

HOT ROD

The Photography of Peter Vincent

If muscle cars are the rock & roll of America's car culture and racing cars are its jazz, hot rods are the roots music, real and raw. The photography of Peter Vincent celebrates the traditional hot rod and its direct lineage from the very origins of automotive customization. Vincent's visual style recalls the photographic work of Ansel Adams and Peter deLory, utilizing the beautiful and austere landscapes of the American West to illuminate the spirit of the true hot rod.
