The Poltergeist in William Faulkner's Light in August John P. Anderson,2002-09 An analysis of Faulkner s novel Light in August based on the death of his daughter Alabama BACK COVER This non academic author exposes the poltergeist lurking in the cellar of Faulkner s uncanny and haunting novel Light in August as the ghost of Faulkner s first child Alabama She was born prematurely and died tragically after only nine days apparently in the clutches of fetal alcohol syndrome Faulkner couldn t write anything substantial for 7 months and then started this disturbing novel The author demonstrates how Faulkner s own grief experience shaped the characters and the action and how he grounded part of his personal poltergeist in this novel The resulting novel is full of tension and alienation Strangers occupy Faulkner s fictional Jefferson Mississippi against the background of the culturally reft South post Civil War The author shows how Faulkner shrouded his intensely personal grief experience in a conceptual wardrobe borrowed from the philosopher and Nobel Prize winning Henri Bergson Faulkner borrowed Bergsonian concepts of the life and death currents for the contrast in characters between those free in the present and those prisoners of the past Lena Grove the young and pregnant country girl walking for weeks to find the father of her child bears the life current and Joe Christmas the orphan turned rapist and murderer the death current The author demonstrates how Faulkner created the novel s other vivid characters using similar contrasts and how the plot strands tie together in a resonating whole The author s detailed textual analysis of important passages brings this difficult novel into focus Like the author s other books on Joyce and Faulkner use of this analysis either as literary foreplay or afterplay will enhance your reading experience of Faulkner s novel

Never Shaken Daniel Henderson,2024-03-05 Finding a firm foundation in a shaken and fractured world Do you feel tossed about or a little disoriented The foundations of predictable society are shifting In this ambiguous cultural forecast we re wondering what s right what matters most and how we should respond How do we build a meaningful life and legacy when our lives feel fragile when our future seems discouragingly uncertain With a pastoral heart Daniel Henderson looks to Psalm 15 when David late in his years was also trying to make sense of the strangest of times David felt the unexpected loss of family dignity and destiny Some of his pain was the result of seeds he d sown earlier in his life Yet as he penned Psalm 15 he was led to the

solid ground of intimacy with God and integrity in his own life He was left with the promise from God that He would always be secure never moved The burdens under which David was laboring are staggeringly similar to our own In Never Shaken Henderson shows us how to build our lives on the gospel of Jesus Christ He reveals how true worship and the presence of God is found in Christ s life in and through us This book is an invaluable resource for all who desire to live with the hope and courage of Jesus Christ no matter what befalls us *Sylvania, Lucas County, Ohio*; Gayleen Gindy,2013-06-24 Join the author in reliving Sylvania s over 180 years of history from footpaths to expressways and beyond in volume three of an eight volume set With 30 years of research she has included every subject imaginable that helped bring Sylvania to where they are today with excellent schools over the top parks and recreation rich beautiful homes commercial and industrial businesses and a quaint historical downtown that looks like it was planned by Norman Rockwell himself This book is a treasure trove of information for the thousands who have ancestors that once lived and helped Sylvania grow through these years Located in northwestern Ohio Sylvania is a suburb of Toledo Ohio and for many years has been known as the fastest growing suburb in Lucas County A once rural farm community between both the city and township they have grown from a combined 2 220 residents in 1910 to 48 487 in 2010 Over a short period of time the land has transformed into beautiful subdivisions of grand houses so that now their subdivision names are all that remain to remind them of their once dense forests and sprawling farmlands No longer can Sylvania be called the bedroom community of Toledo because over the last 50 years they have done a lot more than sleep **Annual Report** Boston (Mass.).
