Hosea Grace Abounding:

Hosea H. D. Beeby, 1989-10-31 Centering on the knowledge of God and the ultimate painful paradoxical triumph of God's grace the book of Hosea is one of ambivalence and redemption The redemptive message of Hosea is underscored by H D Beeby's canonical and Christological interpretation Beeby stresses that the true context of the book is much wider than the eighth century B C Hosea must continually be heard against the background of and in response to the reader's own time This commentary makes Hosea's message available today to all who struggle with questions of gospel and culture contextualization idolatry church and state and interfaith dialogue *Hosea 2* Brad E. Kelle, 2005 The complex and at times violent metaphorical discourse of Hosea 2 has elicited a variety of interpretive approaches This study explores the text from the perspective of rhetorical criticism The classical conception of rhetoric as the art of persuasion and the function of metaphor within persuasive discourses and social settings correlate with the oracular characteristics of Hosea 2 and illuminate its use of specific metaphors A reading of Hosea 2 from this perspective proposes that the prophets of Israel may have functioned in a manner similar to the orators of ancient Greece who delivered extended rhetorical discourses designed to discern meaning in contemporary events and to persuade audiences This study offers a distinctively political reading of Hosea 2 that explores the text as a metaphorical and theological commentary on the political and religious dynamics in Israel at the close of the Syro Ephraimitic War 731-730 BCE Paperback edition is available from the Society of Biblical Literature www.sbl-site.org The Blood of Abel Mark Harold McEntire, 1999 While much has been said about peace in the Bible and about God and violence war and retribution in the Old Testament this book looks at how violence is the undercurrent of the plot of the Hebrew Bible **The Prostitute and the Prophet** Yvonne Sherwood, 2004-12-30 The only consensus that has been reached on Hosea 1:3 is that it is a notoriously problematic text Sherwood unpicks this rather vague statement by examining the particular complexities of the text and frictions between the text and reader that conspire to produce such a disorientating effect Four dimensions of the problem are considered the conflict between text and reader over the improper relationship between Hosea and Gomer the bizarre prophetic sign language that conscripts people into a cosmic charade the text's propensity to subvert its central theses and the emergent tensions between the feminist reader and the text Aiming to bring together literary criticism and biblical scholarship this book provides lucid introductions to ideological criticism semiotics deconstruction and feminist criticism and looks at the implications of these approaches not only for the book of Hosea but for biblical studies in general **Essays on Women in Earliest Christianity, Volume 2** Carroll D. Osburn, 2007-07-01 Contributors Fred A Bailey Robert F Hull Jr David B Jackson Earl Lavender Jack P Lewis Bill Love Rick Marrs Allan McNicol John McRay Michael S Moore Frederick W Norris Tom Olbright Carroll D Osburn Dale Pauls Kathy J Pulley Charmie E Roberts Gary Selby James Thompson Gerald C Tiffin Jack W Vancil James Walters Frank Wheeler John T Willis Timothy M Willis Wendell Willis Hosea H. Israel's Prophets and Israel's Past Brad E. Kelle,Megan Bishop Moore,2006-11-01 This volume is an inquiry into the complex relationship of the prophetic texts and Israelite history Taken as a whole the book provides a round table discussion that examines the thesis that the study of prophetic literature i e Isaiah Jeremiah Ezekiel and the Twelve and the history of Israel are best undertaken in interaction with one another This topic appropriately honors John Hayes s long standing scholarly contributions in prophetic interpretation and historical research as well as his interest in the possibilities of the intersection of these two areas The volume also promises to contribute to the body of knowledge about prophets and Israel s past in general by affording twenty four historians and prophetic scholars the opportunity to explore their areas of interest in fresh ways while in dialogue with a central thesis All twenty four contributors have engaged John s ideas about prophets and or history as students colleagues or in their research and publications Thus the question of what impact the fields of prophetic research and Israelite history can and should have on one another unites the articles The book s individual parts however are contributions of historians and prophetic scholars who enter the discussion from their own perspectives and examine the possibilities and problems of the intersection of these two topics The articles from historians will focus on questions about the usefulness of prophetic texts for reconstructing Israel s history and will also branch out and address topics such as the social location of the prophets and the benefits of other ancient texts as well as archaeology to understanding the prophets Scholars coming from the prophetic side will offer different perspectives on prophetic identity experience and rhetoric and their possible correlations with historical contexts These articles will engage broad issues such as how history may form the context of prophets thought to quote contributor J Gordon McConville and will explore specific texts and issues drawn from Isaiah Jeremiah Ezekiel Hosea Amos Zechariah along with Daniel and Deuteronomy

Christman, 2021-08-10 C S Lewis famously penned the phrase God in the Dock and proposed that there was a great divide between ancient and modern humans in that our ancestors would have rightly seen themselves in the dock before God while we moderns have placed God there before us But what if what God's love most desires for us the gospel or good news of the only way of life for humanity has been in the dock before us from the time of Adam and Eve And what if it is also the case that the gospel is often in the dock as though it is not good even for the church This book builds upon and expands the life and death stakes Lewis proposed by demonstrating that the gospel way of faith itself has been placed in the dock by us and in many ways ruined our relationships with God with our own selves with one another and even with the natural world itself which we are meant to steward for its good In these pages the reader will discover why the gospel that requires faith is good news but why we so tragically default to our divisive and self destructive ways **Leshon Limmudim**

A Complementary Approach to the Interpretation and Translation of Biblical Metaphors Peter Kamande Thuo, 2021-01-31 In this in depth study Peter Kamande Thuo explores the complexity of accurately understanding interpreting and translating Scripture especially biblical metaphors Engaging the need for a stronger theoretical framework for conceptualizing and communicating metaphors across languages Dr Thuo proposes a complementary approach that utilizes relevance theory to bridge gaps presented by conceptual metaphor theory and cognitive linguistics Yet this book is far more than an abstract theoretical treatise Dr Thuo offers the example of the circumcised heart of Romans 2 as a case study providing practical guidance for his readers as he demonstrates the process of translating such a phrase into Kikuyu So doing he reminds us that the challenge of understanding interpreting and applying biblical metaphors across culture and language is not limited to the work of professional translation Rather it is at the heart of all scholarship discipleship and pastoral teaching and the task of every person engaged in reading the word of God
