Joshua Retold:

Joshua Retold A. Graeme Auld, 2005-03-01 A groundbreaking study of this important yet sometimes puzzling biblical book Professor Auld considers the varied witnesses to its ancient text the meaning of particular words or names the connections between Joshua and other books of the Bible especially Judges Kings and Chronicles and the history of the interpretation of Joshua from earliest to most recent times **The Chronicler's Genealogies** James T. Sparks, 2008 *Joshua: An Introduction and Study Guide* James Gordon McConville, 2017-01-12 The book of Joshua with its memorable images of the crossing of the River Jordan and the miraculous conquest of the city of Jericho plays an important part in the Old Testament narrative and theology of God's promise and gift of the land of Canaan to Israel In this guide Gordon McConville considers the various aspects of interpreting Joshua including questions of its origins and occasion its literary formation and its theology He also looks squarely at the difficulties it poses to the modern reader and the dangers of simplistic interpretations especially when allied with power systems Yet among the possible approaches to Joshua certain readings suggest unexpected messages and with the book's memorable central image of crossing a river in an escape from tyranny into new life it can prompt fruitful reflection on other crossings perhaps helping us to overcome the deepest human hostilities **The Retelling of Chronicles in Jewish Tradition and Literature** Isaac Kalimi, 2009-06-30 Isaac Kalimi reveals the history of the book of Chronicles from Hellenistic times to the beginning of critical biblical scholarship at the dawn of the 17th century This comprehensive examination focuses first and foremost on the use of Chronicles in Jewish societies through the generations and highlights the attitudes and biases of writers translators historians artists exegetes theologians and philosophers toward the book The reader is made aware of what the biblical text has meant and what it has accomplished in the many contexts in which it has been presented Throughout the volume Kalimi strives to describe the journey of Chronicles not only along the route of Jewish history and interpretation but also in relation to the book's non Jewish heritage namely Christianity demonstrating the differences and distinctiveness of the former In contrast the majority of commentaries on Chronicles written from the mid 19th century to the present day have contained little or nothing about the application interpretation and reception history of Chronicles by Jews and Christians for hundreds of years *Formation and Reformulation* Michaël van der Meer, 2004-02-01 This volume offers a critical examination of recent theories concerning the growth of biblical literature in the light of the oldest textual witnesses the Qumran biblical scrolls and the Septuagint On the basis of a fresh examination of a selection of passages in the book of Joshua it is shown that these witnesses do not reflect a stage in the literary formation of the book prior to the standardised Masoretic text but a reinterpretation and reformulation of its contents The study presents a new literary critical solution to the intricate problems of Joshua 8 and a detailed exegesis of the Greek version of Joshua 1 and 5 Of special interest for Qumran scholars is the new reconstruction of 4QJoshuaa **Reflection and Refraction** Robert Rezetko, Timothy Henry Lim, W. Brian Aucker, 2007 This volume of thirty articles

covering a wide range of subjects related to Old Testament study is written by colleagues friends and students of A Graeme Auld to honour the occasion of his sixty fifth birthday *Joshua 1-12, Volume 7A* Trent C. Jerusalem's Rise to Sovereignty Ingrid Hjelm, 2004-09-01 Ingrid Hjelm examines the composition of the Books of Kings using the Hezekiah narratives in 2 Kings 18 20 as a focus She argues that this narrative is taken from that of the book of Isaiah with which it shares linguistic and thematic elements In Kings it is used with the specific purpose of breaking the compositional pattern of curse which threatens to place Jerusalem on a par with Samaria Jerusalem traditions are examined against theories of a late Yahwist author and the Pentateuch's origin within a Jerusalem cult While the Pentateuch in its final form became a common work acceptable to all groups because of its implied ambiguity the Deuteronomistic History's favoring of David and Jerusalem holds a rejection of competitive groups as its implied argument

Crossing the Jordan Eun-Woo Lee, 2013-03-14 This book presents a test case for diachronic and synchronic approaches in Joshua 3-4 Lee introduces the synchronic readings of Polzin Hawk and Winther Nielsen as well as their attempts to uncover the problems in applying their methods to this complicated text He then investigates the differences between the MT and the LXX of Joshua 3-4 through text critical analysis and reconstructs the Hebrew Vorlage of LXX Joshua 3-4 considering divergences between major Greek editions and examines the limitations of Polzin's synchronic study in reading only from the final text of the MT For the purpose of reading the literary history of Joshua 3-4 in a diachronic way Lee considers what position this text holds in the setting of the wider context of the ark narratives and water crossing stories in the Old Testament e.g. the crossing of the Red Sea in Exodus 13:17-14:31 and with Elijah and Elisha crossing the river in 2 Kings 2 He examines the recent trends in literary criticism and attempts to trace the most probable literary history of Joshua 3-4

