Jouissance As Aananda Consciousness:

Jouissance As Ananda Ashmita Khasnabish, 2006-04-10 Jouissance as Ananda seeks to resolve the often problematic Western concept of the ego by proposing a cross cultural theory of consciousness that draws on Indian philosophy Author Ashmita Khasnabish begins with a critique of Western psychoanalysis engaging French feminist philosopher Luce Irigaray's concept of jouissance to highlight shortcomings in the work of Freud and Lacan Khasnabish then seeks to expand the idea of jouissance by comparing it with the Indian concept of ananda The highly theoretical analysis of philosophical and psychoanalytic terms is combined with an examination of colonial and postcolonial literature A thoughtful and immensely creative approach to psychoanalytic theory Jouissance as Ananda will be of interest to readers from a variety of cultures and disciplines

Virtual Diaspora. Postcolonial Literature and Feminism Ashmita Khasnabish, 2022-12-16 This book analyses the resolution of the psychic problem of diasporic existence from a postcolonial feminist perspective by inscribing and defining the meaning of virtual diaspora through the lens of the East India and the West It explores the situation that arises when one leaves one's country and becomes an emigrant immigrant which often causes pain both in the departure from one's motherland and in the adaptation to a new environment The book employs the theory of Deleuze and Guattari and explores the interstices of real and virtual diaspora and the aftermath of diaspora as a mental journey Adding a new interpretation of transcendence taken from the Indian perspective the book examines the Deleuze's theory of immanence and transcendence and the two major concepts of becoming and real virtual The book also examines the works of Helene Cixous J M Coetzee Jhumpa Lahiri Kunal Basu and Tagore in light of the concept of virtual diaspora and from a postcolonial feminist angle It does so by raising the following questions When one has emigrated to a different country can one conceive of that existence as real or virtual or

both Do emigrants or diasporic individuals live a life of both real and virtual diaspora This comes from the idea that both real and virtual diaspora under different paradigms may be related to the power struggle and master slave dialectic that affects all of humanity A valuable addition to the study of postcolonial literature the book will also be of interest to researchers in the fields of diaspora studies postcolonial feminist theory postcolonial literature feminist philosophy interdisciplinary studies and Asian Studies in particular South Asian Studies *Postcoloniality, Globalization, and Diaspora* Markus

Arnold,2019-12-03 Postcoloniality Globalization and Diaspora What s Next looks forward within the field of postcolonial studies and goes beyond the notion of hybridity and postcolonial reason beyond just portraying it This volume offers a futuristic vision going beyond the common paradigms of postcolonility diaspora and globalization speculating a framework beyond master slave dialectic This new paradigm locates a humanitarian space purifying ego through various forms writing philosophizing and theorizing new ideas Authors focus on writers from Mauritius to India **Forthcoming Books** Rose

Arny,2003 Negotiating Capability and Diaspora Ashmita Khasnabish,2013-12-04 Negotiating Capability and Diaspora A Philosophical Politics scrutinizes Indian economist cum philosopher Amartya Sen s theory of capability which rose as a critique of the modern American philosopher John Rawls s theory of primary goods Ashmita Khasnabish develops Sen s theory of capability as a leitmotif throughout the book She focuses on the following themes 1 how Amartya Sen s theory of capability offers strength to immigrants and underdogs 2 the significance of John Rawls s theory for Sen s theory of capability 3 two aspects of Sen s theory on the one hand it exposes the asymmetry between people of power and the powerless due to the discrepancy of resources and on the other hand it shows how the powerless or the underdogs or the minorities could exert their will power through the paradigm of choices to overcome 4 finally Sri Aurobindo s theory of democracy which intersects with John Rawls s theory of comprehensive doctrines and political justice Khasnabish also discusses authors Amitav Ghosh Jhumpa Lahiri and Toni Morrison whose novels illustrate different facets of the theory of capability Negotiating Capability and Diaspora develops themes that will be of great interest to students and scholars of political philosophy feminist philosophy postcolonial studies literary studies Diaspora studies and world literature Esalen Jeffrey J. Kripal,2011-09-07 Jeffrey Kripal here recounts the spectacular history of Esalen the institute that has long been a world leader in alternative and experiential education and stands today at the center of the human potential movement Forged in the literary and mythical leanings of the Beat Generation inspired in the lecture halls of Stanford by radical scholars of comparative religion the institute was the remarkable brainchild of Michael Murphy and Richard Price Set against the heady backdrop of California during the revolutionary 1960s Esalen recounts in fascinating detail how these two maverick thinkers sought to fuse the spiritual revelations of the East with the scientific revolutions of the West or to combine the very best elements of Zen Buddhism Western psychology and Indian yoga into a decidedly utopian vision that rejected the dogmas of conventional religion In their religion of no religion the natural world was just as crucial as the spiritual one

science and faith not only commingled but became staunch allies and the enlightenment of the body could lead to the full realization of our development as human beings An impressive new book Kripal has written the definitive intellectual history of the ideas behind the institute San Francisco Chronicle Kripal examines Esalen s extraordinary history and evocatively describes the breech birth of Murphy and Price s brainchild His real achievement though is effortlessly synthesizing a dizzying array of dissonant phenomena Cold War espionage ecstatic religiosity incongruous pairings Darwinism Tantric sex and otherwise schizy ephemera psychedelic drugs spaceflight into a cogent satisfyingly complete narrative Atlantic Monthly Kripal has produced the first all encompassing history of Esalen its intellectual social personal literary and spiritual passages Kripal brings us up to date and takes us deep beneath historical surfaces in this definitive elegantly written book Playboy
