Houses That Talk About Their People

Joe Neguse

Houses That Talk About Their People:

Courage in The People's House Joe Neguse,2024-08-20 Colorado s first Black member of Congress tells the stories of nine U S Representatives who all shared pioneering qualities as African American Latino female or immigrant members of the House All of them overcame significant obstacles to make important contributions to American history The People's House David Pepper,2016-08-15 Can someone heist the majority of the House of Representatives with no one noticing That s the electoral coup that turns America upside down in THE PEOPLE S HOUSE Until one man notices Political reporter Jack Sharpe is logging time at the tail end of a disappointing career jaded about politics and stung by personal hard knocks But after an odd election result in the Ohio Congressional district he covers Sharpe stumbles across irregularities that spur him to dig deeper The story takes him far beyond his corner of Ohio as he discovers an international plot one that strikes at the heart of American democracy by taking advantage of weaknesses in today s political architecture His reporting leads to a showdown with the philandering Congressman and Presidential contender who knew about the plan but told nobody and the eccentric but deadly Russian energy baron who masterminded it all In order to save himself and the country Sharpe must rekindle his old fire to navigate a treacherous journey through danger betrayal and atonement **Other People's Houses**

Lore Segal,2018-05-31 First published 54 years ago and yet feels as timely as any book I ve read this year Observer Nine months after the Nazi occupation of Austria 600 Jewish Children assembled at Vienna station to board the first of the Kindertransports bound for Britain Among them was 10 year old Lore Segal For the next seven years she lived as a refugee in other people s houses moving from the Orthodox Levines in Liverpool to the staunchly working class Hoopers in Kent to the genteel Miss Douglas and her sister in Guildford Few understood the terrors she had fled or the crushing responsibility of trying to help her parents gain a visa Amazingly she succeeds and two years later her parents arrive their visa allows them to work as domestic servants a humiliation for which they must be grateful In Other People s Houses Segal evokes with deep compassion clarity and calm the experience of a child uprooted from a loving home to become stranded among strangers

Congress,1909 **The People's House of Commons** David E. Smith,2007-04-21 Canada s House of Commons has come

under considerable attack in recent years Many critics have contended that the House has been unresponsive to public opinion and that its party leaders have too much control while leaving individual MPs essentially powerless The House has also faced challenges by the courts since the introduction of the Charter a powerful bureaucracy equipped with specialized knowledge and new telecommunications systems that are redefining the transfer of information Through an examination of academic judicial political and legal commentary The People s House of Commons explores the role of the House as a public institution While addressing much of the criticism that has been levelled at the House David E Smith considers the competing political models and inherent tensions and their affect on public understanding Smith maintains that court decisions are transforming the political system from one dominated by parties to one that promotes individual participation He argues that reforms such as fixed election dates or stronger parliamentary committees have constitutional significance since their implementation would alter the practice of responsible government which for more than a century has been a party government A definitive work by one of Canada s foremost experts in the field of political science The People s House of Commons explores the ramifications of many of the changes currently being proposed to Canada s political system with particular reference to their affect on prerogative power parliamentary privilege party discipline bicameralism and the role of the opposition

Devil in the People's House MasterBlogger1,2016-10-06 Clouds are gathering throughout the homeland indicating a storm is looming over our beloved America Old glory blows in a torrential wind of change ushering in an era of decay and destruction She has become tattered and worn We may possibly maintain the appearance of strength and invincibility for a time but it is not sustainable Yes America will crumble under the duress imposed by the Democrat Progressive Liberal Socialist mindset and agenda There is decay beneath the surface and cracks in our national foundation abound The world giant is being plundered of its very essence and undermined by an evil force There is a movement within our gates that encourages and supports wickedness If allowed to continue their debased onslaught Progressive Liberals will succeed in transforming America They will fundamentally change America into their twisted vision of what our nation should present to God and the world If their depraved agenda continues to fester and proliferate this will be the demise of the greatest nation on earth This is not a theory but a fact as evidenced by those among us who have eyes to see and ears to hear This agenda of destruction was conceived in a very dark place a dark place indeed
