Houses And Travellers:

The Coming Struggle amongst Commercial Travellers relative to Usages and Club-Houses William Kibbler, 1871

View from the Traveller Site Anna Hoare, 2025-04-24 Traveller specific architecture in Ireland and permanently temporary sites in the UK embody an insoluble contradiction as systems of control policing and strategic neglect and as a cultural right an alternative to housing that recognizes the dignity of choice *View from the Traveller Site* explores post nomadism as an artefact of statecraft in which contradictory processes occur in tandem legal insecurity persists and state policies have unexpected consequences as sites materialize the countervailing tendencies of post war European states At conjunctures of camps courtrooms sites and council houses Irish Travellers generate new architectures and revive old ones Architecture and the body form distributed fields of analogy and metaphor and are reciprocally constituted as social capacities and sites of personhood and relations Through ethnographic accounts of sites and camps funerary monuments and gift cycles of mares and foals the book reflects on material and performative architectures negotiations of gendered and generational rights and the role of women in encounters between the dead the living and the unborn in camps The author engages with debates in the anthropology of the state property citizenship and the family and offers a new analysis of Travellers concepts of personhood and embodiment as they negotiate the politics and poetics of citizenship kinship and sociality enfolded the settled non Traveller world of sites into the collective bodies of breeds and back breeds This exploration of the productivity of post nomadic architecture culture and sociality will be of particular interest to scholars of anthropology architecture and material and visual culture

Mr. Ogilby's Actual Survey .. John Ogilby, [Travel and the British country house](#) Jon Stobart, 2017-11-06 *Travel and the British country house* explores the ways in which travel by owners visitors and material objects shaped country houses during the long eighteenth century It provides a richer and more nuanced understanding of this relationship and how it varied according to the identity of the traveller and the geography of their journeys The essays explore how travel on the Grand Tour and further afield formed an inspiration to build or remodel houses and gardens the importance of country house visiting in shaping taste amongst British and European elites and the practical aspects of travel including the expenditure involved Suitable for a scholarly audience including postgraduate and undergraduate students but also accessible to the general reader *Travel and the British country house* offers a series of fascinating studies of the country house that serve to animate the country house with flows of people goods and ideas

Gypsies, Roma and Travellers Declan Henry, 2025-02-28 Essential reading for those who want to develop greater knowledge and awareness of the history culture and lifestyles of GRT people There are many misconceptions about the Gypsy Roma and Traveller communities in the UK and

Ireland Little is understood of their culture and they are often marginalised by society This book dispels many of the myths and gives a compassionate and empathetic view of the daily struggles they face including discrimination racism and poverty It also reviews criticisms directed at them and determines whether these are justified Services are analysed to establish what works and what is weak Packed with expert opinions from professionals working in the field and case studies and vignettes garnered from personal interviews by the author with GRT people Drawing from a wide range of perspectives from both inside and outside the respective communities this book provides readers with all the key elements required to gain a deeper knowledge and understanding of these remarkable communities and their cultures
