Pierre Vidal-Naquet

Josephus In Galilee And Rome His Vita And Development As A Historian:

Josephus in Galilee and Rome Shaye J. D. Cohen, 1979-01-01 **First Century Galilee** Bradley W. Root, 2014-10-17

This dissertation argues against the widespread belief among current scholars that Galilee experienced extensive Hellenization rapid urbanization and a socio economic crisis in the first century C E as a result of major socio economic changes initiated by Herod the Great and his successors My research indicates that earlier studies allowed the textual evidence to have an undue influence on the way that scholars interpret the archaeological evidence and vice versa Unlike previous studies on Early Roman Galilee the dissertation begins by attempting to interpret each source for the region individually and without recourse to other sources After establishing what each source says on its own about Galilee the dissertation analyzes the data as a whole and offers a reconstruction of Galilean society in the first century C E that better reflects the available evidence The major findings are that the region was politically stable until the Great Revolt of 66 C E that the region was much less Hellenized than some prominent scholars claim that the urbanization process initiated by Herod Antipas had less of a negative immediate impact on Galilean society than modern scholars usually assume and that Galilee was not experiencing any unusual or severe socio economic problems prior to the revolt

Josephus and Modern Scholarship (1937-1980) Louis H. Feldman, 2015-11-27 No detailed description available for Josephus and Modern Scholarship 1937 1980

Josephus's The Jewish War Martin Goodman, 2019-10-15 An essential introduction to Josephus s momentous war narrative The Jewish War is Josephus s superbly evocative account of the Jewish revolt against Rome which was crushed in 70 CE with the siege of Jerusalem and the destruction of the Temple Martin Goodman describes the life of this book from its composition in Greek for a Roman readership to the myriad ways it touched the lives of Jews and Christians over the span of two millennia The scion of a priestly Jewish family Josephus became a rebel general at the start of the war Captured by the enemy general Vespasian Josephus predicted correctly that Vespasian would be the future emperor of Rome and thus witnessed the final stages of the siege of Jerusalem from the safety of the Roman camp and wrote his history of these cataclysmic events from a comfortable exile in Rome His history enjoyed enormous popularity among Christians who saw it as a testimony to the world that gave rise to their faith and a record of the suffering of the Jews due to their rejection of Christ Jews were hardly aware of the book until the Renaissance In the nineteenth century Josephus s history became an important source for recovering Jewish history yet Jewish enthusiasm for his stories of heroism such as the doomed defense of Masada has been tempered by suspicion of a writer who betrayed his own people Goodman provides a concise biography of one of the greatest war narratives ever written explaining why Josephus s book continues to hold such fascination today

Jewish Studies on Premodern Periods Carl S. Ehrlich, Sara R. Horowitz, 2023-05-22 This volume examines new developments in the fields of premodern Jewish studies over the last thirty years The essays in this volume written by leading experts are grouped into four overarching temporal areas the First Temple Second Temple Rabbinic and Medieval periods

These time periods are analyzed through four thematic methodological lenses the social scientific history and society the textual texts and literature the material art architecture and archaeology and the philosophical religion and thought Some essays offer a comprehensive look at the state of the field while others look at specific examples illustrative of their temporal and thematic areas of inquiry The volume presents a snapshot of the state of the field encompassing new perspectives directions and methodologies as well as the questions that will animate the field as it develops further It will be of interest to scholars and students in the field as well as to educated readers looking to understand the changing face of Jewish studies as a discipline advancing human knowledge

Land and Temple Benjamin D. Gordon, 2020-04-06 This exploration of the Judean priesthood's role in agricultural cultivation demonstrates that the institutional reach of Second Temple Judaism 516 BCE 70 CE went far beyond the confines of its houses of worship while exposing an unfamiliar aspect of sacred place making in the ancient Jewish experience Temples of the ancient world regularly held assets in land often naming a patron deity as landowner and affording the land sanctity protections Such arrangements can provide essential background to the Hebrew Bible's assertion that God is the owner of the land of Israel They can also shed light on references in early Jewish literature to the sacred landholdings of the priesthood or the temple

[A Companion to Biblical Interpretation in Early Judaism](#) Matthias Henze, 2012-01-09 Presents eighteen commissioned articles on biblical exegesis in early Judaism covering the period after the Hebrew Bible was written and before the beginning of rabbinic Judaism from publisher description

