Girzone, 2012 The End of Suffering Joseph F. Girzone, 2013 Suffering is inescapable but does it have any purpose How can we get through our suffering and what can we learn from it What does Jesus teach us and how can we let him help us transcend our suffering Filled with true stories this book offers practical wisdom for anyone who suffers from guilt loneliness physical pain abuse loss low self esteem and anxiety and fear *My Struggle with Faith* Joseph F. Girzone, 2007-09 The author chronicles his own spiritual journey and describes with honesty the difficult decisions he made along the way Girzone has attracted a following with his series of novels that imagine Jesus living in the contemporary world Here he recounts the long complicated and often painful process

he went though as he sought to find peace with his beliefs He writes about hard decisions that set him on unexpected paths and about the immense feelings of loneliness he experienced in making those choices In thoughtful and thought provoking reflections he brings to life the years of searching and the deep critical thinking that gave him the courage to embrace his beliefs opening a world of excitement and adventure for him From publisher description **Joshua's Atlas** Gerald T Dale,2011-04-20 Joshua had no intentions of becoming a super hero when he first invented Bernie his flying sports car but when there is a serious need that only he can ease he is quick to volunteer his services and his creation Joshuas style and vulnerability quickly becomes evident when he finds that his activities must remain completely shrouded in secrecy while he mingles within the society that he ventures to protect JOSHUSS ATLAS offers creative unauthenticated thinking that encourages inquisitive minds to think for themselves at the same time it provides a fathomable story that is guaranteed to remain with you throughout the ages It also illustrates the charisma maturity and dignity that is brought about in our youth today An attractive must read addition to any high school library Although analogous in many ways to the mildly hokey Superman legend it offers many degrees of realism that is not present in that memorable saga Get ready to feel the turbulence of flight and the rumble of the tires upon the rolling landings as Joshua explores Bernies veiled limitations Only a true sports car aficionado can know the feeling that goes along with the testing of these limits **Trinity** Joseph F. Girzone,2002-10-15 The bestselling author of Never Alone and A Portrait of Jesus returns to reflect on his personal spirituality to guide us to a deeper understanding of the essence of God With Trinity Joseph Girzone guides readers to a deeper understanding of this foundational concept explaining why it is not antiquated theological dogma but a living expression of the very essence of God He offers support and clarity to those who already believe in God and invites those who profess not to believe on a journey to find an image of a God who is believable and perhaps even lovable For centuries Christians have struggled to understand the nature of God as three persons in one But with grace similar to that which allowed Saint Patrick to explain the Trinity by using a shamrock Girzone takes a step back from the most arcane explanations to offer a simple useful understanding He begins by showing the ways God was perceived by the ancient Hebrews and reveals how Jesus forever changed that image of God As he chronicles the growth from the time of Jesus and the early Church writing about the challenges Christianity faced from both within and without Girzone elucidates the mysterious ways the Trinity works in the world and especially in the Church as an extension of Jesus presence in history Writing with passion and insight he helps readers understand how the Father the Son and the Holy Spirit work within individuals as well guiding them as they struggle along the pathways of life on Earth **Jesus: A New Understanding of God's Son** Joseph F. Girzone, **How I Became One of the Invisible, new edition** David Rattray,2019-09-17 The only collection of Rattray s prose essays that offer a kind of secret history and guidebook to a poetic and mystical tradition In order to become one of the invisible it is necessary to throw oneself into the arms of God Some of us stayed for weeks some for months some forever
