Hotel Imperium Poems:

Hotel Imperium Rachel Loden, 2008-02-01 Grounded in deep and thoughtful awareness this complex collection of poems combines history sexuality pop culture and political experience with edgy wry often absurd humor and an underlying penchant for the macabre Rachel Loden employs both strict and innovative forms in poetry that explores the post Cold War unease that follows a century of harrowing conflicts These contradictory elements flower in poems drawn from the ethereal world of pop myths and fairy tales that simultaneously unfold a reality full of absence and mystery Speaking as intimately of the fall of the Soviet Union as they do of the cinematic crimes and misdemeanors of Woody Allen or the redemptive passion of Little Richard their tone ranges from the furious to the elegiac with a comic edge that borrows as much from the gallows as it does from the Borscht Belt As rich in rhyme music and literary allusion as it is in multifaceted meaning *Hotel Imperium* presents a surprising blend of sophistication playfulness and haunting truths *Collected Poems of Robert Louis Stevenson*

R. L. Stevenson, 2019-08-07 At last a complete new edition of the poetry of Robert Louis Stevenson During his lifetime Stevenson published *A Child's Garden of Verses* 1885 *Penny Whistles* *Underwoods* 1887 and *Ballads* 1890 There were also various private press adventures in poetry with his stepson Lloyd Osbourne and the posthumous *Songs of Travel* 1895 and *New Poems* 1918 This new edition contains these collections and also some of Stevenson's printed and manuscript poems that have never been published in any collection The edition also identifies and restores various poems assembled by Stevenson in his Notebooks many of which were mutilated by members of The Boston Bibliophile Society The editor Roger Lewis has carefully studied Stevenson's manuscripts and letters identifying many variants in individual poems and in orders of his collections as well as in the editorial procedures of a succession of RLS's literary associates who claimed to be fulfilling his intentions or acting on his authority The ordering of this edition will follow Stevenson's own final arrangement over unauthorised editorial rearrangements or strict considerations of chronology Complete and accurate dates of composition and publication of individual poems and of collections are given wherever possible Appendices include bibliographical description and location for manuscript and printed sources of all poems in the edition poems in process how Stevenson sketched and revised during composition notebooks bibliographical history and significance chronology and ordonnance of poetic units There are also explanatory and textual notes Scots poems are glossed and annotated using *The Concise Scots Dictionary* and web resources of the SNDA A substantial introduction covers the publishing histories of individual volumes and literary influences placing emphasis on Stevenson as a Scottish poet and arguing for his best verse to be considered *Poems* Denis Florence MacCarthy, 2016-03-08 Denis Florence MacCarthy was an Irish poet translator and biographer *Poems* Published in Dublin by M H Gill and Son in 1882 an extensive collection edited by the poet's son His poems are distinguished by a sense of harmony and sympathy with natural beauty Such poems as *The Bridal of the Year* *Summer Longings* alias *Waiting for the May* and his long narrative poem *The Voyage of St Brendan* are among his most enduring works The last mentioned which

from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 Saints of Hysteria David Trinidad, Denise Duhamel, Maureen Seaton, 2007-03-06 Collaborative poetry poems written by one or more people grew out of word games played by French surrealists in the 1920s It was taken up a decade later by Japan's Vou Club and then by Charles Henri Ford who created the chainpoem composed by poets who mailed their lines all over the world After WW II the Beat writers collaborative experiments resulted in the famous Pull My Daisy The concept was embraced in the 1970s by feminist poets as a way to find a collective female voice Yet for all its rich history virtually no collections of collaborative poetry exist This exhilarating anthology remedies the omission Featured are poems by two four even as many as 18 people in a dizzying array of forms villanelles to ghazals sonnets to somonkas pantoums to haiku even quizzes questionnaires and other nonliterary forms Collaborators notes accompany many of the poems giving a fascinating glimpse into the creative process **Rhaiadr gwy, a poem** Daniel Carter (of Llanidloes.), 1840

Canadian Pacific Railway however its inhabitants were relatively isolated from the rest of North America The city s beautiful location and its semi Mediterranean climate inspired visitors locals and poets to describe it as a paradise But this remote Eden surrounded by mountains forest and the sea was deeply loyal to Great Britain believing that its far flung empire was the repository of freedom and many civic and moral virtues As well local writers exhibited a militarism usually associated with Prussia Eager to defend the British Empire many of its citizens enthusiastically supported England in the remote South African War 1899 1902 and volunteered for service in the Great War 1914 18 Both wars were seen as a defence of decency and civilization embodied by Britain This book shows how local poets lauded the beauty the Britishness of Victoria and the imperial connection but also how confronted with the realities of modern warfare their loyalty to the Empire waned c 1920