A Commentary on Judges and Ruth Robert B. Chisholm Jr., 2013-11-14 A thorough exegetical and homiletical analysis of each passage of Judges and Ruth This masterly commentary sheds exegetical and theological light on the books of Judges and Ruth for contemporary preachers and students of Scripture Listening closely to the text while interacting with the best of scholarship Chisholm shows what the text meant for ancient Israel and what it means for us today In addition to its perceptive comments on the biblical text it examines a host of themes such as covenants and the sovereignty of God in Judges and providence redemption lovingkindness and Christological typology in Ruth In his introduction to Judges Chisholm asks and answers some difficult questions What is the point of Judges What role did individual judges play What part did female characters play Did Judges have a political agenda Chisholm offers astute guidance to preachers and teachers wanting to do a series on Judges or Ruth by providing insightful exegetical and theological commentary He offers homiletical trajectories for each passage to show how historical narrative can be presented in the pulpit and classroom

Samaritans and Jews in History and Tradition Ingrid Hjelm, 2024-05-07 This volume presents an anthology of 19 seminal studies some for the first time in English that explore the history and tradition of the ancient relationship between Samaritans and Jews The book is arranged into three parts Methods Traditions and History Samaritan and Jewish Pentateuchs and Studies in Bible and Tradition each of which is chronologically ordered It represents a collection of the author's previous publications on the relationship between Samaritans and Jews expanding and supplementing the conclusions of her published books Recent archaeological developments on Mount Gerizim have demonstrated that our

paradigms for writing the ancient histories of the kingdoms and provinces of Samaria and Judah in the Iron II Persian and Hellenistic periods must change These developments also affect how we evaluate and read ancient literary traditions and several chapters offer challenging new perspectives on well known themes narratives and compositions in this subject area Samaritans and Jews in History and Tradition Changing Perspectives 10 will be of interest to students and scholars of biblical studies theology comparative religion the ancient Near East and in particular Samaritan and Jewish studies **Essential Bible Study Tools for Ministry** Professor David R. A Guide to Biblical Commentaries and Reference Works John F. Evans, 2016-05-03 A Guide to Biblical Commentaries and Reference Works by John F Evans summarizes and briefly analyzes all recent and many older commentaries on each book of the Bible giving insightful comments on the approach of each commentary and its interpretive usefulness especially for evangelical interpreters of the Bible A Guide to Biblical Commentaries and Reference Works is essentially an annotated bibliography of hundreds of commentators More scholarly books receive a longer more detailed treatment than do lay commentaries and highly recommended commentaries have their author s names in bold The author keeps up on the publication of commentaries and intends to update this book every three to four years *Religious Stories We Live By* R. Ruard Ganzevoort, Maaike de Haardt, Michael Scherer-Rath, 2013-10-31 Stories have always been important in religion but systematic explorations of the narrative dimensions of religion are more recent and interdisciplinary explorations of narrative approaches in theology and religious studies are scarce Religious Stories We Live By paves the ground for these much needed interdisciplinary conversations It first offers philosophical psychological and epistemological reflections on the

importance of narrative approaches in the study of religion The subsequent sections contain case studies and disciplinary overviews of narrative perspectives in biblical empirical systematic and historical approaches in theology and religious studies Combined the contributions showcase the potential of narrative perspectives in bridging theology and religious studies as well as descriptive and normative approaches Narrative perspectives offer a fruitful common ground for the study of religion Contributors include Angela Berlis Marjo Buitelaar James Day Maaïke de Haardt Marieke den Braber Luco van den Brom Marjet Derks Toke Elshof Dorothea Erbele Koster John Exalto Ruud Ganzevoort Joep van Gennip Annelies van Heijst Chris Hermans Liesbeth Hoeven Anne Marie Korte Edwin Koster Marit Monteiro Michael Scherer Rath Klaas Spronk Piet Verschuren Wim Weren and Willien van Wieringen
