

Journalism In The Digital Age

Natalie Fenton

Journalism In The Digital Age:

Journalism in the Digital Age John Herbert, 1999-11-03 Provides the practical techniques and theoretical knowledge that underpin the fundamental skills of a journalist. It also takes a highly modern approach as the convergence of broadcast print and online media require the learning of new skills and methods. The book is written from an international perspective with examples from around the world in recognition of the global marketplace for today's media. This is an essential text for students on journalism courses and professionals looking for a reference that covers the skill technology and knowledge required for a digital and converged media age. The book's essence lies in the way essential theories such as ethics and law are woven into practical newsgathering and reporting techniques as well as advice on management skills for journalists providing the wide intellectual foundation which gives credibility to reporting. *Media in the Digital Age* John Vernon

Pavlik, 2008 Digital technologies have fundamentally altered the nature and function of media in our society. This book critically examines digital innovations and their positive and negative implications. **Journalism and PR** John Lloyd, Laura Toogood, 2014-11-18 Public relations and journalism have had a difficult relationship for over a century characterised by mutual dependence and often mutual distrust. The two professions have vied with each other for primacy; journalists could open or close the gates but PR had the stories, the contacts and often the budgets for extravagant campaigns. The arrival of the internet and especially of social media has changed much of that. These new technologies have turned the audience into players who play an important part in making the reputation and the brand of everyone from heads of state to new car models vulnerable to viral tweets and social media attacks. Companies, parties and governments are seeking more protection especially since individuals within these organisations can themselves damage even destroy their brand or reputation with an ill-chosen remark or an appearance of arrogance. The pressures and the possibilities of the digital age have given public figures and institutions both a necessity to protect themselves and channels to promote themselves free of news media gatekeepers. Political and corporate communications professionals have become more essential and more influential within the top echelons of business, politics and other institutions. Companies and governments can now must now become media themselves putting out a message 24/7 establishing channels of their own creating content to attract audiences and reaching out to their networks to involve them in their strategies. Journalism is being brought into these new more influential and fast growing communications strategies. And as newspapers struggle to stay alive, journalists must adapt to a world where old barriers are being smashed and new relationships built. This time with public relations in the driving seat. The world being created is at once more protected and more transparent; the communicators are at once more influential and more fragile. This unique study illuminates a new media age. News Now Susan Green, Mark Lodato, B. William Silcock, Carol Schwalbe, 2016-01-08 Debuting in its first edition, *News Now: Visual Storytelling in the Digital Age* helps today's broadcast journalism students prepare for a mobile, interactive and highly competitive workplace. The authors, all faculty members of the

prestigious Cronkite School of Journalism and Mass Communication bring their real world expertise to a book designed to be a trusted reference for the next generation of broadcast journalists **Journalistic Metamorphosis** Jorge

Vázquez-Herrero, Sabela Direito-Rebollal, Alba Silva-Rodríguez, Xosé López-García, 2020-01-03 This book aims to reflect how journalism has changed in recent years through different perspectives concerning the impact of technology the reconfiguration of the media ecosystem the transformation of business models production and profession as well as the influence of digital storytelling mobile devices and participation within the context of glocal information Journalism innovation implies modifications in techniques technologies processes languages formats and devices intended to enhance the production and consumption of the journalistic information This book becomes an interesting resource for researchers and professionals working in news media to identify the best practices and discover new types of information flows in a rapidly changing news media landscape Funding Journalism in the Digital Age Jeff Kaye, Stephen Quinn, 2010 The news

media play a vital role in keeping the public informed and maintaining democratic processes But that essential function has come under threat as emerging technologies and changing social trends sped up by global economic turmoil have disrupted traditional business models and practices creating a financial crisis Quality journalism is expensive to produce so how will it survive as current sources of revenue shrink Funding Journalism in the Digital Age not only explores the current challenges but also provides a comprehensive look at business models and strategies that could sustain the news industry as it makes the transition from print and broadcast distribution to primarily digital platforms The authors bring widespread international journalism experience to provide a global perspective on how news organizations are evolving investigating innovative commercial projects in the United States United Kingdom Australia Norway South Korea Singapore and elsewhere **The**

