relevant helps on each page lead you to get the most out of God's word **Choosing Victory, Overcoming Defeat** Kay Arthur, 2002-06-15 Readers will discover the keys to victorious living and winning life's battles in this enriching Old Testament study of how Joshua, Ruth, and the judges overcame defeat by following God's path to success *Praying Through Joshua Judges Ruth* Troy Schmidt, 2016-09-17 The book of Joshua rides an incredible high of victories for the Israelites who took over the Promised Land and showed the enemies that God was the Boss. Then something happened: Joshua died and new leadership never really stepped up. The people settled into their homes, started families, grew crops, and forgot about God. The Book of Judges is about the failure of the people who did whatever they wanted to do, then suffered the consequences by allowing their enemies to slowly take over. Despite being shunned, God stepped in and helped the people in ways they could never imagine. Enter Ruth, a Moabite, one of the enemies who faithfully followed her mother-in-law to Bethlehem to give birth to David's grandfather. One day a king would be born who would give birth to the King of Kings. This was the ultimate solution to the problem of sin. These three books walk us through a time of great victory and great defeat. Kind of like our lives at times. However, we see through these books that God never gives up on His people and He always has a plan.

PRAYING THROUGH THE BIBLE SERIES What is God's word? Simply put, it is the word of God spoken to people long ago who transcribed that information into writing. That writing was meticulously passed down for thousands of years to speak to us today. How did God speak to people in Bible times? Audibly, God spoke directly to people who heard him with their ears or in their heart. Through situations, God spoke through the actions and events of this world. Through people, God spoke through leaders, kings, and prophets who proclaimed God's purpose. Through prophecy, God spoke about future events, then those events happened. Scripture, God spoke through his written word when people read those words. Later, Prayer, God spoke through the prayers of people.

PRAYING THROUGH THE BIBLE SERIES recognizes the power of God speaking to mankind through His Scriptures. God's word was not only meant to be read but applied. We must apply ourselves to these passages and adjust our lives to God's will. Today, God uses many ways to speak to us. This book incorporates those avenues of communication to ensure that God will speak to you during your quiet time with Him. Each section asks the reader to do six things:

- 1 Read the passage. Open up the Bible and read His Word.
- 2 Memorize the passage. A certain verse is given special focus. Commit it to memory. Remember it all day.
- 3 Understand the passage. Background information. Time. Characters. Place. What's Happening help you to understand the context of the section you are reading.
- 4 Read the prayer. Read the written prayer as if it is from your heart. Don't recite them as words from a page but a plea from your soul.
- 5 Keep praying. Prayer prompts are there to help you continue praying about other specific areas. Listen to the Holy Spirit and see if there is more you need to pray.
- 6 Journal your thoughts. In the space provided, write down some thoughts that you feel God said to you during this time. Every five sections, I've included a Prayer Thoughts page to give you more room to journal your thoughts and write down prayer requests as you go through the Bible. Get ready to spend some quality time with God. Get ready for God to

Joshua, Judges, and Ruth Richard Hess, Daniel I. Block, Dale W. Manor, 2016-01-12 Many today find the Old Testament a closed book The cultural issues seem insurmountable and we are easily baffled by that which seems obscure Furthermore without knowledge of the ancient culture we can easily impose our own culture on the text potentially distorting it This series invites you to enter the Old Testament with a company of guides experts that will give new insights into these cherished writings Features include Over 2000 photographs drawings maps diagrams and charts provide a visual feast that breathes fresh life into the text Passage by passage commentary presents archaeological findings historical explanations geographic insights notes on manners and customs and more Analysis into the literature of the ancient Near East will open your eyes to new depths of understanding both familiar and unfamiliar passages Written by an international team of 30 specialists all top scholars in background studies
