Joseph Conrad Columbia Essays On Modern Writers:

Joseph Conrad Robert S. Ryf,1970 **Columbia Essays on Modern Writers** ,1968 **Joseph Conrad--comparative Essays** Adam Gillon,1994 This collection of essays continues Adam Gillon's comparatist approach to Joseph Conrad which he exhibited in three previous books *The Eternal Solitary A Study of Joseph Conrad* 1960 and *Conrad and Shakespeare and Other Essays* 1976 and *Joseph Conrad Tawyne English Authors Series* 1982 In the present collection Gillon extends his perspectives by examining the affinities between Conrad's descriptive art and painting and film Gillon presents a variety of new views and insights as he traces the connections between Conrad and such writers as Henry James and Vladimir Nabokov and compares Conradian characters Prince Roman and Peer Ivanovitch Gillon's Polish background looms large in this collection His mastery of the Polish language is apparent in the discussion of two Polish novels about Conrad's early life and in his translation of excerpts from these novels The first and last chapters offer moving glimpses of Gillon's own Polish footprints his initiation into Conrad lore and the visit to his native land after a long absence The intimacy and wry humor of these recollections are evident also in his essay about adapting Conrad to film which is illustrated with excerpts from his scripts *Under Western Eyes* and *Dark Country* his screenplay inspired by *Heart of Darkness* and Conradian themes A native of Poland Adam Gillon is professor emeritus of English and comparative literature at the State University of New York New Paltz He has lectured at universities in Canada Israel and Europe His numerous publications include critical studies of Conrad fiction poetry translations articles and reviews He has written award winning plays for screen stage and radio He wrote directed and produced a feature film *The Bet* Gillon is president of the Joseph Conrad Society of America and founder and senior editor of its newsletter *Joseph Conrad Today* Raymond Brebach is an associate professor of humanities at Drexel University He is a contributing editor for the Cambridge Edition of the Works of Joseph Conrad and he edits *Joseph Conrad Today* the newsletter of the Joseph Conrad Society of America He has written on the collaboration of Joseph Conrad and Ford Madox Ford Joseph Conrad Robert S. Ryf,1970 *Conrad's Heroism* Michael Pusey Jones,1985 **Encyclopedia of the Essay** Tracy Chevalier,2012-10-12 This groundbreaking new source of international scope defines the essay as nonfictional prose texts of between one and 50 pages in length The more than 500 entries by 275 contributors include entries on nationalities various categories of essays such as generic such as sermons aphorisms individual major works notable writers and periodicals that created a market for essays and particularly famous or significant essays The preface details the historical development of the essay and the alphabetically arranged entries usually include biographical sketch nationality era selected writings list additional readings and anthologies **Essays on Music and Language in Modernist Literature** Katherine O'Callaghan,2018-01-12 This volume explores the role of music as a source of inspiration and provocation for modernist writers In its consideration of modernist literature within a broad political postcolonial and internationalist context this book is an important intervention in the growing field of Words and Music studies It expands the

