Courageous Faith Amy Craighead, 1918-09-07 So often we ask the questions What is my purpose Why am I here walking this earth Not only are we created to worship and be in relationship with God our Creator we have ground to claim just like the Israelites Claiming our earthly promised land our purpose is intricately woven into who we are our relationship with the Lord and His will It's easy to think our purpose is something big grandiose and far off In reality it's probably a lot closer than you realize Where has God called you What has He already placed in your path and on your heart As we study the Book of Joshua together we explore what your promised land looks like that purpose Through Joshua's experiences obedience and relationship with the Lord we learn what it takes to identify and claim your ground Diving deep into God's Word life tools will be presented as we apply them to our own life and circumstances Throughout this journey we consider what it means to authentically live from a place where our identity is based on who we are as God's creation in Christ rather than what we do You may know the Bible story of the walls of Jericho tumbling down but Joshua's journey with the Israelites is so much deeper Faith is an action word and Joshua's life is filled with deep faith and courageous obedience as he lived out the promises of God Join me as we explore the Book of Joshua Each step of the journey will allow our faith to take root deep into your heart resulting in a close walk with the Lord and claimed ground
