**Jewish Antifascism and the False Promise of Settler Colonialism** Max Kaiser, 2022-10-29 This book takes a timely look at histories of radical Jewish movements their modes of Holocaust memorialisation and their relationships with broader anti colonial and anti racist struggles Its primary focus is Australia where Jewish antifascism was a major political and cultural force in Jewish communities in the 1940s and early 1950s This cultural and intellectual history of Jewish antifascism utilises a transnational lens to provide an exploration of a Jewish antifascist ideology that took hold in the middle of the twentieth century across Jewish communities worldwide It argues that Jewish antifascism offered an alternate path for Jewish politics that was foreclosed by mutually reinforcing ideologies of settler colonialism both in Palestine and Australia

, **Punch**, 1872 **Presentation Skills** Michael Weiss, 2015-08-03 The popularity of the TED talk has raised the bar for public speaking and presentations Audiences expect to be educated inspired and engaged whether they are sitting in a conference room or an auditorium Yet too often presenters lack the skills to take command and deliver persuasive and entertaining pitches and presentations The audience is the hero of the story and the presenter is their guide to take them on a journey Like a one act play a presentation is not a meeting it s a performance And it is the job of the presenter to respect the audience's wishes wants and needs With the advent of smartphone the job of the presenter to keep the audience's attention on them rather than on the tiny device in their hand has become increasingly more difficult The purpose of this book is to inspire you to take the next step in your presentation skills and practice **Englisch-Deutsches und**