Ethical Journalist Gene Foreman, Daniel R. Biddle, Emilie Lounsberry, Richard G. Jones, 2022-05-25 The Ethical Journalist Praise for the Third Edition of The Ethical Journalist A riveting examination of journalism ethics updated for the seismic change that is now an industry constant The Ethical Journalist is written to fortify journalism students but real life examples of everything from faked photographs to reporting on presidential lies make it valuable to all of us who care about the news ANN MARIE LIPINSKI CURATOR OF THE NIEMAN FOUNDATION AT HARVARD UNIVERSITY AND FORMER EDITOR OF THE CHICAGO TRIBUNE Praise for the Earlier Editions The book is superb the definitive work on journalism ethics and practices It should be a basic text in every school of journalism GENE ROBERTS FORMER EXECUTIVE EDITOR OF THE PHILADELPHIA INQUIRER AND FORMER MANAGING EDITOR OF THE NEW YORK TIMES At a time when the internet has turned journalism inside out and blown up long held traditions the need for media ethics is even more critical This is the book to help guide students and the rest of us through the revolution ALICIA C SHEPARD FORMER NPR OMBUDSMAN The third edition of The Ethical Journalist is a comprehensive examination of current issues in the field of journalism ethics researched and written by four journalists with experience in both the newsroom and the classroom It gives students and professionals

the tools they need to navigate the challenges of journalism today first explaining the importance of ethics in journalism and then putting a decision making strategy to work The text is supplemented by case studies and essays and two companion websites provide additional materials for educators and a forum for all users to discuss new topics in journalism ethics as they arise

Journalism in Context Angela Phillips,2014-09-15 Journalism in Context is an accessible introduction to the theory and practice of journalism in a changing world The book looks at the way in which power flows through media organisations influencing not only what journalists choose to present to their audiences but how they present it and then in turn what their audiences do with it Using examples from across the world as well as from her own research Angela Phillips uses them to explain complex theoretical concepts She invites readers to consider how news is influenced by the culture from which it emerges as well as the way it is paid for and how different countries have approached the problem of ensuring that democracy is served by its media rather than being undermined by it Journalism has always been an early adopter of new technologies and the most recent changes are examined in the light of a history in which although platforms keep on changing journalism always survives The questions raised here are important for all students of journalism and all those who believe that journalism matters

New Media, Old News Natalie Fenton,2009-09-26 Have new communications technologies revitalised the public sphere or become the commercial tool for an increasingly un public undemocratic news media Are changing journalistic practices damaging the nature of news or are new media allowing journalists to do more journalism and to engage the public more effectively With massive changes in the media environment and its technologies interrogating the nature of news journalism is one of the most urgent tasks we face in defining the public interest today The implications are serious not just for the future of the news but also for the practice of democracy In a thorough empirical investigation of journalistic practices in different news contexts New Media Old News explores how technological economic and social changes have reconfigured news journalism and the consequences of these transformations for a vibrant democracy in our digital age The result is a piercing examination of why understanding news journalism matters now more than ever It is essential reading for students and scholars of journalism and new media

American Journalist in the Digital Age Lars Willnat,David Hugh Weaver,Indiana University. School of Journalism,2014

Feature Writing and Reporting Jennifer Brannock Cox,2020-08-10 This new text offers a fresh look at feature writing and reporting in the 21st century Award winning professor and author Jennifer Brannock Cox teaches students the fundamentals of feature writing and reporting while emphasizing the skills and tools needed to be successful in the digital era Packed with the best samples of feature writing today this practical text gives students ample opportunity to practice their writing as they build a portfolio of work for their future careers Cox s special attention on new multimedia and online reporting prepares readers for success in a rapidly changing media landscape

