14 that very few have so far found and it involves the biblical new and old covenants which both apply to this Israel Embark on this voyage only if you are willing to be challenged about some basic Christian preconceptions be a serious open minded Bible student and trust what the Bible teaches but remember that time is short What the Bible has taught me I see as both vital and urgent for our eternal salvation yet I know of no church or individual theologian who teaches what this book deals with in any substantive way Be prepared for major challenges to your understanding just as God has challenged me In the epistles Paul refers to two Israels whom he calls Israel after the flesh I Cor 10 18 and the Israel of God Gal 6 16 I focus mainly on the latter but I also explain an unexpected but critically important connection between them Dependent on the teaching nearly all Christian denominations either teach nothing at all on it or almost the opposite of what Scripture repeatedly showed me Looking back I find this absolutely staggering Very few Christians understand that the new covenant also only applies to Israel as I will clearly show I no longer believe that the NT New Testament can be fully understood without this extra Israel dimension Had I felt I could deliver this in a more light hearted way I would have done so but its implications are too awesome and fundamental to our eternal life prospects for that
