Houdini, 2020-09-28 THIS book is the natural result of the moulding dominating influence which the spirit and writings of Robert Houdin have exerted over my professional career My interest in conjuring and magic and my enthusiasm for Robert Houdin came into existence simultaneously From the moment that I began to study the art he became my guide and hero I accepted his writings as my text book and my gospel What Blackstone is to the struggling lawyer Hardee's Tactics to the would be officer or Bismarck's life and writings to the coming statesman Robert Houdin's books were to me To my unsophisticated mind his *Memoirs* gave to the profession a dignity worth attaining at the cost of earnest life long effort When it became necessary for me to take a stage name and a fellow player possessing a veneer of culture told me that if I would add the letter i to Houdin's name it would mean in the French language like Houdin I adopted the suggestion with enthusiasm I asked nothing more of life than to become in my profession like Robert Houdin By this time I had re read his works until I could recite passage after passage from memory Then when Fate turned kind and the golden pathway of success led me into broader avenues of work I determined that my first tour abroad should be dedicated to adding new laurels to the fame of Robert Houdin By research and study I would unearth history yet unwritten and record unsung