Theories of Journalism in a Digital Age Steen Steensen,Laura Ahva,2018-02-02 Given the interdisciplinary nature of digital journalism studies and the increasingly blurred boundaries of journalism there is a need

within the field of journalism studies to widen the scope of theoretical perspectives and approaches Theories of Journalism in a Digital Age discusses new avenues in theorising journalism and reassesses established theories Contributors to this volume describe fresh concepts such as de differentiation circulation news networks and spatiality to explain journalism in a digital age and provide concepts which further theorise technology as a fundamental part of journalism such as actants and materiality Several chapters discuss the latitude of user positions in the digitalised domain of journalism exploring maximal minimal participation routines interpretation agency and mobility cross mediality participation Finally the book provides theoretical tools with which to understand in different social and cultural contexts the evolving practices of journalism including innovation dispersed gatekeeping and mediatized interdependency The chapters in this book were originally published in special issues of Digital Journalism and Journalism Practice

Understanding Media in the Digital Age Everette E. Dennis, Melvin Lawrence DeFleur, 2010 Written by two of the field's most eminent experts this exciting new introduction to mass media makes connections between communication research and the reality of the media industry Understanding Media in the Digital Age shows readers how to navigate the world of traditional and new media while fostering an understanding of mass communication theory history active research findings and professional experience

The Ethical Journalist Gene Foreman, 2015-06-02 This new edition of a well regarded student friendly textbook for journalism ethics has been extensively revised and updated to meet the needs of the 21st century journalist working in the digital age Educates aspiring journalists on ethical decision making with coverage of key applied issues such as the principles of fairness and accuracy the duty of verification the role of social media the problems of plagiarism fabrication and conflicts of interest business issues that affect journalism ethics and questions relating to source relationships privacy and deception in reporting Includes extensive revisions to the majority of chapters as well as six new Point of View essays eight new case studies and a full glossary Brings together the authoritative engaging voice of a veteran journalist the viewpoints of distinguished scholars and print broadcast and digital practitioners and insights from complex real world case studies Supplemented by an annually updated companion website with resources for teachers and students including links to current articles discussing the subjects covered in each of the book's chapters and a teachers guide that offers sample syllabi discussion guides PowerPoint slides sample quiz and exam questions and links to audiovisual material

The American Journalist in the Digital Age Lars Willnat, David Hugh Weaver, G. Cleveland Wilhoit, 2017 More than a decade has passed since the last comprehensive survey of U S journalists was carried out in 2002 by scholars at Indiana University and the news and the journalists who produce it have undergone dramatic changes and challenges The American Journalist in the Digital Age is based on interviews with a national probability sample of nearly 1 100 U S journalists in the fall of 2013 to document the tremendous changes that have occurred in U S journalism in the past decade many of them due to the rise of new communication technologies and social media This survey of journalists updates the findings from previous studies and asks

new questions about the impact of new technologies and social media in the newsroom and it includes more nontraditional online journalists than the previous studies *News Evolution Or Revolution?* Andrea Miller,Amy Reynolds,2014 This book tells the story of modern day newspapers by exploring the digital transition of the New Orleans Times Picayune as a microcosm of the industry The book shows what news organizations journalists news consumers and professionals can learn about the future of the global newspaper industry Trusting the News in a Digital Age Jeffrey Dvorkin,2021-04-27

