Beatriz Sarlo

Jorge Luis Borges:

Seven Conversations with Jorge Luis Borges Fernando Sorrentino, 1982 These wide ranging conversations have an exceptionally open and intimate tone giving us a personal glimpse of one of the most fascinating figures in contemporary world literature Interviewer Fernando Sorrentino an Argentinian writer and anthologist is endowed with literary acumen sensitivity urbanity and an encyclopedic memory of Jorge Luis Borges work in his prologue Borges jokes that Sorrentino knows his work much better than I do Borges wanders from nostalgic reminiscence to literary criticism and from philosophical speculation to political pronouncements His thoughts on literature alone run the gamut from the Bible and Homer to Ernest Hemingway and Julio Cortázar We learn that Dante is the writer who has impressed Borges most that Borges considers Federico García Lorca to be a second rate poet and that he feels Adolfo Bioy Casares is one of the most important authors of this century Borges dwells lovingly on Buenos Aires too From the preface For seven afternoons the teller of tales preceded me opening tall doors which revealed unsuspected spiral staircases through the National Library's pleasant maze of corridors in search of a secluded little room where we would not be interrupted by the telephone The Borges who speaks to us in this book is a courteous easy going gentleman who verifies no quotations who does not look back to correct mistakes who pretends to have a poor memory he is not the terse Jorge Luis Borges of the printed page that Borges who calculates and measures each comma and each parenthesis Sorrentino and translator Clark M Zlotchew have included an appendix on the Latin American writers mentioned by Borges

Borges on Writing Jorge Luis Borges, 1974 Based on a series of discussion seminars presided over by J L Borges and held Columbia University 1971

Jorge Luis Borges Jason Wilson, 2006-10-02 The face of Borges most widely known is that of the blind patrician man of letters in whose writings emotion is subjected to the play of ideas Yet Borges born in Buenos Aires in 1899 did not become virtually blind until the 1950s and in the decades before this affliction and before his books were widely translated and internationally celebrated he wrote loved and engaged in local polemics with adventurous passion In *Jorge Luis Borges* Jason Wilson explores Borges tumultuous early life in the streets and cafes of Buenos Aires and charts his literary friendships love affairs and travels Borges claimed never to have invented a character It's always me subtly disguised Illuminating the connections running between the biography and the fictions Wilson reminds us that Borges was always a poet whose life was recreated in his work but never in confessional ways and restores his Argentine roots This book will be an invaluable resource for all who treasure the modern master BOOK
