Joseph Furphy Miles Franklin,1944     *Joseph Furphy* Miles Franklin,1941     *Joseph Furphy* Miles Franklin,2001\*

**The Life of Such is Life** Roger Osborne,2022-03-01 Since its publication in 1903 Joseph Furphy s *Such is Life* has become established as an Australian classic But which version of the novel is the authoritative text and what does its history reveal about Australian cultural life From Furphy s handwritten manuscript through numerous editions a controversial abridgement for the British market condemned by A D Hope as a mutilation and periods of obscurity and rediscovery the text has been reshaped and repackaged by many hands Furphy s first editors at the *Bulletin* diluted his socialist message and corrected his Australian slang to create a more marketable book Later literary players including Vance and Nettie Palmer Miles Franklin Kate Baker and Angus Robertson all took an interest in how Furphy s work should be published In a fascinating piece of literary detective work Osborne traces the book s journey and shows how economic and cultural forces helped to shape the novel we read today     **Encyclopedia of the Novel** Paul Schellinger,2014-04-08 The *Encyclopedia of the Novel* is the first reference book that focuses on the development of the novel throughout the world Entries on individual writers assess the place of that writer within the development of the novel form explaining why and in exactly what ways that writer is important Similarly an entry on an individual novel discusses the importance of that novel not only from analyzing the particular innovations that novel has introduced and the ways in which it has influenced the subsequent course of the genre A wide range of topic entries explore the history criticism theory production dissemination and reception of the novel A very important component of the *Encyclopedia of the Novel* is its long surveys of development of the novel in various regions of the world     *Encyclopedia of Post-Colonial Literatures in English* Eugene Benson,L.W. Conolly,2004-11-30 *Post Colonial Literatures in English* together with *English Literature* and *American Literature* form one of the three major groupings of literature in English and as such are widely studied around the world Their significance derives from the richness and variety of experience which they reflect In three volumes this *Encyclopedia* documents the history and development of this body of work and includes original research relating to the literatures of some 50 countries and territories In more than 1 600 entries written by more than 600 internationally recognized scholars it explores the effect of the colonial and post colonial experience on literatures in English worldwide     *Joseph Furphy; the Legend of a Man and His Book, by Miles Franklin in Association with Kate Baker* Miles Franklin,1944     *Psychomanagement* Robert Spillane,2017-03-15 The ultimate test of management is performance the achievement of actual results Why then do Australian managers concern themselves with their colleagues personalities and motives Why have they become infatuated with emotional intelligence and in bizarre cases with spiritual intelligence Traditionally managers who performed earned the right to argue with their colleagues Nowadays individuals who argue are said to lack soft skills while a sad few are thought to be suffering from a personality disorder The popularity of soft skill management has created psychomanagers managers who have entered into a Faustian bargain with

psychologists Some managers work with psychologists to master themselves others work with psychologists to master other people As psychomanagement requires specialised knowledge many Australian managers have yielded their authority to counsellors coaches and consultants many of whom believe that human behaviour is determined by internal and external forces over which individuals have little or no control Accordingly psychologists have laboured to absorb the idea of the free and responsible individual into a pseudo scientific framework that denies moral agency The result is that ideas of right and wrong have been replaced with healthy and sick In their pursuit of a therapeutic state psychologists have medicalised morality and managers have embraced powerful myths about minds motive forces personality traits social conditioning leadership occupational stress and mental illness Consequently the twin ideas of personal freedom and responsibility have been sabotaged Freud Maslow Eysenck Skinner and other influential psychologists have denied or minimised the importance of personal responsibility And insofar as managers have entered into an unholy alliance with them they too have minimised personal responsibility at the workplace This book is about Australian managers and their long standing love affair with psychologists For fifty years the author has studied taught and consulted with managers and waltzed with several famous psychologists and an infamous psychiatrist Fortunately they represented both sides of the debate about personal responsibility and human freedom This book is therefore a personal and selective account of a professional life spent studying the problematic relationship between managers and psychologists

*Her Brilliant Career* Jill Roe, 2009 Stella Miles Franklin became an international publishing sensation in 1901 with *My Brilliant Career* a portrayal of an ambitious and independent woman defying social expectations that still captivates readers In a magisterial biography Roe details Miles extraordinary life

*Backgazing: Reverse Time in Modernist Culture* Paul Giles, 2019-02-14 This volume traces ways in which time is represented in reverse forms throughout modernist culture from the beginning of the twentieth century until the decade after World War II Though modernism is often associated with revolutionary or futurist directions this book argues instead that a retrograde dimension is embedded within it By juxtaposing the literature of Europe and North America with that of Australia and New Zealand it suggests how this antipodean context serves to defamiliarize and reconceptualize normative modernist understandings of temporal progression Backgazing thus moves beyond the treatment of a specific geographical periphery as another margin on the expanding field of New Modernist Studies Instead it offers a systematic investigation of the transformative effect of retrograde dimensions on our understanding of canonical modernist texts The title backgazing is taken from Australian poet Robert G Fitzgerald's 1938 poem *Essay on Memory* and it epitomizes how the cultural history of modernism can be restructured according to a radically different discursive map Backgazing intellectually reconfigures US and European modernism within a planetary orbit in which the literature of Australia and the Southern Hemisphere far from being merely an annexed margin can be seen substantively to change the directional compass of modernism more generally By reading canonical modernists such as James Joyce and T S Eliot alongside marginalized writers

such as Nancy Cunard and others and relatively neglected authors from Australia and New Zealand this book offers a revisionist cultural history of modernist time one framed by a recognition of how its measurement is modulated across geographical space

A Gregarious Culture Miles Franklin,2001 No Marketing Blurbs **Joseph Furphy 1843 - 1912** Pat Crudden,2003 **The Bulletin** ,2002 **Commonwealth Literature** NA NA,2016-01-03 **Guide to the Collections** National Library of Australia, **The Library Chronicle of the University of Texas at Austin** ,1988 **Perspectives on Australia** Harry Ransom Humanities Research Center,1989 **A Certain Style** Jacqueline Kent,2018-09-01 Beatrice Davis 1909 1992 was general editor at Angus and Robertson the main Australian publishing company from 1937 to 1973 There she discovered and published such writers as Thea Astley Miles Franklin Patricia Wrightson Xavier Herbert and Hal Porter becoming a literary tastemaker in the process A central figure in Australian literature respected feared courted and berated Originally published to great acclaim in 2001 A Certain Style introduced this stylish and formidable woman to thousands of readers and told a history of books and publishing in twentieth century Australia This reissue has a new introduction and updates throughout as the author presents a compelling account of a contradictory woman and her times

**The Cambridge History of the Book in Britain: Volume 6, 1830-1914** David McKitterick,2009-03-05 The years 1830 1914 witnessed a revolution in the manufacture and use of books as great as that in the fifteenth century Using new technology in printing paper making and binding publishers worked with authors and illustrators to meet ever growing and more varied demands from a population seeking books at all price levels The essays by leading book historians in this volume show how books became cheap how publishers used the magazine and newspaper markets to extend their influence and how book ownership became universal for the first time The fullest account ever published of the nineteenth century revolution in printing publishing and bookselling this volume brings The Cambridge History of the Book in Britain up to a point when the world of books took on a recognisably modern form

**Australian Dictionary of Biography: 1891-1939, Cl-Gib** Douglas Pike,1966 Since 1966 the Australian Dictionary of Biography has provided Australians with concise informative and fascinating descriptions of prominent men and women of this country who contributed their vision and energies to a growing nation
