Moon John F. Bronzo, 2015-08-26 Mary Bernadette is a Vietnamese girl born on November 22 1963 the day John F Kennedy
is assassinated Raised in an orphanage she finds herself unwittingly involved in an international incident at the age of six
when a Russian man who claims to be the second gunman on the grassy knoll during the assassination of JFK stumbles into
the orphanage looking for help Mary Bernadette is then witness to the opening rounds of Operation Excalibur the CIA code
name for the mission to capture this second gunman alive In the late spring and early summer of 1971 while Americans are
unaware of the potential for a major international incident that might bring their country to the brink of war with the Soviet
Union or China Operation Excalibur plays itself out in Vietnam What Mary does not know is that one unintended
consequence of this action will be the senseless massacre of orphaned children by an errant North Vietnamese captain and
that she herself will be among the dead This CIA thriller and tragic tale of love and intrigue set during the Vietnam War
describes the attempt to capture JFKs other assassin now a Russian advisor as told by an innocent victim from her grave I am
pleased to share a review of my book Mary Bernadette by the Vietnam Veterans of America I want to thank Marc Leepson
and his team for putting in the time and the effort and I hope that the story will bring a great deal of pleasure to many of my
