John Wallace Writings:

No Remorse Dot Moore, 2011-01-01 A 1948 murder committed in Georgia's Coweta County was controversial not only for its middle of the night mystery but also for the role played by prominent businessman John Wallace. In *No Remorse*, bestselling nonfiction author Dot Moore explores that fateful night as well as the events that brought John Wallace to the point of murder—the death of his father when Wallace was only 11 years old and his early exposure to the making and selling of moonshine whiskey. Moonshine would later play a part in the murder for which Georgia sent Wallace to the electric chair.
