Johnny Crackle Sings:

Johnny Crackle Sings Matt Cohen, 1971 In Other Words Anna Porter, 2018-09-25 *In Other Words* is a lively charming gossip memoir of life in the publishing trenches and how one restlessly curious young woman sparked a creative awakening in a new country she chose to call home We need our own dreams Anna Porter When Anna Porter arrived in Canada in early 1968 with one battered suitcase little money and a head full of dreams she had no idea that this country would become her home for the rest of her life or that she would play a major role in defining what it means to be Canadian And where better to become a Canadian than at the dynamic publishing house McClelland of prima donnas such as Roloff Beny and Harold Town whose excesses threatened to sink the company of exhausted editors dealing with intemperate writers of crazy schemes to interest Canadians in buying books She recalls the thrilling days at the helm of the company she founded in the 1980s when Canada's writers were suddenly front page news As president of Key Porter Books she dodged lawsuits argued with bank managers and fought to sell Canadian authors around the world This intriguing memoir brings to life that time in our history when finally the voices Canadians craved to hear were our own *In Other Words* is a love letter to Canada's authors and creative agitators who against almost impossible odds have sustained and advanced the nation's writing culture Moving effortlessly from the boardrooms of Canada's elite and the halls of power in Ottawa to the threadbare offices of idealistic young publishers and ultimately to her own painful yet ever present past in Hungary Porter offers an unforgettable insider's account of what is gained and lost in a lifetime of championing our stories *Saturday Night*, 1976 *Eleven Canadian Novelists Interviewed by Graeme Gibson* Graeme Gibson, 2014-08-15 Originally published in 1970 *Eleven Canadian Novelists Interviewed by Graeme Gibson* is a collection of candid and wide ranging interviews with Canadian writers including Alice Munro Mordecai Richler Margaret Laurence and more With the intuition of an insider Gibson asks the important questions In what way is writing important to you Do writers know something special Does he or she have any responsibility to society The result is a fascinating and immensely readable series of conversations with famed writers at the beginning of their careers The A List edition will feature a new introduction by Graeme Gibson and interviews with the following authors Margaret Atwood Austin Clarke Matt Cohen Marian Engel Timothy Findley Dave Godfrey Margaret Laurence Jack Ludwig Alice Munro Mordecai Richler Scott Symons Columbus and the Fat Lady Matt Cohen, 2020-03-03 First published in 1972 *Columbus and the Fat Lady* introduced readers to Governor General's Literary Award winning author Matt Cohen's skewed and hilarious worldview By turns funny surreal wistful savagely satirical and brilliantly inventive the stories in this collection intrigue and surprise the reader with their unexpected language and plots He conjures up images that are both absurd and perceptive From Sir Galahad as a schoolteacher to Christopher Columbus as a carnival attraction these stories feature the improbable with strength and virtuosity This collection is a foray into the jungles of life on this planet and the tangled but fascinating interiors of the human head **Canadian Saturday Night**, 1975 *The Sweet*

Second Summer of Kitty Malone Matt Cohen, 2010-12-03 The Sweet Second Summer of Kitty Malone first published in 1979 is one of Matt Cohen's four novels that came to be known as the Salem quartet stories set in the fictional town of Salem in eastern Ontario somewhere north of Kingston in the rugged farmland and forest of the Canadian Shield. These are the novels that first brought Matt Cohen to national attention. The Sweet Second Summer of Kitty Malone a story about the pleasure of love that comes late in life centres on the lives of two time worn characters whose pursuit of happiness is strangely rewarded. With *The Disinherited* another of the Salem novels this is considered among the author's best works. *Arrival* Nick Mount, 2017-09-02 The most important book to be written in more than 40 years about the rise of Canadian literature. *Arrival* The Story of CanLit brims and crackles in equal measure with information and energy. Winnipeg Free Press A Globe and Mail Top 100 Book National Post 99 Best Books of the Year In the mid twentieth century Canadian literature transformed from a largely ignored trickle of books into an enormous cultural phenomenon that produced Margaret Atwood Alice Munro Michael Ondaatje Mordecai Richler and so many others. In *Arrival* acclaimed writer and critic Nick Mount answers the question What caused the CanLit Boom. Written with wit and panache *Arrival* tells the story of Canada's literary awakening. Interwoven with Mount's vivid tale are enlightening mini biographies of the people who made it happen from superstars Leonard Cohen and Marie Claire Blais to lesser known lights like the troubled and impassioned Harold Sonny Ladoo. The full range of Canada's literary boom is here the underground exploits of the blew ointment and Tish gangs revolutionary critical forays by highbrow academics the blunt force trauma of our plain spoken backwoods poetry and the urgent political writing that erupted from the turmoil in Quebec. Originally published to coincide with the 150th anniversary of Canadian Confederation *Arrival* is a dazzling variegated and inspired piece of writing that helps explain how we got from there to here. **Matt Cohen and His Works** George Woodcock, 1989 A study of Canadian writer Matt Cohen. *Canadian Writers and Their Works* Robert Lecker, Jack David, Ellen Quigley, 1983 **The Perilous Trade** Roy MacSkimming, 2012-01-11 A book that will fascinate and inform readers who love Canadian writing. Part cultural history part personal memoir this accomplished sweeping yet intimate book demonstrates that the story of Canadian publishing is one of the cornerstones of our literary history. In *The Perilous Trade* former publisher literary journalist and industry insider Roy MacSkimming chronicles the extraordinary journey of English language publishing from the Second World War to the present. During a period of unparalleled transformation Canada grew from a cultural colony fed on the literary offerings of London and New York to a mature nation whose writers are celebrated around the world. Crucial to that evolution were three generations of book publishers mavericks gamblers entrepreneurs political activists and true believers sharing a conviction that Canadians need books of their own. Canadian publishing has long made headlines be it Jack McClelland's outrageous publicity stunts American takeovers the collapse of venerable imprints or bold political moves to ensure the industry's survival. Roy MacSkimming takes us behind the headlines to draw memorable portraits of the men and women who built Canada's literary renaissance. With a novelist's eye

for character and incident he weaves their tangled relationships with authors agents booksellers and each other into a lively narrative rich in anecdote and revealing personal recollection Canadian publishers large and small have nurtured a literature of extraordinary diversity and breadth MacSkimming argues giving us English Canada s greatest cultural achievement