[A Shift in Time](#) Lena Einhorn, 2016-03-15 Did the Christian Church rewrite history In the midst of her research on the historical Jesus scholar Lena Einhorn stumbled upon a surprising find While reading through narratives of the Jewish revolt by first century historian Flavius Josephus Einhorn encountered a number of similarities to the Bible These parallels all limited to a short period of time include an unnamed and mysterious messianic leader strikingly similar to the Jesus described in the Gospels only he's not the peaceful miracle worker we know so well Significantly Einhorn found that historical records consistently place these events which allude to the conspicuous figure in Josephus's writings twenty years later than in the New Testament Twenty years with precision every time A Shift in Time explores the possibility that there may have been a conscious effort by those writing and compiling the New Testament to place Jesus's ministry in an earlier less violent time period than when it actually happened In this groundbreaking book Einhorn argues that when the bible and the accounts of first century historians are compared side by side it is clear that the events that shaped the Christian world were not exactly as they seem Elements of this emerging hypothesis were included in Einhorn's previous book The Jesus Mystery originally published in Swedish in 2006 and later published in the United States Much has happened since then and Einhorn has presented her findings in various academic forums The publication of A Shift in Time marks the first complete presentation of the full details of the hypothesis and a discussion of its conclusions and inevitable implications Skyhorse Publishing as well as our Arcade imprint are proud to publish a broad range of books for readers interested in history books about World War II the Third Reich Hitler

and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home

The Pharisees Joseph Sievers, Amy-Jill Levine, 2021-12-02 A multidisciplinary appraisal of the Pharisees who they were what they taught and how they've been understood and depicted throughout history For centuries Pharisees have been well known but little understood due at least in part to their outsized role in the Christian imagination arising from select negative stereotypes based in part on the Gospels Yet historians see Pharisees as respected teachers and forward thinking innovators who helped make the Jewish tradition more adaptable to changing circumstances and more egalitarian in practice Seeking to bridge this gap the contributors to this volume provide a multidisciplinary appraisal of who the Pharisees actually were what they believed and taught and how they have been depicted throughout history The topics explored within this authoritative resource include the origins of the Pharisees the meaning of the name Pharisee Pharisaic leniency relative to the temple priesthood in judicial matters Pharisaic concerns for the Jewish laity Pharisaic purity practices and why they became popular the varying depictions of Pharisaic practices and beliefs in the New Testament Jesus's relationship to the Pharisees the apostle Paul and his situation within the Pharisaic tradition the question of continuity between the Pharisaic tradition and Rabbinic Judaism the reception history of the Pharisees including among the rabbis the church fathers Rashi Maimonides Luther and Calvin the failures of past scholarship to deal justly with the Pharisees the representations both positive and negative of the Pharisees in art film passion plays and Christian educational resources how Christian leaders can and should address the Pharisees in sermons and in Bible studies Following the exploration of these and other topics by a team of internationally renowned scholars this volume concludes with an address by Pope Francis on correcting the negative stereotypes of Pharisees that have led to antisemitic prejudices and finding resources that will positively contribute to the relationship between Jews and Christians in view of an ever more profound and fraternal dialogue Contributors Luca Angelelli Harold W. Attridge Vasile Babota Shaye J. D. Cohen Philip A. Cunningham Deborah Forger Paula Fredriksen Yair Furstenburg Massimo Grilli Susannah Heschel Angela La Delfa Amy-Jill Levine Hermut L. hr Steve Mason Eric M. Meyers Craig E. Studies in Hellenistic Judaism Louis H. Feldman, 2018-07-17 This volume consists of 23 essays that have appeared in 19 different journals and other publications during a period of over 40 years together with an introduction The essays deal primarily with the relations between Jews and non Jews during the period from Alexander the Great to the end of the Roman Empire in five areas Josephus Judaism and Christianity Latin literature and the Jews the Romans in Rabbinic literature and other studies in

