## Hostage Heart:

**EZKATON** Nathan Redman, *Headlong* Cynthia Harrod-Eagles, 2019-02-01 Bill Slider and his team investigate the death of a prominent literary agent in this intriguing contemporary mystery When one of London's best known literary agents is found dead in strange circumstances having fallen headlong from his office window DCI Slider is under pressure from the Borough Commander to confirm a case of accidental death But when the evidence points to murder Slider and his team find themselves uncovering some decidedly scandalous secrets in the suave and successful Ed Wiseman's past An embittered ex wife A discarded mistress A frustrated would be author A disgruntled former employee Many had reason to hold a grudge against the late lamented literary agent But who would feel strongly enough to kill him Any leads in the investigation seem only to result in more questions not least of which is the identity of the elusive Calliope Hunt Who is she and what is her connection to the train of events *Called for Duty* Sgt. Randy S. Caswell, 2013-02-12 This book was written for a target

audience the men and women in law enforcement Mature subject matter and graphic details are included in my writing It should not be read by persons under the age of 18 This autobiography is based on some true events however has been fictionalized and all persons appearing in this work are fictitious Any resemblance to real people living or dead is entirely coincidental Lets just say human behavior in general finds it hard to keep things to themselves Secrets are broken Someone else could have wrote this book but to my knowledge nobody did So this book was written from my perspective experiences and interpretation of public testimony **The Grapple** Harry Turtledove, 2006-07-25 In this stunning retelling of World War II Harry Turtledove has created a blockbuster saga that is thrilling troubling and utterly compelling It is 1943 the third summer of the new war between the Confederate States of America and the United States a war that will turn on the deeds of ordinary soldiers extraordinary heroes and a colorful cast of spies politicians rebels and everyday citizens The CSA president Jake Featherstone has greatly miscalculated the North's resilience In Ohio where Confederate victory was once almost certain Featherstone's army is crumbling and reinforcements of uninspired Mexican troops cannot stanch a Northern assault on the heartland The tide of war is changing and victory seems within the grasp of the USA Still new fighting flares from Denver to Los Angeles Indeed as the air ground and water burn with molten fury new and demonic tools of killing are unleashed and secret wars are unfolding The U S government in Philadelphia has proof that the tyrannical Featherstone is murdering African Americans by the tens of thousands in a Texas gulag called Determination And the leaders of both sides know full well that the world's next great power will not be the one with the biggest army but the nation that wins the race against nature and science and smashes open the power of the atom In *Settling Accounts* Harry Turtledove blends vivid fictional characters with a cast inspired by history including the Socialist assistant secretary of war Franklin Delano Roosevelt and beleaguered Confederate military commander Nathan Bedford Forrest In *The Grapple* he takes his spellbinding vision to new heights as he captures the heart and soul of a generation born and raised amid unimaginable

violence This is a struggle of conquest and conscience played out on American soil *Island Creatures* Margarita Engle, 2025-07-08 From award winning author Margarita Engle comes an inspiring and luminous love story told in verse about childhood friends once lost and now reconnected and their fight to protect endangered animals Every day Vida reads to the creatures at the wildlife rescue center and dreams of her childhood in Cuba where she and her best friend Ad n adventured through the island rescuing animals from harm Unbeknownst to her Ad n has also moved to Florida and is feeling trapped in his new home buffeted by the stormy fights between his abuelo and papi When a chance encounter with a captive fox leads to their reunion Vida and Ad n are able to find refuge from the cruelty that surrounds them in their soaring rekindled romance Their love reaches new heights as they work together at the zoo that rescues rare species but soon they realize that this peace is only temporary Much like the wildlife they want to protect Vida and Ad n are caught in a cycle of distrust and heartlessness As old family grudges and painful memories come to light can they and their families learn to heal and forgive each other for a brighter kinder future *The Man with Bogart's Face - Radio Play Book* Andrew J.
