Joseph Severn:

The Life and Letters of Joseph Severn William Sharp, 1892 **Joseph Severn** Grant F. Scott, 2017-03-02 This is the first modern scholarly edition of the letters and memoirs of Joseph Severn English painter and deathbed companion of John Keats It includes letters from a remarkable collection of never before published correspondence held by descendants of the Severn family Scott's unprecedented access to hundreds of new letters has resulted in a major revisionist work that challenges traditional ideas about Severn's life and character The edition includes new information about Severn's early artistic success in Italy an extraordinarily thorough record of his day to day activities as a working artist in England and surprising details about his experience as British Consul in Rome The volume represents a significant work of recovery printing in full three important memoirs that have until now appeared only in inaccurate excerpts and offering thirty three illustrations that demonstrate the range of Severn's talents as a painter Scott makes a compelling case for a revaluation of Severn whose friends also included Charles Eastlake William Gladstone Leigh Hunt John Ruskin and Mary Shelley This collection will prove valuable not only to literary biographers and Keats scholars but also to art and cultural historians of the Romantic and Victorian eras Adding significantly to the volume's usefulness are a detailed chronology of Severn's life and artwork and appendices containing an index of the newly discovered letters and a ledger of Severn's patrons paintings and commissions

Joseph Severn, A Life Sue Brown, 2009-10-08 This biography of Joseph Severn 1793-1879 the best known but most controversial of Keats's friends is based on a mass of newly discovered information much of it still in private hands Severn accompanied the dying Keats to Italy nursed him in Rome and reported on his last weeks there in a famous series of moving letters After Keats's death in relative obscurity Severn pressed hard for an early biography and a more fitting memorial in the Protestant Cemetery in Rome In the nineteenth century Severn's friendship with Keats was seen as a model of devoted masculine companionship and he was reburied by popular acclaim next to Keats in 1882 In the twentieth century by contrast he was denigrated as an unreliable self-promoting witness Sue Brown's book fills a major gap in studies of Keats and his circle It reassesses Severn's character friendship with Keats and influence on the posthumous development of the poet's fame and provides new information on Keats's death The significance of Severn's artistic career has previously been downplayed This book offers the first full assessment of his work and of his turbulent spell as British Consul in Rome from 1860 to 1871 Keats was not Severn's only famous friend For most of his adult life Severn was at the heart of the large lively British community in Rome welcoming amongst others Gladstone who became his most important patron Ruskin Walter Scott Wordsworth Turner Samuel Palmer David Wilkie and many more He maintained long friendships with Leigh Hunt Mary Shelley Charles Eastlake Richard Monckton Milnes amongst others and enjoyed a rich family life

[The Life and Letters of Joseph Severn](#) William Sharp,2010 [The Life and Letters of Joseph Severn \(Classic Reprint\)](#) William Sharp,2015-07-04 Excerpt from The Life and Letters of Joseph Severn

Several years have elapsed since the Severn Mss consisting of a great mass of letters journals reminiscences and fragmentary records were placed in the hands of the present writer to be edited at his discretion One or two editorial considerations as well as other equally potent causes beyond his control necessitated delay after delay but it will suffice to say now that in the main the original procrastination was due to the constantly recurring discovery of much relative matter chiefly correspondence which could not be overlooked and also to the need on many points of difficult inquiries and careful investigation The book was practically finished in Borne by the winter of 1890 91 but since then it has been wholly re written The original project was that the Memoirs should be issued in two large volumes the first of which would practically justify the title Keats and his Circle while the second would for the most part be occupied with Severn's middle period in London 1840 to 1860 his consular life 1861 to 1870 in Rome and his last years in that city 1871 to 1879 But ultimately it was decided that this biographical scheme should be abandoned in favour of a more concise record Of course there is loss of a kind A mass of correspondence of considerable interest has had to be wholly disregarded and records and diaries covering many years have had to be condensed into even fewer pages About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
