Hospital Martin O'Malley, 1986 Hospitals Life and Death in a Major medical centre emergency role of nurses doctors

Second Wind M. Festle, 2012-02-14 This book uses both oral and conventional historical methods to describe and analyze the history of lung transplantation in the US While drawing on accounts from doctors and other specialists it primarily focuses on the experiences of patients and explores themes of uncertainty timing identity coping and quality of life *CM*, 1987 **Doing Good** J.T.H. Connor, 2000-12-15 A history of Toronto's general hospital offers a window on a broader history of Upper Canada and Ontario over the last two centuries In this lively and authoritative account J T H Connor traces the hospital's two hundred year evolution as its mandate to do good forced constant adjustment to changing social medical and government attitudes Doing Good presents the hospital's history in three phases roughly speaking the first and second halves of the nineteenth century and the twentieth century From its conception in 1797 to the mid 1850s it did not actually acquire a home until 1819 nor occupy it until 1829 it functioned as a charitable institution catering to the sick poor It acted initially as a clearing station for sick immigrants it later was deeply affected by political events and became embroiled in the medical turmoil of Toronto in the 1840s and early 1850s In the second era from the mid 1850s it was a public charity receiving stable government funding and constructing a new home in eastern Toronto By the 1870s it was winning praise as a model hospital In the twentieth century it early on established close links with the University of Toronto building a vast and up to date new facility adjacent to the university which opened in 1913 Its international reputation as an academic hospital grew over the decades to include a high profile in research most notably in cancer and medical technology By the 1960s the institution was being run as a public hospital and the late 1990s saw its absorption into a hospital mega corporation the University Health Network along with three other nearby hospitals This work is the most comprehensive analysis of any Canadian hospital or health care institution yet to appear Using trustees minutes medical journals newspapers and government reports along with correspondence photographs and reminiscences of trustees nurses doctors and patients Connor offers acute observation and detailed analysis as well as compelling character studies and revealing anecdotes Broad in scope and meticulously executed Doing Good brings vividly to life the day to day routines the behind the scenes intrigue and the people and politics of a great urban hospital Emergency Medical Services Act of 1972 United States.
