Hot Questrists After The English Renaiss:

Hot Questrists After the English Renaissance Yasunari Takahashi, 2000 A collection of essays by Japanese scholars on William Shakespeare his contemporaries and the global impact of these writers They discuss issues such as the woman question and sexuality aspects of theatrical experiences and historical and political implications **The English Renaissance and the Far East** Adele Lee, 2017-10-25 The English Renaissance and the Far East Cross Cultural Encounters is an original and timely examination of cultural encounters between Britain China and Japan It challenges accepted Anglocentric models of East West relations and offers a radical reconceptualization of the English Renaissance suggesting it was not so different from current developments in an increasingly Sinocentric world and that as China in particular returns to a global center stage that it last occupied pre 1800 a curious and overlooked synergy exists between the early modern and the present Prompted by the current eastward tilt in global power in particular towards China Adele Lee examines cultural interactions between Britain and the Far East in both the early modern and postmodern periods She explores how key encounters with and representations of the Far East are described in early modern writing and demonstrates how work of that period particularly Shakespeare has a special power today to facilitate encounters between Britain and East Asia Readers will find the past illuminating the present and vice versa in a book that has at its heart resonances between Renaissance and present day cultural exchanges and which takes a cyclical long view of history to offer a new innovative approach to a subject of contemporary importance The Shakespearean International Yearbook Mark Turner, 2017-11-30 This eighth volume of The Shakespearean International Yearbook presents a special section on European Shakespeares proceeding from the claim that Shakespeare s literary craft was not just native English or British but was filtered and fashioned through a Renaissance awareness that needs to be recognized as European and that has had effects and afterlives across the Continent Guest editors Ton Hoenselaars and Clara Calvo have constructed this section to highlight both how the spread of Shakespeare throughout Europe has brought together the energies of a wide variety of European cultures across several centuries and how the inclusion of Shakespeare in European culture has been not only a European but also a world affair The Shakespearean International Yearbook continues to provide an annual survey of important issues and developments in contemporary Shakespeare studies Contributors to this issue come from the US and the UK Spain Switzerland and South Africa Canada The Netherlands India Portugal Greece France and Hungary In addition to the section on European Shakespeares this volume includes essays on the genre of romance issues of character and other topics

Women and Shakespeare's Cuckoldry Plays Cristina León Alfar, 2017-02-10 How does a woman become a whore What are the discursive dynamics making a woman a whore And more importantly what are the discursive mechanics of unmaking In *Women and Shakespeare's Cuckoldry Plays* Shifting Narratives of Marital Betrayal Cristina León Alfar pursues these questions to tease out familiar cultural stories about female sexuality that recur in the form of a slander narrative throughout

William Shakespeare's work She argues that the plays stage a structure of accusation and defense that unravels the authority of husbands to make and unmake wives While men's accusations are built on a foundation of political religious legal and domestic discourses about men's superiority to and rule over women whose weaker natures render them perpetually suspect women's bonds with other women animate defenses of virtue and obedience fidelity and love work loose the fabric of patrilineal power that undergirds masculine privileges in marriage and signify a discursive shift that constitutes the site of agency within a system of oppression that ought to prohibit such agency That women's agency in the early modern period must be tied to the formations of power that officially demand their subjection need not undermine their acts In what Alfar calls Shakespeare's cuckoldry plays women's rhetoric of defense is both subject to the discourse of sexual honor and finds a ground on which to shift it as women take control of and replace sexual slander with their own narratives of marital betrayal

Teaching Shakespeare and Early Modern Dramatists A. Hiscock, L. Hopkins, 2007-07-02 This collection offers practical suggestions for the integration of non-Shakespearean drama into the teaching of Shakespeare It shows both the ways in which Shakespearean drama is typical of its period and of the ways in which it is distinctive by looking at Shakespeare and other writers who influenced and developed the genres in which he worked **The Drama of Memory in Shakespeare's History Plays** Isabel Karremann, 2015-10-20 This book analyses the drama of memory in Shakespeare's history plays Situating the plays in relation to the extra-dramatic contexts of early modern print culture the Reformation and an emergent sense of nationhood it examines the dramatic devices the theatre developed to engage with the memory crisis triggered by these historical developments Against the established view that the theatre was a cultural site that served primarily to salvage memories Isabel Karremann also considers the uses and functions of forgetting on the Shakespearean stage and in early modern culture Drawing on recent developments in memory studies new formalism and performance studies the volume develops an innovative vocabulary and methodology for analysing Shakespeare's mnemonic dramaturgy in terms of the performance of memory that results in innovative readings of the English history plays Karremann's book is of interest to researchers and upper level students of Shakespeare studies early modern drama and memory studies

