Siegrist explores the boundaries of negotiating place and sexuality by using the concept of Southernness a purposefully fluid idea of the South that extends beyond simple geography eschewing familiar ideas of the Southern canon When the connection between queerness and Southernness becomes apparent Siegrist shows a Southern branded queer deviance can not only change the way we think about literature but can also change Southern queer people s lived experiences Siegrist gathers a bevy of undertheorized writers from Kenan and Truong to Dorothy Allison and even George R R Martin showing that there are many queer Souths Siegrist offers these multiverses as a way to appreciate a place that is often unfriendly even deadly to queer people But as Siegrist argues none of these Souths from the terrestrial to the imaginary would be what they are without the influence and power of queer literature      **Trail of Feathers paperback** Tahir Shah,2013-09

Enthralled by a line from the chronicle of a sixteenth century monk which said that the Incas flew like birds over the jungle and by the recurring theme of flying in Peruvian folklore Tahir Shah set out to discover whether the Incas really did fly or glide above the jungles of Peru Or was the Spanish cleric alluding to flight of a different kind flight inspired by a powerful hallucinogen After gathering equipment in London and advice not least from Wilfred Thesiger the long quest begins First to the mountains of Peru and a trek to Machu Picchu the Incas most sacred city Then on to the mountain city of Cusco and a mysterious island on the great glittering expanse of Lake Titicaca Picking up clues as he goes the author s trail takes him on to the coast and through the desert to the immense animal like etchings which form the Nazca Lines and a remote burial ground for 30 000 mummified corpses And finally to an epic river journey up the Amazon to discover the secrets of the Shuar a tribe of infamous savagery living in the deep jungle of the Upper Amazon In the course of this journey we learn much about the Spanish treatment of the Incas about Peruvian folklore and magic about the great but brief Amazon rubber boom of the nineteenth century about head shrinking shamanic knowledge and plant based hallucinogens Even for a traveller so used to surreal adventures there are many strange encounters and physical challenges gruesome but often hilarious among madmen and dreamers sorcerers con men and jungle experts before Tahir Shah can at last discover the truth about the Birdmen of Peru      **House of the Tiger King, Dyslexic edition** Tahir Shah,2013-09-29