Hellenistic Judaism The topics include a programmatic essay comparing Hebraism and Hellenism pro Jewish intimations in Apion and in Tacitus the influence of Josephus on Cotton Mather Philo's view on music the relationship between pagan and Christian anti-Semitism observations on rabbinic reaction to Roman rule and new light from inscriptions and papyri on Diaspora synagogues Qumran, Early Judaism, and New Testament Interpretation Jörg Frey, 2019-08-28 Back cover How did the Qumran discoveries change New Testament scholarship What are the main insights to be gained from the Qumran corpus with regard to the Jesus tradition Paul's language and theology the dualistic language and worldview of the Fourth Gospel or the formation of the biblical Canon The articles of this volume present the fruits of 25 years of scholarship on Qumran and the New Testament The Origins of Mark Dwight Peterson, 2021-10-11 The book observes and calls into question the scholarly practice of constructing a community behind the Gospel of Mark and by implication other Gospels as well and using that community to control appropriate interpretation of Mark It presents and critiques particular exemplars of this practice and briefly suggests other ways to ground the interpretation of Mark After an introduction chapters are devoted to the work of Werner Kelber Howard Clark Kee and Ched Myers Critical conclusions are then drawn after which the recent work of Joel Marcus is discussed A final chapter briefly suggests ways forward Constructing communities behind Gospels and using those communities as interpretive keys in Gospel interpretation is a widespread scholarly practice To date no full length critique of the practice has been published This book fills that lacuna *Prayer From Alexander To Constantine* Mark Kiley, 2013-11-19 *Prayer From Alexander To Constantine* presents a diverse selection of prayer chosen by over 40 different historians all specialists in their respective areas of Graeco Roman literature This collaboration gives the book a range and depth that no individual author could hope to rival Each selection includes an introductory essay followed by a new English translation of the prayer accompanied by critical notes and biography In this way the reader is able to gain an insight into the variety of subjects and styles involved in people's communications with their gods in antiquity The volume will be a key text for students engaged in courses which explore the period's history and theologies There is no comparable anthology available in English The volume will also be of value to the general reader interested in the history of this period and anyone interested in the forms of prayer **The Jews** Pierre Vidal-Naquet, 1996 The highly publicized obscenity trial of Radclyffe Hall's *The Well of Loneliness* 1928 is generally recognized as the crystallizing moment in the construction of a visible modern English lesbian culture marking a great divide between innocence and deviance private and public New Woman and Modern Lesbian Yet despite unreserved agreement on the importance of this cultural moment previous studies often reductively distort our reading of the formation of early twentieth century lesbian identity either by neglecting to examine in detail the developments leading up to the ban or by framing events in too broad a context against other cultural phenomena Fashioning Sapphism locates the novelist Radclyffe Hall and other prominent lesbians including the pioneer in women's policing Mary Allen the artist Gluck and the writer Bryher within English modernity through the multiple sites of law sexology fashion and

literary and visual representation thus tracing the emergence of a modern English lesbian subculture in the first two decades of the twentieth century Drawing on extensive new archival research the book interrogates anew a range of myths long accepted without question and still in circulation concerning to cite only a few the extent of homophobia in the 1920s the strategic deployment of sexology against sexual minorities and the rigidity of certain cultural codes to denote lesbianism in public culture

The Myth of a Gentile Galilee Mark A. Chancey, 2002-05-23 The Myth of a Gentile Galilee is the most thorough synthesis to date of archaeological and literary evidence relating to the population of Galilee in the first century CE The book demonstrates that contrary to the perceptions of many New Testament scholars the overwhelming majority of first century Galileans were Jews Utilizing the gospels the writings of Josephus and published archaeological excavation reports Mark A Chancey traces the historical development of the region s population and examines in detail specific cities and villages finding ample indications of Jewish inhabitants and virtually none for gentiles He argues that any New Testament scholarship that attempts to contextualize the Historical Jesus or the Jesus movement in Galilee must acknowledge and pay due attention to the region s predominantly Jewish milieu This accessible book will be of interest to New Testament scholars as well as scholars of Judaica Syro Palestinian archaeology and the Roman Near East

