

# House Gun

**Patrick J. Charles**

## House Gun:

Vote Gun Patrick J. Charles, 2023-05-02 Today gun control is one of the most polarizing topics in American politics. However, before the 1960s, positions on firearms rights did not necessarily map onto partisan affiliation. What explains this drastic shift? Patrick J. Charles charts the rise of gun rights activism from the early twentieth century through the 1980 presidential election, pinpointing the role of the 1968 Gun Control Act. Gun rights advocates, including the National Rifle Association, had lobbied legislators for decades but they had cast firearms control as a local issue. After the assassination of President John F. Kennedy in 1963 spurred congressional proposals to regulate firearms, gun rights advocates found common cause with states rights proponents opposed to civil rights legislation. Following the enactment of the Gun Control Act, lawmakers on both sides of the aisle began to stake out firm positions. Politicians including Richard Nixon and Ronald Reagan recognized the potential of gun control as a wedge issue and gun rights became increasingly tied to the Republican Party. Drawing on a vast range of archival evidence, Charles offers new insight into the evolution of the gun rights movement and how politicians responded to anti gun control hardliners. He examines in detail how the National Rifle Association reinvented itself as well as how other advocacy groups challenged the NRA's political monopoly. Offering a deep dive into the politicization of gun rights, Vote Gun reveals the origins of the acrimonious divisions that persist to this day. **Guns in**

**American Society** Jaclyn Schildkraut, Gregg Lee Carter, 2022-12-01 The revised third edition of the landmark *Guns in American Society* provides an authoritative and objective survey of the history and current state of all gun related issues and areas of debate in the United States. *Guns in American Society: An Encyclopedia of History, Politics, Culture, and the Law* is a comprehensive and evenhanded three volume reference resource for understanding all of the political, legal, and cultural factors that have swirled around gun rights and gun control in America past and present. The encyclopedia draws on a vast array of research in criminology, history, law, medicine, politics, and social science. It covers all aspects of the issue: gun violence including mass shootings in schools and other public spaces; gun control arguments and organizations; gun rights arguments and organizations; the firearms industry; firearms regulation legislation and court decisions; gun subcultures for example hunters and collectors; leading opinion shapers on both sides of the gun debate; technological innovations in firearm manufacturing; various types of firearms from handguns to assault weapons; and evolving public attitudes toward guns. Many of these entries place the topics in both historical and cross cultural perspective. **Gun Politics in America** Harry L.

Wilson, 2025-02-06 This two volume collection brings together 129 essential primary sources for understanding the history and evolution of gun rights and gun control in the USA from the colonial era to the present. Every featured document is accompanied by explanatory materials that help readers understand the social and political context in which it appeared. Utilizing a blend of important political speeches, Supreme Court opinions, agency reports, and congressional testimony, this set provides readers with a front row seat to observe the complex and often surprising evolution of gun ownership, gun culture,

and gun politics in the USA This fascinating history is examined through primary source documents covering centuries of American history from colonial laws regulating firearms through the era of Prohibition and the rise of organized crime to congressional hearings on gun control in the wake of the 2022 mass shooting in Uvalde Texas The set includes 19 new primary sources that shine a spotlight on notable events in the debate over guns since the first edition was published in 2016 including important developments during the first Trump presidency the pandemic and the opening years of the Biden administration

Guns 360 Christopher M. Bellas, Eric S. See, Sarah A. See, 2022-06-22 Guns 360 takes a comprehensive and common sense approach to some of the most difficult issues facing not only the criminal justice system but also society as a whole firearm possession regulation and control Issues related to firearms cut across all dimensions of society and are a concern to everyone from the members of the general public law enforcement academics politicians public health agencies and the media An interdisciplinary approach is needed to fully understand and appreciate the many facets related to firearms Firearm related issues cover more than mere ownership and possession School shootings and mass shootings dominate the headlines and cause fear for both parents and students Firearm regulation and licensing divide politicians and create solid one issue voting blocks Firearms used in domestic violence incidents and weapons owned and used by the mentally ill generate more victims than solutions The marketing messaging and purchasing of firearms are all shaped by a variety of criminological sociological and psychological forces used to influence commercial behavior This book combines academics in the fields of criminology psychology sociology philosophy economics communications with practical experts with law enforcement military management forensics public health medicine and digital forensics backgrounds This multidisciplinary approach has been brought together to further our understanding of firearms and their impacts on our society from every angle Firearms will never disappear nor will the controversy surrounding them suddenly turn into agreement What can be accomplished however is an increased knowledge understanding and discussion of the complex topics involved within these debates

*Old-House Journal* ,1982-02 Old House Journal is the original magazine devoted to restoring and preserving old houses For more than 35 years our mission has been to help old house owners repair restore update and decorate buildings of every age and architectural style Each issue explores hands on restoration techniques practical architectural guidelines historical overviews and homeowner stories all in a trusted authoritative voice

**Guns Of The Old West** Charles Edward Chapel, 2016-03-28 An Essential Compendium for Any Firearms or Old West Aficionado richly and comprehensively illustrated Written by one of the foremost firearms experts of the twentieth century Charles Edward Chapel s Guns of the Old West is an exhaustively researched document that not only boasts a significant collection of antique Western guns but also categorizes the firearms into easy to reference sections Starting with an introductory chapter on the origins of guns and their earliest uses on the frontier Chapel covers everything from muskets to rifles pistols to revolvers and shotguns to martial arms Three whole chapters are dedicated to the rise and fall of the famous Deringer pistol And as much as Guns of the Old West is

an encyclopedic reference manual it also contains fascinating historical literature that frames the world in which these guns were used Buffalo guns and hunters are covered along with martial arms of the post Civil War era The gun collection of famous collector and hunter President Theodore Roosevelt is given its own chapter Illustrated with nearly five hundred illustrations as well as important artwork from the Western period from artists such as Frederic Remington Guns of the Old West is an essential work for gun collectors and American history enthusiasts *Old-House Journal* ,1982-10 Old House Journal is the original magazine devoted to restoring and preserving old houses For more than 35 years our mission has been to help old house owners repair restore update and decorate buildings of every age and architectural style Each issue explores hands on restoration techniques practical architectural guidelines historical overviews and homeowner stories all in a trusted authoritative voice **Handgun Crime Control, 1975-1976: Oversight of 1968 Gun Control Act** United States.
