Denney,2006-04-10 This hurting world needs men of character and integrity fathers leaders warriors who will not only take a stand for godliness and righteousness but who will also raise future generations of godly righteous men Where can one find the model for such a man The answer lies in 1 Chronicles 7 40 with the story of Asher the kind of godly man that all Christian men should aspire to become In The Warrior Within Pat Williams combines solid biblical principles powerful contemporary stories and an imaginative narrative of the life of Asher to discover how Christian men can become complete and dynamically effective in the four crucial dimensions of manhood They Shall See God H. Allen Hanson,2010-05 Jesus said Blessed are the pure in heart for they shall see God Matthew 5 8 The Bible progressively reveals a glorious description of God the Father beginning with Moses in the book of Genesis and ending with what John saw in the book of Revelation The author has done massive research showing that the Bible is full of descriptions of the glory of God This is a unique book one of kind about the visual glory of God It is incredible that nothing has been written about this aspect of the glory of God since one of the basic meanings of glory is visual brilliance and splendor It is true that no man has seen God because He has hidden him Himself for several reasons Man would die if he saw Him Man would make an idol of Him God desires that man have faith in an unseen God Many theologians maintain that God cannot be seen that He has no face or form because He is spirit invisible and omnipresent The book addresses these concepts Jesus however said that He has seen God and that angels see His face This book should be in the shelves of every seminary Bible school minister s study and in the hand of every person as a help in Bible study or in seeking to know more about God May it inspire every Christian to anticipate that day in heaven when they shall see Jesus and God the Father **I Am a Man of God: a Warrior's Creed** Chris Beasley,2013-03 As fathers husbands and members of society we are often defined inappropriately by the media and society Only by discovering our true identity in Christ can we successfully navigate our God given rolls with authority and honor I Am A Man of God is a powerful 30 day men s devotional designed to forge a man s character Author Chris Beasley demonstrates how courage nobility and the source of a man s inner strength are anchored to Christ A great book for men s ministries small groups or as a personal devotional I Am A Man of God will equip you to experience victory in your family job and life **Joshua in 3-D** L. Daniel Hawk,2010-04-02 This unique commentary generates a conversation between the biblical narrative of conquest related biblical themes and the American master narrative of Manifest Destiny Writing in an accessible style and format Hawk offers an exegesis of the biblical text with special emphasis on the ways the narrative of conquest shaped ancient Israel s identity as a people A second level of commentary lifts key themes from the text e g the land as divine gift and promise mass killing Israel s distinctive attributes the construction of the Indigenous Other and sets them within their broader biblical context A third dimension reflects on corresponding elements in America s narrative of westward expansion e g the conviction of America s unique character and destiny total war and ethnic cleansing the dehumanization of Native peoples patriotism and homeland the idea of the American Dream As a whole this book offers Joshua as a biblical resource for reading the American

experience challenging readers to reflect on how conquest shaped America's identity and how it continues to influence American attitudes and actions