First Converts Shelly Matthews, 2001 It has often been said that rich pagan women much more so than men were attracted both to early Judaism and Christianity This book provides a new reading of sources from which this truism springs focusing on two texts from the turn of the first century Josephus s Antiquities and Luke s Acts The book studies representation analyzing the repeated portrayal of rich women as aiding and or converting to early Judaism in its various forms It also shows how these sources can be used in reconstructing women s history thus engaging current feminist debates about the relationship of rhetorical presentation of women in texts to historical reality Because many of these texts speak of high standing women s conversion to Judaism and early Christianity this book also engages in the current debate about whether early Judaism was a missionary religion The author argues that focusing on these stories of women converts and adherents which have been largely ignored in previous discussions of the missionary question sets the missionary question in a new more adequate framework The first chapter elucidates a story in Josephus s Antiquities of the mishaps of two Roman matrons devoted to Isis and Jewish cults by considering the common Hellenistic topos linking high standing women promiscuity and religious impropriety The remaining chapters demonstrate that in spite of this topos Josephus Luke and other religious apologists did tell stories of rich women s associations with their communities for positive rhetorical effect In so doing the book challenges the widespread assumption that women s association with foreign religious cults was always derided questions scholarly arguments about public and private roles in antiquity and invites reflection on issues of mission and conversion within the larger framework of Greco Roman benefaction

Encyclopedia of Historians and Historical Writing Kelly Boyd, 2019-10-09 The Encyclopedia of Historians and Historical Writing contains over 800 entries ranging from Lord Acton and Anna Comnena to Howard Zinn and

from Herodotus to Simon Schama Over 300 contributors from around the world have composed critical assessments of historians from the beginning of historical writing to the present day including individuals from related disciplines like Jürgen Habermas and Clifford Geertz whose theoretical contributions have informed historical debate Additionally the Encyclopedia includes some 200 essays treating the development of national regional and topical historiographies from the Ancient Near East to the history of sexuality In addition to the Western tradition it includes substantial assessments of African Asian and Latin American historians and debates on gender and subaltern studies

The First Jewish Revolt Andrea M. Berlin, J. Andrew Overman, 2003-09-02 The First Jewish Revolt against Rome is arguably the most decisive event in the history of Judaism and Christianity The destruction of the Temple in Jerusalem in 70 CE by the Roman General Titus forced a transformation in structure and form for both of these fraternal religions Yet despite its importance little has been written on the First Revolt its causes implications and the facts surrounding it In this volume Andrea M Berlin and J Andrew Overman have gathered the foremost scholars on the period to discuss and debate this pivotal historical event The contributions explore both Roman and Jewish perspectives on the Revolt looking at its history and archaeology and finally examining the ideology and interpretation of the revolt in subsequent history and myth

Proximity to Power and Jewish Sectarian Groups of the Ancient Period Hillel Newman, 2006-10-31 This book deals with the values lifestyle and code of law of four Jewish sectarian groups in the Hellenistic and Roman Second Temple period in the land of Israel It reviews the groups according to their proximity to power highlighting the fact that political involvement has a decisive impact on the life and development of these social groups The groups under review the Pharisees Sadducees Essenes and Qumran receive a new historical description from the viewpoint of their proximity to power The issue of what determines the course of a social group whether normative or sectarian is discussed and the traditional terminology is re examined Original terminology is established The first part of the book deals with the question of terminology the available sources and the presentation of the different groups

A Wandering Galilean: Essays in Honour of Seán Freyne Zuleika Rodgers, Margaret Daly-Denton, Anne Fitzpatrick-McKinley, 2009-10-26 Starting his career as a scholar of the New Testament Seán Freyne's work became synonymous with the study of Galilee in the Greek and Roman periods His search for a deeper and more nuanced understanding of Judaism in the Greek and Roman periods and the development of the early Christian movement has led him to interface with scholars in many related disciplines In order to do justice to the breadth of Seán Freyne's interests this volume includes contributions from scholars in the fields of Archaeology Ancient History Classics Hebrew Bible Early Judaism Rabbinic Judaism Early Christianity New Testament and Medieval Judaism The resulting volume demonstrates not only the honoree's interdisciplinary interests but also the interconnectedness of these disciplines

Thank you very much for reading **Josephus In Galilee And Rome His Vita And Development As A Historian**. As you may know, people have look numerous times for their chosen books like this Josephus In Galilee And Rome His Vita And Development As A Historian, but end up in infectious downloads.

Rather than enjoying a good book with a cup of tea in the afternoon, instead they cope with some malicious virus inside their laptop.

Josephus In Galilee And Rome His Vita And Development As A Historian is available in our digital library an online access to it is set as public so you can get it instantly.

Our books collection spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one.
