House Divided A Argentina 18801980:

In the Shadow of Perón Raanan Rein, 2008-05-22 Populism has been one of the most important phenomena in the political and social history of Latin America In the Shadow of Per n challenges several commonly held assumptions about the nature of populism and the relations between the charismatic leader and the popular masses Devoted to the second line of Peronist leadership in Argentina from the 1940s onwards it focuses on the figure of Juan Atilio Bramuglia who tried to offer an alternative path for the movement The volume stresses the heterogeneous nature of Peronism and traces the various ideological sources of its doctrine It also analyzes Per n s machinations in order to maintain his leadership and eliminate any opposition within the movement *Argentine Jews Or Jewish Argentines?* Raanan Rein, 2010-01-01 This volume is devoted to Jewish Argentines in the twentieth century and deliberately avoids restrictive or prescriptive definitions of Jews and Judaism Instead it focuses on people whose identities include a Jewish component irrespective of social class and gender and regardless of whether they are religious or secular Ashkenazi or Sephardic or affiliated with the organized Jewish community

The Politics of Freeing Markets in Latin America Judith A. Teichman, 2003-01-14 In the 1980s and 1990s nations throughout Latin America experienced the dual transformations of market liberalizing reforms and democratization Since then perhaps no issue has been more controversial among those who study the region than the exact nature of the relationship between these two processes Bringing a much needed comparative perspective to the discussion Judith Teichman examines the politics of market reform in Chile Argentina and Mexico analyzing its implications for democratic practices in each case Teichman considers both internal and external influences on the process of Latin American market reform anchoring her investigation in the historical political and cultural contexts unique to each country while also highlighting the important role played by such international actors as the World Bank and the International Monetary Fund IMF Informed by interviews with more than one hundred senior officials involved in the reform process her analysis reveals that while the initial stage of market reform is associated with authoritarian political practices later phases witness a rise in the importance of electoral democracy She concludes however that the legacy of authoritarian decision making represents a significant obstacle to substantive democratization Embodying Resistance Dianne Marie Zandstra, 2007 This book traces narrative strategies in Griselda Gambaro s novels to the grotesco criollo and to the broader grotesque tradition These are analyzed with an emphasis on their critique of social relationships within the Argentine political system and male **The Life and Times of Raúl Prebisch, 1901-1986** Edgar J. Dosman, 2008-10-24 Raúl Prebisch was a leader in economic development theory and international economic policy an institution builder and an international diplomat The Life and Times of Raúl Prebisch provides the first book length account of his life and work a story cast against the backdrop of Latin America the Cold War the rise of the United Nations and the struggle for equity between first and third worlds A wunderkind Prebisch occupied key positions at the Argentine ministry of finance in his twenties and was the general manager of the

Argentine Central Bank before forty Exiled by Juan Per n after World War II he became arguably the most influential Latin American official at the UN heading such international organizations as the Economic Commission for Latin America and the United Nations Conference on Trade and Development

The Jewish Diaspora in Latin America and the Caribbean Kristin Ruggiero,2010-04-07 Provides a view of Jewish experiences through history literature painting anthropology poetry sociology and politics This title explores and celebrates what it means to have and live memories of an individual and a collective Jewishness and reveals the historical fragments of the Jewish experience in Latin America and the Caribbean

The Politics Of Pain Ronald D Crelinsten,Alex Schmid,2019-07-11 Although a wave of democratization appears to be sweeping the globe torture persists in more than seventy five nations Despite widespread condemnation of torture and the efforts of international and nongovernmental organizations to end it the politics of pain continues in a broad range of social and political systems This book is one of the first to systematically examine the psychological cultural and social origins of torture It provides profiles of torturers and of those who direct them in their brutal activities The contributors provide case studies from the past and present including Somoza s National Guard in Nicaragua and regimes in the Southern Cone of Latin America and in Greece

Who's Who in Modern History Alan Palmer,2019-05-07 Who s Who in Modern History is a unique reference book which examines those individuals who have shaped the political world since 1860 Coverage is truly global including the most important figures in Europe Asia North America Latin America Africa and Australasia It provides an easy to use A Z layout authoritative detailed biographies of the most important figures since 1860 from Clemenceau and Chief Buthelezi to King Fahd and Benazir Bhutto bibliographical references for each entry to aid further research extensive cross referencing an essential guide for students researchers and the general reader alike

New Books National Defense University. Library, **The Author in the Office** Dr. Paul Jordan,2006 Office based writers from both sides of the River Plate chronicle the twentieth century Martel s La bolsa 1891 initiates and Dorfman s Reader 1995 concludes a study of the white collar citizens of Buenos Aires and Montevideo in their daytime habitat the office The literary background is the European literature of bureaucracy Balzac Gald s Gogol Dickens Dostoyevsky Kafka the theoretical approach is through the sociologists Max Weber and C Wright Mills the historical context is the twentieth century the decline of European power and the ascendancy of the USA two World Wars the Wall Street crash communism and fascism Through the eyes of Arlt Benedetti Campod nico Cort zar De Castro Denevi Fern ndez Marechal Mariani Mart nez Estrada Onetti and Ricci we observe life on both sides of the River Plate as the two countries succumb to polarisation repression and eventually military dictatorship This is the twentieth century viewed by a bewildered frequently anguished participant the person at the next desk PAUL R

