determination to endure and love her husband is tested when she is called home for her mother's funeral. Once back in warm sunny California, Iowa Jack and the harsh Midwest seem worlds away. Rose has to decide if what she wants is in Iowa with her husband or in the comfortable surroundings of California and family and an old flame who awakens her heart in ways she thought were dead. Rose's struggle like so many women of her generation is a tug of war between what is expected and what desires are left over for her in the ash heap of duty and subservience. Rose's final decision will test her character and surprise her harshest critiques.

Zombie Bake-Off Stephen Graham Jones, 2024-10-01 The tale of a zombie horde reigning terror on the few humans left inside a building a refreshing nod to the George Romero movies of old. Mourning Goats There's not much rumbling during the Recipe Days show at the Lubbock Municipal Coliseum except for stomachs that is until the professional wrestlers arrive early for their Saturday night matches. Chaos ensues when the home cooks are overrun by Xombie the Hellbillies and Jersey Devil Jill. They're not everyone's idea of family fun especially when the rowdy wrestlers descend on the free donuts brought for the security team and are turned into brain eating zombies. The night's main event starts early with undead wrestlers squaring off against kitchen divas and soccer moms. And as the contagion spreads the few survivors armed with mixers, booth poles and a Zamboni must fight to keep their heads on straight and off the menu. *Zombie* specialist Stephen Graham Jones shows how to put a fresh spin on a classic dish. The Denver Post *Zombie Bake Off* is fast, witty, original and ridiculously entertaining. Stephen Graham Jones has created an action-packed literary pastry that packs a sugar rush you just have to experience.