existing critical debate to include lesser known writers alongside Joyce Woolf and Beckett a wide ranging definition of modernism and the influence of contemporary music on modernist writers From the rhythm of Tagore s poetry to the influence of jazz improvisation the tonality of traditional Irish music to the operas of Wagner these essays reframe our sense of how music inspired Literary Modernism Exploring the points at which the art forms of music and literature collide repel and combine contributors draw on their deep musical knowledge to produce close readings of prose poetry and drama confronting the concept of what makes writing musical In doing so they uncover commonalities modernist writers pursue simultaneity and polyphony evolve the leitmotif for literary purposes and adapt the formal innovations of twentieth century music The essays explore whether it is possible for literature to achieve that unity of form and subject which music enjoys and whether literary texts can resist paraphrase can be simply themselves This book demonstrates how attention to the role of music in text in turn illuminates the manner in which we read literature Modernist Studies ,1979 **The K-Effect** Christopher GoGwilt,2023-12-05 The K Effect shows how the roman alphabet has functioned as a standardizing global model for modern print culture Investigating the history and ongoing effects of romanization Christopher GoGwilt reads modernism in a global and comparative perspective through the works of Joseph Conrad and others The book explores the ambiguous effect of romanized transliteration both in the service of colonization and as an instrument of decolonization This simultaneously standardizing and destabilizing effect is abbreviated in the way the letter K indexes changing hierarchies in the relation between languages and scripts The book traces this K effect through the linguistic work of transliteration and its aesthetic organization in transnational modernism The book examines a variety of different cases of romanization the historical shift from Arabic script to romanized print form in writing Malay the politicization of language and script reforms across Russia and Central Europe the role of Chinese debates about romanization in shaping global transformations in print media and the place of romanization between ancient Sanskrit models of language and script and contemporary digital forms of coding Each case study develops an analysis of Conrad s fiction read in comparison with such other writers as James Joyce Lu Xun Franz Kafka and Pramoedya Ananta Toer The first sustained cultural study of romanization The K Effect proposes an important new way to assess the multi lingual and multi script coordinates of modern print culture *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office,1973 **The Publishers Weekly** ,1911 Conrad and Language Katherine Isobel Baxter,2016-07-07 The essays in this collection examine Conrad s engagement with specific lexical sets and terminology maritime language the language of terror and abstract language issues of linguistic communication speech hearing and writing and his relationship to specific languages *Colonialism and the Modernist Moment in the Early Novels of Jean Rhys* Carol Dell'Amico,2013-10-31 Colonialism and the Modernist Moment in the Early Novels of Jean Rhys explores the postcolonial significance of Rhys s modernist period work which depicts an urban scene more varied than that found in other canonical representations of the period Arguing against the view that Rhys comes into

her own as a colonial thinker only in the post WWII period of her career this study examines the austere insights gained by Rhys's active cultivation of her fringe status vis vis British social life and artistic circles where her sharp study of the aporias of marginal lives and the violence of imperial ideology is distilled into an artistic statement positing the outcome of the imperial venture as a state of homelessness across the board for colonized and metropolitans alike Bringing to view heretofore overlooked migr populations or their children alongside locals Rhys's urbanites struggle to construct secure lives not simply as a consequence of commodification alienation or voluntary expatriation but also as a consequence of marginalization and migration This view of Rhys's early work asserts its vital importance to postcolonial studies an importance that has been overlooked owing to an over hasty critical consensus that only one of her early novels contains significant colonial content Yet as this study demonstrates proper consideration of colonial elements long considered only incidental illuminates a colonial continuum in Rhys's work from her earliest publications

Terrorism, Insurgency and Indian-English Literature, 1830-1947 Alex Tickell, 2013-06-17 This book is an interdisciplinary study of representations of terrorism and political violence in the fiction and journalism of colonial India Focusing on key historical episodes such as the Calcutta Black Hole the anti thuggee campaigns of the 1830s the 1857 rebellion and anti colonial terrorism in Edwardian London it argues that exceptional violence was integral to colonial sovereignty and that the threat of violence mutually defined discursive relations between colonizer and colonized Moving beyond previous studies of colonial discourse and drawing on contemporary analyses of terrorism Tickell examines texts by both colonial and Indian authors tracing their contending engagements with terrorizing violence in selected newspapers journals novels and short stories The study includes readings of several significant early Indian English works for the first time from dissident periodicals like Hurrish Chunder Mookerjis Hindoo Patriot 1856 66 and Shyamji Krishnavarmas Indian Sociologist 1905 9 to neglected fictions such as Kylas Dutts parable of anti colonial rebellion Forty Eight Hours of the Year 1945 1845 and Sarath Kumar Ghosh's The Prince of Destiny 1909 These are examined alongside works by better known Anglo Indian authors such as Philip Meadows Taylor's Confessions of a Thug 1838 Flora Annie Steel's On the Face of the Waters 1897 Rudyard Kipling's short fictions and novels by Edmund Candler and E M Forster The study concludes with an analysis of Indian English fiction of the 1930s notably Mulk Raj Anand's Untouchable 1935 and goes on to read Gandhi's philosophy of ahimsa non violence as a strategic response to a colonial and nationalist terror politics