TRUSTING THE NEWS in a Digital Age How to use critical thinking to discern real news from fake news Trusting the News in a Digital Age provides an ethical framework and the much needed tools for assessing information produced in our digital age With the tsunami of information on social media and other venues many have come to distrust all forms of communication including the news This practical text offers guidance on how to use critical thinking appropriate skepticism and journalistic curiosity to handle this flow of undifferentiated information Designed to encourage critical thinking each chapter introduces specific content followed at the end of each section with an ethical dilemma The ideas presented are based on the author s experiences as a teacher and public editor ombudsman at NPR News Trusting the News in a Digital Age prepares readers to deal with changes to news and information in the digital environment It brings to light the fact that journalism is about treating the public as citizens first and consumers of information second This important text Reveals how to use critical thinking to handle the never ending flow of information Contains ethical dilemmas to help sharpen critical thinking skills Explains how to verify sources and spot frauds Looks at the economic and technological conditions that facilitated changes in communication Written for students of journalism and media studies Trusting the News in the Digital Age offers guidance on how to hone critical thinking skills needed to discern fact from fiction **Remaking the News** Pablo J. Boczkowski,C. W. Anderson,2024-05-21 Leading scholars chart the future of studies on technology and journalism in the digital age The use of digital technology has transformed the way news is produced distributed and received Just as media organizations and journalists have realized that technology is a central and indispensable part of their enterprise scholars of journalism have shifted their focus to the role of technology In Remaking the News leading scholars chart the future of studies on technology and journalism in the digital age These ongoing changes in journalism invite scholars to rethink how they approach this dynamic field of inquiry The contributors consider theoretical and methodological issues concepts from the social science canon that can help make sense of journalism the occupational culture and practice of journalism and major gaps in current scholarship on the news analyses of inequality history and failure Contributors Mike Ananny C W Anderson Rodney Benson Pablo J Boczkowski Michael X Delli Carpini Mark Deuze William H Dutton Matthew Hindman Seth C Lewis Eugenia Mitchelstein W Russell Neuman Rasmus Kleis Nielsen Zizi Papacharissi Victor Pickard Mirjam Prenger Sue Robinson Michael Schudson Jane B Singer Natalie Talia Jomini Stroud Karin Wahl Jorgensen Rodrigo Zamith **Rethinking Journalism Again** Chris Peters,Marcel Broersma,2016-09-13 It s easy to make a rhetorical case for the value of journalism

Because it is a necessary precondition for democracy it speaks to the people and for the people it informs citizens and enables them to make rational decisions it functions as their watchdog on government and other powers that be But does rehashing such familiar rationales bring journalism studies forward Does it contribute to ongoing discussions surrounding journalism s viability going forth For all their seeming self evidence this book considers what bearing these old platitudes have in the new digital era It asks whether such hopeful talk really reflects the concrete roles journalism now performs for people in their everyday lives In essence it poses questions that strike at the core of the idea of journalism itself Is there a singular journalism that has one well defined role in society Is its public mandate as strong as we think The internationally renowned scholars comprising the collection address these recurring concerns that have long defined the profession and which journalism faces even more acutely today By discussing what journalism was is and possibly will be this book highlights key contemporary areas of debate and tackles on going anxieties about its future **The Online Journalism**

Handbook Paul Bradshaw, 2013-09-13 How do we practice journalism in a digital world in which the old rules no longer apply This text offers comprehensive instructive coverage of the techniques and secrets of being a successful online journalist both from a theoretical and practical point of view Reflecting the vitality of the web it will inspire you to acquire new skills and make sense of a transforming industry Key Features How to investigate and break stories online Learn to broadcast to millions using video and podcast How to blog like a pro Learn to manage and stimulate user generated content Include and use social media in your toolkit How to dig out stories using data journalism Rise to the challenge of citizen journalism Make your journalism more interactive at every stage of the process Dedicated chapter for Law and Online Communication The Online Journalism Handbook is essential reading for all journalism students and professionals and of key interest to media communication studies and more broadly the social sciences

Journalism In The Digital Age Introduction

In the digital age, access to information has become easier than ever before. The ability to download Journalism In The Digital Age has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Journalism In The Digital Age has opened up a world of possibilities. Downloading Journalism In The Digital Age provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Journalism In The Digital Age has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Journalism In The Digital Age. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Journalism In The Digital Age. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Journalism In The Digital Age, users should also consider the potential security risks associated with online

platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Journalism In The Digital Age has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
