J.P.L. MIMMS,2023-05-01 This character has behaved like a pariah toward his brother and his mother who never really controlled him even since his early childhood He was sent to military college and then to university and not having good grades or SATs he asked for help from a friend named Shapiro as well as his sister who corrected his grades and SATs This was the beginning of his cheating life Later in business in the sixties with the help of his mentor Roy Cohn he learned how to defraud the government and the city of New York by not paying his taxes Between the years 1970 to 2000 he made panoply of fraudulent bankruptcies in many different ways Also he did not pay his employees who were mostly undocumented immigrants He threatened his contractors in multiple legal ways in order to avoid paying them It is not surprising how this overly narcissistic racist lying character got along well with three dictators including that of Saudi Arabia Russia and North Korea His biggest cheat was when he became in 2016 president of the United States of America And this with the help of his fixer and childhood friend Felix Sater who had connections with relatives of Vladimir Putin There was also a friend of Michael Cohen s named Gauger who knew how to cheat the electoral system by rigging the polls Another scam was to avoid going to Vietnam He asked his father s doctor to obtain a document by pretending that he had a problem with an ankle Trump s grandfather was kicked out of Germany in 1905 for avoiding military service It would seem that Donald has the same DNA as his grandfather Friedrich This persona with his 4 500 lies and his shenanigans of all kinds from 2016 to 2021 created an unimaginable chaos at the White House He fomented among other things a lack of seriousness about the coronavirus pandemic He lied to the American people throughout 2020 by making fun of the deaths for which he is 89 percent responsible by repeating in his rallies that it was a hoax and an invention of the Democrats He never put a coronavirus program in place mainly because he preferred to play golf while Americans were dying by the hundreds of thousands The worst happened on January 6 2021 The president with his big lies and his lying GOP accomplices of cowards attempted a coup against their own government Finally we are not out of the woods yet since democracy is in danger and as long as these heinous traitors are not accused and put behind bars the future of this country is heading toward a second civil war As I write these words in January 2022 the GOP aided by media such as Fox News who continues to spread lies which a good portion of the population is hoarding into truth Even after fifteen months of the defeat of Trump s Republicans some still claim that they won this same election It is grotesque Finally once again the star Trump with the steal documents the Mar a

Lago raid occurred on August 8 2022 when the Federal Bureau of Investigation FBI executed a search warrant at the Mar a Lago complex in Palm Beach Florida the residence of Donald Trump former president of the United States According to the press and the political pundits Trump was the worst president ever
