Jorrockss England:

Jorrock's England Anthony Bedford Steel, 1933 Middle class life in England during the nineteenth century as portrayed in the sporting novels of Robert Surtees **The New Sporting Magazine**, 1833 *The Fox-Hunting Controversy*, 1781-2004 Allyson N. May, 2016-03-16 August 1781 saw the publication of a manual on fox hunting that would become a classic of its genre Hugely popular in its own day Peter Beckford's *Thoughts on Hunting* is often cited as marking the birth of modern hunting and continues to be quoted from affectionately today by the hunting fraternity Less stressed is the fact that its subject was immediately controversial and that a hostile review which appeared on the heels of the manual's publication raised two criticisms of fox hunting that would be repeated over the next two centuries fox hunting was a cruel sport and a feudal anachronistic one at that This study explores the attacks made on fox hunting from 1781 to the legal ban achieved in 2004 as well as assessing the reasons for its continued appeal and post ban survival Chapters cover debates in the areas of class and hunting concerns over cruelty and animal welfare party politics the hunt in literature and nostalgia By adopting a thematic approach the author is able to draw out the wider social and cultural implications of the debates and to explore what they tell us about national identity social mores and social relations in modern Britain **Handley Cross; Or, Mr. Jorrock's Hunt** Robert Smith Surtees, 1854 British Sport - a Bibliography to 2000 Richard Cox, 2013-12-16 Volume three of a bibliography documenting all that has been written in the English language on the history of sport and physical education in Britain It lists all secondary source material including reference works in a classified order to meet the needs of the sports historian Handley Cross Robert Smith Surtees, 1903 **A Literary History of England Vol. 4 A.** Baugh, Kemp Malone, 1959 **English Domestic Life during the last 200 years** L.A. G. Strong, 2023-05-31 First Published in 1942 *English Domestic Life* presents an anthology that gives as complete a picture as possible of the English domestic scene during the last 200 years With Fielding we accompany an eighteenth century family to the theatre to see Mr Garrick in *Hamlet* with Thackeray we see Mrs Rawdon Crawley going to Court with Meredith we taste the delights of wine with Galsworthy we enjoy a Forsyte dinner and so on The mass material from which L A G Strong has made this selection is enormous he has therefore been rigidly selective and believing that representation of the subject is more important than representation of authors has made an anthology as entertaining as it is instructive Among many others selections have been taken from the work of Jane Austen Dickens Bennett Walpole etc This selection is a must read for scholars and students of English literature **Six Centuries of Foxhunting** M. L. Biscotti, 2017-06-23 Hunting literature had its beginnings as early as the fourteenth century when nobles hunted stag bear fox and other game on horseback As foxhunting grew in popularity literary works that covered the sport flourished as well In *Six Centuries of Foxhunting An Annotated Bibliography* M L Biscotti has compiled all books produced in Great Britain and the United States that pertain to or mention foxhunting with hounds Arranged alphabetically by author more than 2000 titles are included Each entry features details such as place and

year of publication publisher book size page count illustrations and binding Nearly every title is also annotated with a description of the book s contents and biographical sketches are provided for the most notable authors Narratives histories illustrated works verse fiction and even anti hunting literature all have their place in this volume Six Centuries of Foxhunting also features more than thirty images of book covers and foxhunting illustrations With appendixes that contain author title and illustrator time lines and separate author and title indexes this comprehensive bibliography is a valuable resource for researchers book dealers and collectors and foxhunters The Cambridge bibliography of English literature. 3. 1800 - 1900 Frederick Wilse Bateson,1940 *Encyclopedia of British Writers* Christine L. Krueger,2014-07 This concise encyclopedic reference profiles more than 800 British poets **The Cambridge History of English Literature** Sir Adolphus William Ward,Alfred Rayney Waller,1917 **Hunting Sketches** Anthony Trollope,2016-01-05 THE MAN WHO HUNTS AND DOESN T LIKE IT It seems to be odd at first sight that there should be any such men as these but their name and number is legion If we were to deduct from the hunting crowd farmers and others who hunt because hunting is brought to their door of the remainder we should find that the men who don t like it have the preponderance It is pretty much the same I think with all amusements How many men go to balls to races to the theatre how many women to concerts and races simply because it is the thing to do They have perhaps a vague idea that they may ultimately find some joy in the pastime but though they do the thing constantly they never like it Of all such men the hunting men are perhaps the most to be pitied They are easily recognized by any one who cares to scrutinize the men around him in the hunting field It is not to be supposed that all those who in common parlance do not ride are to be included among the number of hunting men who don t like it Many a man who sticks constantly to the roads and lines of gates who from principle never looks at a fence is much attached to hunting Some of those who have borne great names as Nimrods in our hunting annals would as life have led a forlorn hope as put a horse at a flight of hurdles But they too are known and though the nature of their delight is a mystery to straight going men it is manifest enough that they do like it **Baily's Magazine of Sports and Pastimes** Tresham Gilbey,1917 **Modern English Biography** Frederic Boase,1901 Baily's Magazine of Sports and Pastimes ,1917 The English Catalogue of Books Sampson Low,1898 Volumes for 1898 1968 include a directory of publishers The Oxford Handbook of the British Musical Robert Gordon,Olaf Jubin,2016 The first comprehensive academic survey of British musical theatre from its origins The Oxford Handbook of the British Musical offers both a historical account of musical theatre from 1728 and a range of in depth critical analyses of key works and productions that illustrate its aesthetic values and sociocultural meanings Foxhunting in Paradise Michael Clayton,2012-12-17 In Foxhunting in Paradise a major work of research and practical exploration in and around the hunting field Michael Clayton brings entirely up to date histories of the Quorn Belvoir Cottesmore and Fernie Hunts He describes the glamour the risks and the controversy surrounding hunting in the paradise of Leicestershire s ridge and furrow grasslands divided by fly fences and dotted with fox coverts Royalty captains of industry

young bloods from the services and not a few fortune hunters and courtesans have been among those gracing the houses and hunting fields of Leicestershire Yet the sport depends ultimately on the continued goodwill of the vast majority of Leicestershire s farmers and landowners a prize which has always been retained Clayton does not shrink from the essential conservation issues which he believes justify hunting and he deals with the most recent accusations against the sport s conduct in Leicestershire Foxhunting in Paradise throws new light on a peculiarly British phenomenon in an area of understated beauty in the heart of England described by the great hunting correspondent Nimrod thus In the absence of all perfection it is as a hunting country as nearly approaching to it as nature and art can make it and its fame may be said to have reached the remotest corners of the civilised world