JORDAN lectures in Hispanic Studies at the University of Sheffield **Henry Kaplan and the Story of Hodgkin's Disease** Charlotte DeCroes Jacobs,2010-04-28 A compelling and wonderfully told biography of the American physician who pioneered a treatment for a cancer of lymph tissue Wall Street Journal In the 1950s ninety five percent of patients with Hodgkin s

disease a cancer of lymph tissue which afflicts young adults died Today most are cured due mainly to the efforts of Dr Henry Kaplan Henry Kaplan and the Story of Hodgkin s Disease explores the life of this multifaceted internationally known radiation oncologist called a saint by some a malignant son of a bitch by others Kaplan s passion to cure cancer dominated his life and helped him weather the controversy that marked each of his innovations but it extracted a high price leaving casualties along the way Most never knew of his family struggles his ill fated love affair with Stanford University or the humanitarian efforts that imperiled him Today Kaplan ranks as one of the foremost physician scientists in the history of cancer medicine In this book Charlotte Jacobs gives us the first account of a remarkable man who changed the face of cancer therapy and the history of a once fatal now curable cancer She presents a dual drama the biography of this renowned man who called cancer his Moby Dick and the history of Hodgkin s disease the malignancy he set out to annihilate The book recounts the history of Hodgkin s disease first described in 1832 the key figures the serendipitous discoveries of radiation and chemotherapy the improving cure rates the unanticipated toxicities The lives of individual patients bold enough to undergo experimental therapies lend poignancy to the successes and failures Praise for Henry Kaplan and the Story of Hodgkin s Disease Very few biographies so fully chronicle an important period of medical history as this outstanding book by Jacobs Clearly and concisely written this is the life story of a 20th century force of nature Highly recommended CHOICE Dr Jacobs s book is a riveting read meticulously covering a time of dramatic creativity in American medicine while also revealing the personal infighting that took place behind the scenes The Pharos A great read for those of us who trained in an era of evidence based medicine and want to learn what it was like to actually create the evidence and for the first time make a difference in our patient s lives Oncology Times

The Falklands Saga Graham Pascoe, 2024-02-15 The Falklands Saga presents abundant evidence from hundreds of pages of documents in archives and libraries in Buenos Aires La Plata Montevideo London Cambridge Stanley Paris Munich and Washington DC some never printed before many printed here for the first time in English and where different in their original languages Spanish French German Italian Latin or Dutch It provides the facts to correct the fallacies and distortions in accounts by earlier authors It reveals persuasive evidence that the Falklands were discovered by a Portuguese expedition at the latest around 1518 19 and not by Vespucci or Magellan It demonstrates conclusively that the Anglo Spanish agreement of 1771 did not contain a reservation of Spanish rights that Britain did not make a secret promise to abandon the islands and that the Nootka Sound Convention of 1790 did not restrict Britain s rights in the Falklands but greatly extended them at the expense of Spain For the first time ever the despairing letters from the Falklands written in German in 1824 to Louis Vernet by his brother Emilio are printed here in full in both the original German and in English translation revealing the total chaos of the abortive 1824 Argentine expedition to the islands This book reveals how tiny the Argentine settlement in the islands was in 1826 33 In April 1829 there were only 52 people and there was a constant turnover of population many people stayed only a few months and the population reached its maximum of 128 only for a few

weeks in mid 1831 before declining to 37 people at the beginning of 1833 This work also refutes the falsehood that Britain expelled an Argentine population from the Falklands in 1833 That myth has been Argentina s principal propaganda weapon since the 1960s in its attempts to undermine Falkland Islanders right to self determination In fact Britain encouraged the residents to stay and only a handful left the islands A crucial document printed here is the 1850 Convention of Peace between Argentina and Britain At Argentina s insistence this was a comprehensive peace treaty which restored perfect friendship between the two countries Critical exchanges between the Argentine and British negotiators are printed here in detail which show that Argentina dropped its claim to the Falklands and accepted that the islands are British That and the many later acts by Argentina described here definitively ended any Argentine title to the islands The islands history is placed in its world context with detailed accounts of the First Falklands Crisis of 1764 71 the Second Falklands Crisis of 1831 3 the Years of Confusion 1811 1850 and the Third Falklands Crisis of 1982 the Falklands War as well as a Falklands perspective on the First and Second World Wars including the Battle of the Falklands 1914 and the Battle of the River Plate 1939 with extensive details and texts from German sources The legal status of the Falklands is analysed by reference to legal works to United Nations resolutions on decolonisation and to rulings by the International Court of Justice which together demonstrate conclusively that the islands are British territory in international law and that the Falkland Islanders who have now 2024 lived in their country for over 180 years and for nine generations are a unique people who are holders of territorial sovereignty with the full right of external self determination

