Jerry Stephenson, 2007-04-29 Truly you will want to read the powerful message that says no matter what happens to you in the journey of life you can over come it and come out on top A Five-Second Prayer Dr. Ella L. Gates-Mahmoud, 2024-11-08 Receiving a death notice is a surreal experience and I ve had that bitter taste twice in my life Never did I fathom that I d be walking through the valley of the shadow of death once more After all I d endured since birth I believed I d already carried my fair share of suffering So when the doctor delivered the shattering news of a life threatening cancerous tumor it rattled me to the core in a way I never thought I would encounter What I have come to understand more so now than ever before is that prayer has always found a way to bring my troubled spirit a form of peace that I can t understand and a sense of calm and resolution even now as Jews of Israel and Muslims of Palestine continue to fight for what they believe in the Holy Land of Jerusalem Prayer is human communication with the sacred God gods the transcendent realm or supernatural powers But to label prayer solely as a form of communication is akin to describing a grand symphony as mere notes on a page Prayer is a tapestry woven with threads of human history spirituality and the very essence of our existence In reality prayer is a mosaic of multidimensional practices as old as humanity God Forgive me Cleanse me Make me whole again An Infinite Journey Dr. Andrew M. Davis, 2014-01-09 After we ve come to faith in Christ God leaves us in this Amen world for a very clear purpose his own glory But how are we to glorify God for the rest of our lives The Bible reveals that God has laid before every Christian two infinite journeys which we are to travel every day the internal journey of growth into Christlike maturity and the external journey of worldwide evangelism and missions This book is a road map for the internal

journey laying out how we are to grow in four major areas knowledge faith character and action In this book we ll learn how God grows us in knowledge faith character and action We ll also discover that spiritual knowledge constantly feeds our growing faith faith will transform our character our transformed character will result in an array of actions more and more glorifying to God and our actions will feed our spiritual knowledge This upward spiral will lead us to become more and more like Jesus Christ in holiness And not only will this book help us understand Christian growth in detail it will also give us a passion to grow every day for his glory

Psalms for Life Kathy Foor, 2015-06-01 Most Christians have gone through times of spiritual dryness or weariness Like water to the thirsty ground the Psalms offer refreshment to the thirsty soul Based on favorite verses from the Psalms Psalms for Life applies the wisdom of Gods Word to real life situations in order to encourage and strengthen those who are seeking a more intimate walk with Christ When we are weak and weary it can be difficult to break loose from discouragement and often we pull away from God or do not know how to regain our strength and passion for the Lord This devotional book is a day to day glance at nuggets of truth that can strengthen faith that has been stretched to the limit encourage the weary soul and provide hope and wisdom to help you draw refreshment from the River of Life

Spirituality: Looking Up to Heaven Greg Fernandez Jr., 2010-09-23 If we live we live to the Lord and if we die to the Lord So whether we live or die we belong to the Lord ROMANS 14 8This book encourages you to study the Bible to seek understanding of God tolerance of others to throw away your pride and celebrate the glory of God Jesus Christ and The Holy Spirit God has done so many miracles in my life God has taken me places I never thought possible How awesome is our God How awesome our God is Spirituality is a book for those who need spiritual encouragement This book is designed to get you excited about the Bible and understand that Jesus Christ is the answer to sin Reading about him will get you to understand what salvation is and how we can seek it We must serve instead of being served Follow God put this book down and read The Innermost Place Nicole Bento McGhee, 2012-11 During our Christian walk we learn the importance of your Bible prayer and reading the Bible Many people have been successful with their devotional times without much guidance but for the rest of us it is overwhelming clumsy and difficult to manage Therefore we might feel discouraged in our relationship with God This book offers a guide to developing personal devotional time But as the process becomes more familiar and comfortable you will develop your own style There is no system or method that works better than others What is written here is designed to give insight understanding and aid in developing a new habit The five basic components I propose are essential for your personal devotion time listen to music pray read the Bible journal and close in prayer These basic components of devotional time are essential in gaining an understanding of who God is and how we can hear from Him and therefore become a follower of Jesus Christ The answer to the question How do I know when God is speaking to me is found in your worship of Him with others in the church and in your personal devotions
