presents the first book length study of Navajo neo Pentecostalism Key to the popularity of this movement is what the author calls resonant rupture or the way the apparent continuity of expressive forms holds appeal for Navajos while believers simultaneously deny the continuity of these forms at the level of meaning Although the music dance and poetic language at Oodl n tent revivals is identifiably Navajo Oodl n carefully re inscribe their country gospel music dancing in the spirit use of the Navajo language and materials of faith healing as transformationally new and different Marshall explores these and other nuances of Navajo neo Pentecostal practices by examining how Oodl n perform their faith under the big white tents scattered across the Navajo Nation **Sounds and the City** Brett Lashua,Stephen Wagg,Karl Spracklen,M. Selim Yavuz,2018-10-24

This book draws from a rich history of scholarship about the relations between music and cities and the global flows between music and urban experience The contributions in this collection comment on the global city as a nexus of moving people changing places and shifting social relations asking what popular music can tell us about cities and vice versa Since the publication of the first Sounds and the City volume various movements changes and shifts have amplified debates about globalization From the waves of people migrating to Europe from the Syrian civil war and other conflict zones to the 2016 Brexit vote to leave the European Union and American presidential election of Donald Trump These and other events appear to have exposed an anti globalist retreat toward isolationism and a backlash against multiculturalism that has been termed post globalization Amidst this what of popular music Does music offer renewed spaces and avenues for public protest for collective action and resistance What can the diverse histories hybridities and legacies of popular music tell us about the ever changing relations of people and cities *The Architectural Review* ,1919 **Listen to Your Garden** Jim

Warren,2016-10-26 The stories in this book describe a personal encounter with the broader environment of the garden Nature becomes this book and Human Nature becomes the story These stories will show you how the garden can speak to you that you can have an intimate relationship with it from your bicameral brain The stories describe plaintive and enthusiastic reports from the garden that the author has faithfully translated By the end of this book you will know that nothing is ever exactly as it seems neither in the garden nor in life The stories in this book stress the magic the garden displays that the seemingly ordinary is always extraordinary It becomes when living life as part of the garden that we seek to know the hidden dimensions While often translated as a fable or a parable or an allegory what is sought after is revealed in real events As the author I am a simple garden scribe Public Accounts of the Province of Ontario Ontario.