Conrad in the Twenty-First Century Carola Kaplan, Peter Mallios, Andrea White, 2005-01-15 Best known as the author of Heart of Darkness Joseph Conrad 1857 1924 is one of the most widely taught writers in the English language Conrad's work has taken on a new importance in the dawning of the 21st century in the wake

of September 11 many cultural commentators returned to his novel *The Secret Agent* to discuss the roots of terrorism and the overarching theme of colonialism in much of his work has positioned his writing as central to not only literature scholars but also to postcolonial and cultural studies scholars and more recently to scholars interested in globalization Reading *Conrad Now* is a collection of original essays by leading Conrad scholars that rereads Conrad in light of his representations of post colonialism of empire imperialism and of modernism and modernity questions that are once again relevant today The collection is framed by an introduction by J Hillis Miller one of the most important literary critics today and a concluding extensive interview with Edward Said one of his final interviews before his death on September 25 2003 the most prominent postcolonial critic addressing his lifelong fascination with Conrad Reading *Conrad Now* will be essential reading for anyone seeking a contemporary introduction to this great writer and will be of great interest to scholars working with Conrad in a variety of fields including literary studies cultural studies ethnic and area studies and postcolonial studies **Changing**

Perceptions of Thomas Mann's Doctor Faustus John F. Fetzer, 1996 Ever since its appearance in 1947 Thomas Mann's novel *Doctor Faustus* has generated heated reactions among critics Whereas initial ideological differences stemming from the Cold War and the division of Germany have abated following the reunification of 1990 diverse opinions and controversies persist about Mann's daring treatment of the Faust theme These include such topics as the political stance of the author and the historical dimensions of the novel the biographical and autobiographical and backgrounds of the work especially in light of the subsequent publication of Mann's diaries and private notebooks the writer's sexual and psychological proclivities the thorny issues of montage collage and intertextuality musical concerns such as the extent to which the novel's protagonist appropriates as his own Arnold Schonberg's twelve tone system of composition or the role of Mann's fellow exile and mentor Theodor W Adorno in indoctrinating his pupil into avant garde musical techniques the degree to which the novel exhibits structural features of the music on which the narrative focuses and the function of certain mythic prototypes for this modern parody in fashioning the fortunes and fate of Adrian Leverkühn A provocative and still unresolved question centers on the precise role played by Goethe's Faust in the conception and execution of *Doctor Faustus* in spite of Mann's assertion that his version of the legend had nothing in common with the work of his famous predecessor Finally the presence of strong visual elements in the novel leads to an assessment of the critical reception accorded Franz Seitz's film adaptation of *Doctor Faustus* 1982 a dicey subject in Mann circles since few filmed versions of his novellas or novels have enjoyed an unsullied reputation **A Concise Companion to Postwar American Literature and Culture** Josephine Hendin, 2008-04-15 This

Concise Companion is a guide to the creative output of the United States in the postwar period in its diverse energies shapes and forms Embraces diversity covering Vietnam literature gay and lesbian literature American Jewish fiction Italian American literature Irish American writing emergent ethnic literatures African American writing jazz film drama and more Shows how different genres and approaches opened up creative possibilities and interacted in the postwar period Portrays the postwar

United States split by differences of wealth and position by ethnicity and race and by agendas of left and right but united in the intensity of its creative drive Conradian Contracts Tamas Juhasz, 2011-04-28 This book treats Joseph Conrad's simultaneous interests in exchange contracts and the condition of displacement The central hypothesis is that the novelist's characters face the option of signing or rejecting what might with some generalization be called a social covenant These individuals conduct a lonely or marginal existence and to ease their isolation they would like to re-enter a community For this reason they are ready to contribute to larger collective causes and comply with those restrictions that social life in its contractual aspect requires As Julia Kristeva puts it The foreigner is the one who works yet engagement in transactions in order to earn a social position is fraught with difficulties In return for their contribution these hard working characters do not always receive the compensation that they had in mind especially when their definition of companionship violates the boundaries of legality and social propriety Their private illicit interests are bound to clash with communal ones and the ensuing negotiating readjustment or compromise seeking either crush the individual party or result in a redefinition of the notion of contract This link between exchange and displacement is explored in nine narratives Just as the concept of exile is used in a broad often metaphorical sense ranging from characters who are actual migrants through individuals who occupy a marginal position within their native community to individuals who are caught between conflicting cultural economic models the trade or contractual alliance that can create or at least promise a sense of communal belonging and personal recognition is also manifold in its definition Although it always includes if to varying degrees the transference of economic goods or entering a specific agreement exchange is never limited to legal material procedures The Contemporary Novel Irving Adelman, Rita Dworkin, 1997-10-09 In this new edition what was already an expansive work has been updated and further enlarged to include information not only on American and British novelists but also on writers in English from around the world