The Genesis of the Falklands (Malvinas) Conflict M. González, 2013-11-12 Drawing on a wide range of British and Argentine sources this book highlights the importance of the neglected 1960s as the decade in which the dormant Falklands Malvinas dispute became reactivated developing into a dynamic set of bilateral negotiations on the question of sovereignty

The Fall of Che Guevara Henry Butterfield Ryan, 1998-01-22 The Fall of Che Guevara tells the story of Guevara s last campaign in the backwoods of Bolivia where he hoped to ignite a revolution that would spread throughout South America For the first time this book shows in detail the strategy of the U S and Bolivian governments to foil his efforts Based on numerous interviews and on secret documents obtained through the Freedom of Information Act from the CIA the State Department the Pentagon and the National Security Archive this work casts new light on the roles of a Green Beret detachment sent to train the Bolivians and of the CIA and other U S agencies in bringing Guevara down Ryan s shows that Guevara was an agent of Cuban foreign policy from the time he met Fidel Castro in 1955 until his death not a mere independent revolutionary as many scholars have claimed Guevara s attempted insurgency in Bolivia was in reality a Cuban attempt to achieve another badly needed revolutionary success This dramatic account of the last days of Che Guevara will appeal to scholars and students of United States foreign policy and Latin American history and to all those interested in this revolutionary s remarkable life

A New History of Modern Latin America Lawrence A. Clayton, Michael L. Conniff, Susan M. Gauss, 2017-08 Revised and expanded third edition Cover **A**

House Divided Eduardo Crawley, 1984 A History of Modern Latin America Lawrence A. Clayton, Michael L. Conniff, 2005

Unfamiliar with Latin American history A HISTORY OF MODERN LATIN AMERICA is written just for you The authors present main theories and analyses of the area's history balancing economic social and cultural views while expertly weaving in the history of minorities women the environment culture literature and art Primary documents begin each chapter offering short glimpses into moments in history and setting the theme for the chapter to follow Maps images bibliographies discussion questions and other study aids are included to help you with research assignments and papers

Genocide and Human Rights Mark Lattimer, 2017-11-28 Genocide is both the gravest of crimes under international law and the ultimate violation of human rights Recent years have seen major legal and political developments concerning genocide and other mass violations of rights This collection brings together for the first time leading essays covering definitions legislation the sociology of genocide prevention humanitarian intervention accountability punishment and reconciliation

Understanding Genocide Leonard S. Newman, Ralph Erber, 2002-09-26 When and why do groups target each other for extermination How do seemingly normal people become participants in genocide Why do some individuals come to the rescue of members of targeted groups while others just passively observe their victimization And how do perpetrators and bystanders later come to terms with the choices that they made These questions have long vexed scholars and laypeople alike and they have not decreased in urgency as we enter the twenty first century In this book the first collection of essays representing social psychological perspectives on genocide and the Holocaust prominent social psychologists use the principles derived from contemporary research in their field to try to shed light on the behavior of the perpetrators of genocide The primary focus of this volume is on the Holocaust but the conclusions reached have relevance for attempts to understand any episode of mass killing Among the topics covered are how crises and difficult life conditions might set the stage for violent intergroup conflict why some groups are more likely than others to be selected as scapegoats how certain cultural values and beliefs could facilitate the initiation of genocide the roles of conformity and obedience to authority in shaping behavior how engaging in violent behavior makes it easier for one to aggress again the evidence for a genocide prone personality and how perpetrators deceive themselves about what they have done The book does not culminate in a grand theory of intergroup violence instead it seeks to provide the reader with new ways of making sense of the horrors of genocide In other words the goal of all of the contributors is to provide us with at least some of the knowledge that we will need to anticipate and prevent future such tragic episodes

Conquest of the New World Johnny Payne, 2014-02-19 Latin American fiction won great acclaim in the United States during the 1960s when many North American writers and critics felt that our national writing had reached a low ebb In this study of experimental fiction from both Americas Johnny Payne argues that the North American reception of the boom in Latin American fiction distorted the historical grounding of this writing erroneously presenting it as mainly an exotic magical realism He offers new readings that detail the specific historical relation between experimental

fiction and various authors careful deliberate deformations and reformations of the political rhetoric of the modern state Payne juxtaposes writers from Argentina and Uruguay with North American authors setting up suggestive parallels between the diverse but convergent practices of writers on both continents He considers Nelson Marra in conjunction with Donald Barthelme and Gordon Lish Teresa Porzecanski with Harry Mathews Ricardo Piglia with John Barth Silvia Schmid and Manuel Puig with Fanny Howe and Lydia Davis and Jorge Luis Borges and Luisa Valenzuela with William Burroughs and Kathy Acker With this innovative dual continent approach *Conquest of the New Word* will be of great interest to everyone working in Latin American literature women s studies translation studies creative writing and cultural theory

House Divided A Argentina 18801980 Book Review: Unveiling the Power of Words

In a world driven by information and connectivity, the energy of words has been much more evident than ever. They have the capability to inspire, provoke, and ignite change.
