McKenna,1997 Lists fictional books for children to read to help them through some of life s difficult situations and circumstances such as their parents divorce the death of a family member or problems at school **The Literary Devices in John's Gospel** David W. Wead,2018-07-18 As an interdisciplinary forerunner of the new literary approaches to gospel narratives over the last four decades in New Testament scholarship the revised and expanded monograph by David Wead makes a timely contribution to the advancement of those studies Rooted in comparative analyses of contemporary Hellenistic and Jewish literary techniques and drawing from the best of Continental scholarship Wead not only points Johannine scholars to relevant ancient resources but his analyses prepare the way for fresh interpretations of John s story of Jesus today Published originally in Switzerland this book was overlooked by many scholars to the detriment of their work However in addressing such themes as John s post resurrection point of view the Johannine sign the Johannine double meaning irony in the Fourth Gospel and metaphor in the Fourth Gospel Wead s work is now available to new generations of scholars who will find his work both instructive and provocative This newly revised and expanded edition

edited by Paul Anderson and Alan Culpepper not only includes a new epilogue by David Wead featuring new reflections and insights but it also includes an expansive overview of the literature before and after Wead's work including a helpful assessment of Wead's monograph in service to ongoing Johannine scholarship No serious study of Gospel literary features devices and strategies can afford to overlook this important book     **The American Shorthorn Herd Book** ,1907

**Alain Badiou and the Book of Revelation** Bruce Worthington,2024-05-29 Using many key philosophical concepts based on the work of Alain Badiou this book outlines the relationship between an event and the emergence of a truth which serves as a helpful organizing principle from which to study the origins of Christianity Alain Badiou and the Book of Revelation argues that despite what postmodern philosophy says truths still appear and their immanent character can be known in the world through a militant subject one who is willing to declare the consequences of an event that has happened The second half of the book applies Badiou's theory of the event to the book of Revelation a book that draws out radical even terrifying consequences from an event the victory of the Lamb particularly in the logic of a new world and a political body that is to come Based on several new insights following the completion of Badiou's *The Immanence of Truths* the book is a full length treatment of Badiou's philosophy to the study of Christian origins and the book of Revelation     John Gary M. Burge,2000 The primary goal of the NIV Application Commentary Series is to help you with the difficult but vital task of bringing an ancient's message into a modern context     John Gail R. O'Day,Susan E. Hylen,2006-04-03 The Gospel of John is one of the most beloved books in the Christian canon Its stories and images have long captured the imaginations of Christians Not only is it one of the most popular writings of the New Testament but many aspects of its style and outlook are distinctive In this clear thorough and accessible commentary on the Gospel of John scholars Gail O Day and Susan Hylen explore and explain this Gospel's distinctive qualities Books in the Westminster Bible Companion series assist laity in their study of the Bible as a guide to Christian faith and practice Each volume explains the biblical book in its original historical context and explores its significance for faithful living today These books are ideal for individual study and for Bible study classes and groups     **UNVEILING THE TRUTH : AN IN-DEPTH ANALYSIS OF THE BOOK OF REVELATION** REV. GREGORY J. MARTINEAU , An in depth analysis of the Book of Revelation written for those interested in knowing about what is coming A Blessed Hope for the believer and a Blasted curse for the unbeliever A study of the end times and the Millennium and beyond     **An Audacious Invitation** Walter Farquharson,Jeff Cook,2014-05-01 An Audacious Invitation is a startling new commentary on the Gospel of John by former United Church Moderator Walter Farquharson and long time United Church minister Jeff Cook Walter's reflections paired with Jeff's point counterpoint responses allow the reader to participate in an energetic dialogue that will both surprise and inspire Here we discover a Jesus of love and compassion and hope a compelling call to a new way of living     **Diving into the Gospel of John** Bruce R. Reichenbach,2023-02-09 Diving into the Gospel of John displays the rich and diverse arguments John presents for his thesis that Jesus is the Messiah the Son of God

and that through believing readers listeners will find eternal life John s arguments are developed in four parts The first two chapters develop the author s literary techniques that are often based on ambiguity and his key symbols and concepts the understanding of which are essential to fully appreciate the Gospel Chapters 3 through 6 progressively portray the author s evidence for his thesis in the form of signs testimony of those who encounter Jesus Jesus s self identification and Jesus s relationships to others Chapters 7 and 8 show how the author uses theatrically patterned dialogues and triadic discourses to convey Jesus s identity and mission Finally chapters 9 through 11 provide important hints that the author gives for his thesis Jesus s appeals to time the indirect use of seven as the number of completeness and invocation of parentage in pointing to salvation Through diving into the Gospel readers will discover the richness of John s argument the Jesus he portrays and the God Jesus reveals The book aims to stimulate commitment challenge mind and spirit and encourage further reflection and conversation

John McGahern and Modernism Richard Robinson,2016-12-15 John McGahern s work is not easily conceived of as belatedly modernist His memorialising faintly archaic style implies a concern with making it old rather than new suggesting the symptomatic diffidence of many who wrote in the wake of modernism Nevertheless McGahern s statements about the presence of words and the hard won impersonality of the artwork point to a covert engagement with modernist aesthetics Offering intertextual interpretations of McGahern s six novels and of thematically grouped short stories Richard Robinson reads McGahern s fiction alongside writing by Joyce Proust Yeats Beckett Nietzsche Lawrence and Chekhov amongst others Drawing out the ways in which McGahern s fiction conceals and reveals its modernist traces this study considers subjects such as low modernism the complexity of McGahern s time writing and his dialectical construction of the relationship between cultural tradition and modernity in Ireland McGahern s narratives of melancholic return are often read psycho biographically but they also involve a return to the remnants of literature including that of the modernist canon This book will be of interest not only to McGahern scholars but also to those who contemplate the compromised legacies of literary modernism in late twentieth century and contemporary writing

*Glory, Grace, and Truth* Alexander Tsutserov,2009-02-24 In *Glory Grace and Truth* Alexander Tsutserov argues that three concepts of the revelation of God as Jesus are unfolded throughout the Gospel of John in terms of a ratification of the covenant of the presence of God The covenantal aspects of glory confirming the presence of God are evident in Jesus the visible appearance of God the intrinsic character of God the miraculous splendor of God in Jesus s incomparable signs deeds wonders and marvelous acts and the divine honor of God in the Son glorified by the Father Grace upon grace alludes to the requests to confirm the presence of God All believers gained the grace of the presence of God in Jesus rather than Moses alone encountering the grace of the presence at Sinai The Gospel of John depicts ratification of the covenant of the presence of God in Jesus according with the covenantal articles Grace and truth alludes to Exodus 34 6 Each allusion in John depicts the full graciousness and integrity of God s character The Son possesses and bestows the Father s character onto believers by means of the Holy Spirit who is full

of grace and truth The divine character and the divine Law complement each other in believers thus fulfilling the Scripture In essence the revelations of God at Sinai and in Jesus are the same In quality the latter surpasses the former in all three aspects glory grace and truth
