## Jonah An Old Story Retold:

Jonah Friedel Steinmann, Dieter Kohl, 1979-01-01      *To Make an Old Story New* Justyn Rees, 2014-07-14 Human history is traced from our once upon a time origins through the great disaster that nearly wiped the human race from the planet From an insignificant family of displaced nomads kings and poets arise who will shape human destiny Fascinating characters fast moving action and sparkling humor track the thread of the original Bible story allowing the narrative to live afresh today What others have said the story line of the Bible reduced to a gripping tale told with wit and warmth This is the spinal cord of the worlds oldest and most influential book Charles Price respectful yet readable insightful and invigorating J John the drama the wonder and the life changing impact of the Bible Julie Sheldon a book that simply tells the story and just the story Its brilliant Jennifer Larcombe exposes the emotion of each moment with subtle details that form a new picture in ones mind Richard Dodding the essence of the Bible true to the text true to the Spirit eminently readable R Paul Stevens      Jonah J. R. Stevenson, 1925      Jonah's Story, Our Challenge Karl Möller, 2023-02-28 Jonah s radical and enigmatic nature calls for deeper exploration and engagement Given its brevity it is also an ideal text for multiple readings from a range of perspectives that complement build upon or challenge and critique each other In Jonah s Story Our Challenge each chapter brings a different hermeneutical tool to the text to demonstrate the wealth of fresh readings and new vistas which can open up and the rich resources for ministry which can come from these multiple readings      **Jonah** Rhiannon Graybill, John Kaltner, Steven L. McKenzie, 2023-01-01 An innovative translation and commentary on the book of Jonah by a trio of award winning scholars The book of Jonah which tells the outlandish story of a disobedient prophet swallowed by a great fish is one of the Bible s best known narratives This tale has fascinated readers for millennia and has inspired countless interpretations This commentary features a new translation of Jonah as well as an introduction outlining the major interpretive issues in the text The introduction traces the composition history of the book paying special attention to the psalm in the second chapter and the authors explore new theories surrounding the time and place where Jonah delivers his message to Nineveh as well as the city s act of repentance In addition to these features this volume draws on a variety of critical approaches to biblical literature including affect theory animal studies performance criticism postcolonial criticism psychological criticism spatial theory and trauma theory to reveal the book s many interpretive possibilities An updated treatment of Jonah s reception history includes analyses of the story in religious traditions art and literature and popular culture      **The Essays of Leonard Michaels** Leonard Michaels, 2010-02-15 NONFICTION FROM ONE OF THE STRONGEST AND MOST ARRESTING PROSE TALENTS OF HIS GENERATION LARRY MCMURTRY Leonard Michaels was a writer of unfailing emotional honesty His memoirs originally scattered through his story collections are among the most thrilling evocations of growing up in the New York of the 1950s and 60s and of continuing to grow up in the cultural turmoil of the 70s and 80s as a writer teacher lover and reader The same honesty and excitement shine in Michaels s highly personal commentaries on culture and art

Whether he is asking what makes a story reviewing the history of the word relationship or reflecting on sex in the movies he is funny penetrating surprising always alive on the page The Essays of Leonard Michaels is the definitive collection of his nonfiction and shows yet again why Michaels was singled out for praise by fellow writers as diverse as Susan Sontag Larry McMurtry William Styron and Charles Baxter Beyond autobiography or criticism it is the record of a sensibility and of a style that is unmatched in American letters *The Collected Works of Edward Schillebeeckx Volume 6* Edward

Schillebeeckx, 2014-09-25 The existence of the historical Jesus cannot be doubted But who was Jesus of Nazareth And who is he for us today In this controversial work Schillebeeckx offers his experiment an informative and sustained hermeneutical reflection on the story of Jesus It became a bestseller and would become the first volume of Schillebeeckx trilogy on Jesus Christ He presents a Christology from below rooted in the synoptic gospels but especially in Mark and in the Q tradition At the same time he is clearly interested in portraying the historical Jesus as both Proclaimer and Proclaimed In this major work Schillebeeckx tries to answer questions such as Is the promise of salvation only to be found in Jesus Christ because he was a gift from God as the Gospels tell us What can we say about the inspiration of so many who do not attend church or adhere to any belief they find in Jesus Christ Schillebeeckx takes us into his promising quest that leads to the ultimate question of what religious truth actually is **The Cumulative Book Index**, 1910 A world list of books in the English language **A**
