Jonah The Spirituality Of A Reluctant Prophet:

Jonah Roman Ginn,1978-01-01 Jonah, God's Reluctant Prophet! Roger Henri Trepanier,2020-08-13 Have you ever struggled with God's will for your life We all likely have at one time or another This is why God gave us the book of Jonah so that we might learn the lessons He wants us to know and learn for when we are in that situation We will never be the same after we have learned those life changing lessons that Jonah personally experienced **Jonah** Mary Ann Bishop,2020-07 Jonah's struggle is our struggle His pride and presumption is a reflection of our heart His reluctance to do what God asked of him is a reminder that we too find it difficult to trust God when we do not understand His ways By examining God's work through the reluctant ministry of Jonah this book will strengthen the faith of every serious student of God's word whose desire is to better understand His heart for all people and our responsibility to reach them with the gospel Seasons of Biblical Spirituality Mark G. Boyer,2023-07-28 This book presents one hundred reflections on the four seasons spring summer autumn and winter The seasons of the year bring change to people Winter heating gives way to spring and summer air conditioning The new life of spring trees leafing bulbs blooming grass growing brought about by rain turns into summer maintenance Summer maintenance diminishes as the autumn chill begins to spread across the land and T shirts and shorts are exchanged for sweaters and jeans Coats are brought out of the closet and prepared to be worn as frost forms on the lawn snow falls from the sky and ice forms on water The changes that take place outside of us also take place inside us Without noticing we discover ourselves adapting as we pass from one season to another All the reflections provided in this book begin with biblical passages that mention each specific season or some event that occurs as part of the season The passage is followed by a reflection a Psalm response questions for meditation and or journaling and prayers designed to nourish one's spirituality The yearly process of passing from one season to another brings about transformation in us of which we may not be aware *Jonah* Erica Brown,2017-08-30 In *Jonah The Reluctant Prophet* Dr Erica Brown takes us on a journey over land and sea in the footsteps of the Bible's most recalcitrant prophet Melding traditional commentators rabbinic literature modern biblical scholarship psychological sensitivity and artistic imagination Brown travels through the four chapters of Jonah's story tracing his call to leadership his subsequent intransigence his momentary rise to duty and his tragic resignation in an effort to discover God's ultimate lesson for him With insight and feeling Brown provides us with a glimpse into the tormented soul of the prophet as he grapples with the notion of a forgiving God who is concerned even with the welfare of Israel's strongest adversary As God struggles to teach His prophet to expand his vision and take up his divine mission we come to understand the Divine call given to each of us to rise up to the possibility of greatness After all if God can change His plan we can change as well Jonah, the Reluctant Prophet William L. Banks,1966 **An Introduction to the Old Testament** Tremper Longman III,2009-05-26 An upper level introduction to the Old Testament that offers students a thorough understanding of three key issues historical background literary analysis and theological message This second edition of *An Introduction to the*

Paul Stevens,2021-10-07 These days people talk about their schedules filling up 24 7 twenty four hours a day seven days a week We wear busyness like a merit badge as if the more we do the better we become But R Paul Stevens says this is not biblical Nor is it helpful For Christians life isn t about checking off to do lists It s about connecting with God and infiltrating thoughtful biblical faith into our everyday lives Sometimes that means activity but sometimes not Everyday spirituality the subject of the book embraces purposeful times of work relationships and rest centered on God instead of personal or cultural expectations But how can you do it It s not easy exiting the fast track to practice a slowed down yet down to earth holiness Stevens understands this and offers practical insights to developing a subversive spirituality a meaningful faith that seeps into your work family sexuality friendships outreach aloneness and leisure and fills you with joy But most importantly it motivates you to lovingly abide with God seven days a week Matthew the Poor an Eastern monk in Egypt once said that life is but one single way that leads to the kingdom of God

Paperbound Books in Print, 1992 The Closing of the Gates Rabbi Lawrence A. Hoffman, PhD, 2018-05-29

N ilah the closing of the gates is in many ways the most anticipated worship service in the entire Jewish calendar Coming at the end of the 24 hour fast that characterizes Yom Kippur The Day of Atonement it symbolizes the days of old when the gates of the ancient Temple closed at last and with them the last chance for prayers of atonement and reconciliation with God and with others Nowadays the synagogue service that replaced the Temple cult marks the occasion with heightened fervor the only time all year when the gates of the ark that houses the Torah scroll remain open throughout the service telltale melodies accompany the occasion a final blast of the shofar the ram's horn symbolizes the end of the fast and the new beginning that follows special prayers celebrate the human capacity to create a life that matters beyond our own mortality and the presence of God who reaches out a hand to invite us into the new Jewish year that N ilah's final shofar blast inaugurates All of this is the topic for volume eight in Prayers of Awe the series devoted to exploring the depth of the Jewish High Holy Days As with prior volumes this one too comes with introductory essays on the history theology and deeper meaning behind the prayer experience It then assembles some 40 short and accessible essays designed to unlock the mystery and depth of the occasion Authors come from all walks of life clergy and laypeople scholars and artists men and women across the generations and from seven countries Canada Australia Germany France Israel the UK and USA What music appreciation is to classical music this series on prayer is to Jewish worship This volume in particular explores Judaism's timeless message of divine purpose and the ongoing search for meaning in a world of human frailty but also promise

This book offers resources for re-imagining the biblical vision of water for a time quickly emerging as the century of water wars It takes its urgency from the author's 5 year activist engagement with a grass roots led social movement pushing back on Detroit water shutoffs as global climate crises intensify Concerned with both white supremacist biopolitics and continuing settler colonial reliance on the Doctrine of Christian Discovery and beholden to an interreligious methodology of crossing over and coming back the text creatively re-reads the biblical tradition under tutelage to the mythologies and practices of various indigenous cultures Algonquian Huron Haitian Vodouisant and Celtic Norman whose embrace of water is animate and spiritual as well as political and communal Not enough today merely to engage the political battle over water rights however indigenous wisdom and biblical prophecy alike insist that recovery of water spirituality is central to a sustainable future