Performing Transversally Bryan Reynolds, 2016-04-30 Performing Transversally expands on Bryan Reynolds' controversial transversal theory in exciting ways while offering groundbreaking analyses of Shakespeare's plays Hamlet Othello Macbeth Taming of the Shrew Titus Andronicus Henry V The Tempest and Coriolanus and textual filmic and theatrical adaptations of them With his collaborators Reynolds challenges traditional readings of Shakespeare re-evaluating the critical methodologies that characterize them in regard to issues of cultural difference authorship representation agency and iconography Reynolds demonstrates the value of his investigative expansive mode outlining a transversal poetics that points toward a critical future that is more aware of its subjective interconnectedness with the topics and audiences it seeks to engage than is reflected in most Shakespeare criticism and literary cultural scholarship **Birds and Other Creatures**

in Renaissance Literature Rebecca Ann Bach, 2017-08-07 This book explores how humans in the Renaissance lived with attended to and considered the minds feelings and sociality of other creatures It examines how Renaissance literature and natural history display an unequal creaturely world all creatures were categorized hierarchically However post Cartesian readings of Shakespeare and other Renaissance literature have misunderstood Renaissance hierarchical creaturely relations including human relations Using critical animal studies work and new materialist theory Bach argues that attending closely to creatures and objects in texts by Shakespeare and other writers exposes this unequal world and the use and abuse of creatures including people The book also adds significantly to animal studies by showing how central bird sociality and voices were to Renaissance human culture with many believing that birds were superior to some humans in song caregiving and companionship Bach shows how Descartes a central figure in the transition to modern ideas about creatures lived isolated from humans and other creatures and denied ancient knowledge about other creatures minds especially bird minds As significantly Bach shows how and why Descartes ideas appealed to human grandiosity Asking how Renaissance categorizations of creatures differ so much from modern classifications and why those modern classifications have shaped so much animal studies work this book offers significant new readings of Shakespeare s and other Renaissance texts It will contribute to a range of fields including Renaissance literature history animal studies new materialism and the environmental humanities

Tragedy and Trauma in the Plays of Christopher Marlowe Mathew R. Martin, 2016-03-09 Contending that criticism of Marlowe's plays has been limited by humanist conceptions of tragedy this book engages with trauma theory especially psychoanalytic trauma theory to offer a fresh critical perspective within which to make sense of the tension in Marlowe's plays between the tragic and the traumatic The author argues that tragedies are trauma narratives narratives of wounding however in Marlowe's plays a traumatic aesthetics disrupts the closure that tragedy seeks to enact Martin's fresh reading of *Massacre at Paris* which is often dismissed by critics as a bad tragedy presents the play as deliberately breaking the conventions of the tragic genre in order to enact a traumatic aesthetics that pulls its audience into one of the early modern period's most notorious collective traumatic events the massacre of French Huguenots in Paris in 1572 The chapters on Marlowe's six other plays similarly argue that throughout Marlowe's drama tragedy is held in tension with and disrupted by the aesthetics of trauma

Three Seventeenth-Century Plays on Women and Performance Hero Chalmers, Julie Sanders, Sophie Tomlinson, 2006-09-19 This is a ground breaking edition of three seventeenth century plays that all engage in diverse and exciting ways with questions of gender and performance The collection edited by three pioneering scholars of elite female culture and early modern drama makes the texts of three much discussed plays John Fletcher's The Wild Goose Chase James Shirley's The Bird in a Cage and Margaret Cavendish's The Convent of Pleasure available together in a full scholarly edition for the first time The Wild Goose Chase 1621 and The Bird in a Cage 1633 were both performed in the commercial London theatres in the Jacobean and Caroline periods respectively The Convent of Pleasure 1668 is a so called closet drama designed primarily for reading but drawing on a tradition of aristocratic theatricals In a wide ranging co authored introduction to the volume the editors explore the concerns of these playtexts in relation to contemporary debates surrounding popular festivity and anti theatricalism as well as the agency of elite female culture in the Stuart period and the emergence of the professional female actor in the Restoration The volume will be an invaluable teaching and research tool for students and scholars of early modern drama women's writing and performance studies more generally as well as providing a rich sourcebook for the reader interested in seventeenth century theatrical culture

War and Words Sara Munson Deats, Lagretta Tallent Lenker, Merry G. Perry, 2004-01-01 War and Words is a sweeping study of the profound painful and most significantly defining cultural moments Working from Homer through to Hemingway and in all traditions some of the nation's best scholars of literature illustrate how literature and language affect not only the present but also future generations by shaping history even as it represents it This powerful collection affirms that the humanities remain a site of the most profound reflection on human experience and historical events that have for better and worse shaped world civilization

Staging Pain, 1580-1800 Mathew R. Martin, 2016-12-05 Bookending the chronology of this collection are two crucial moments in the histories of pain trauma and their staging in British theater the establishment of secular and professional theater in London in the 1580s and the growing dissatisfaction with theatrical modes of public punishment alongside the increasing efficacy of staging extravagant spectacles at the end of the eighteenth century From the often brutal spectacle of late medieval mystery plays to early Romantic re evaluations of eighteenth century appropriations of spectacles

of pain the essays take up the significance of these watershed moments in British theater and expand on recent work treating bodies in pain what and how pain means how such meaning can be embodied how such embodiment can be dramatized and how such dramatizations can be put to use and made meaningful in a variety of contexts Grouped thematically the essays interrogate individual plays and important topics in terms of the volume's overriding concerns among them Tamburlaine and The Maid's Tragedy revenge tragedy Joshua Reynolds on public executions King Lear Settle's Moroccan plays spectacles of injury torture and suffering and Joanna Baillie's Plays on the Passions Collectively these essays make an important contribution to the increasingly interrelated histories of pain the body and the theater Texts and readers in the Age of Marvell Christopher D'Addario, Matthew C. Augustine, 2018-08-07 Texts and Readers in the Age of Marvell offers fresh perspectives from leading and emerging scholars on seventeenth century British literature with a focus on the surprising ways that texts interacted with writers and readers at specific cultural moments
