Voices from the Negro Leagues Brent Kelley,2005-03-17 Baseball lore is replete with the tales of such legendary Negro League stars as Satchel Paige Cool Papa Bell Josh Gibson and a few others But the stories of the many other African Americans both stars and journeymen have largely been forgotten These were the men who barnstormed the country playing in loosely organized leagues and eking out a living doing what they did best playing baseball In this work 52 players reminisce about what it was like to play in the Negro Leagues from the great teams and players to the terrible Jim Crow conditions they faced in the South Now in their sixties seventies and eighties these men reflect on their careers with humor bluntness and poignancy providing a rich record of a part of the game that is quickly being lost to history **Why We Love Baseball** Joe Posnanski,2025-03-11 NEW YORK TIMES bestseller Winner of the CASEY Award for Best Baseball Book of the Year National Sports Media Association Sports Book of the Year An NPR Book of the Day 1 New York Times bestselling author Joe Posnanski is back with a masterful ode to the game a countdown of 50 of the most memorable moments in baseball's history to make you fall in love with the sport all over again Posnanski writes of major moments that created legends and of forgotten moments almost lost to time It's Willie Mays's catch Babe Ruth's called shot and Kirk Gibson's limping home run the slickest steals the biggest bombs and the most triumphant no hitters But these are also moments raw with the humanity of the game the unheralded heroes the mesmerizing mistakes drenched in pine tar and every story from the immortal to the obscure is told from a unique perspective Whether of a real fan who witnessed it or the pitcher who gave up the home run the umpire the coach the opposing player these are fresh takes on moments so powerful they almost feel like myth Posnanski's previous book *The Baseball 100* portrayed the heroes and pioneers of the sport and now with his trademark wit encyclopedic knowledge and acute observations he gets at the real heart of the game From nineteenth century pitchers duels to breaking the sport's color line in the 40s all the way to the greatest trick play of the last decade and the slide home that became a meme Posnanski's illuminating take allows us to rediscover the sport we love and thought we knew *Why We Love Baseball* is an epic that ends too soon a one of a kind love letter to the sport that has us thrilled torn inspired and always wanting more *Satchel* Larry Tye,2010-05-04 NEW YORK TIMES BESTSELLER The superbly researched

spellbindingly told story of athlete showman philosopher and boundary breaker Leroy Satchel Paige Among the rare biographies of an athlete that transcend sports gives us the man as well as the myth The Boston Globe Few reliable records or news reports survive about players in the Negro Leagues Through dogged detective work award winning author and journalist Larry Tye has tracked down the truth about this majestic and enigmatic pitcher interviewing more than two hundred Negro Leaguers and Major Leaguers talking to family and friends who had never told their stories before and retracing Paige s steps across the continent Here is the stirring account of the child born to an Alabama washerwoman with twelve young mouths to feed the boy who earned the nickname Satchel from his enterprising work as a railroad porter the young man who took up baseball on the streets and in reform school inventing his trademark hesitation pitch while throwing bricks at rival gang members Tye shows Paige barnstorming across America and growing into the superstar hurler of the Negro Leagues a marvel who set records so eye popping they seemed like misprints spent as much money as he made and left tickets for Mrs Paige that were picked up by a different woman at each game In unprecedented detail Tye reveals how Paige hurt and angry when Jackie Robinson beat him to the Majors emerged at the age of forty two to help propel the Cleveland Indians to the World Series He threw his last pitch from a big league mound at an improbable fifty nine Age is a case of mind over matter he said If you don t mind it don t matter More than a fascinating account of a baseball odyssey Satchel rewrites our history of the integration of the sport with Satchel Paige in a starring role This is a powerful portrait of an American hero who employed a shuffling stereotype to disarm critics and racists floated comical legends about himself including about his own age to deflect inquiry and remain elusive and in the process methodically built his own myth Don t look back he famously said Something might be gaining on you Separating the truth from the legend Satchel is a remarkable accomplishment as large as this larger than life man
