Growing Up with the Wild Bunch Linda Wommack,2020-02-21 The life of Josie Bassett was nothing short of a female pioneer adventure Josie came west in a wagon train at the age of four Settling in rugged Brown s Park in the extreme northwest corner of Colorado Josie learned to ride and rope by the age of six Like all girls as a young teenager she discovered boys but Josie s first real boyfriend was a future outlaw none other than Butch Cassidy As a young rancher s wife with two young boys Josie witnessed first hand the strong arm tactics of the cattle barons trying to steal the land from smaller ranch owners When it happened to the Bassett family Josie s husband and father fought back Murder occurred at the ranch when a man was hung from the gate post at the entrance of the Bassett ranch Following a bitter divorce and a few more marriages Josie moved to the remote area of Cub Creek in western Utah Here she managed to make a living by hunting making moonshine and possibly cattle rustling She was brought up on charges but acquitted Josie married a few more times running off one husband with a frying pan He later said Josie gave me fifteen minutes to get off her land I only needed five Josie was the feature of a LIFE magazine article in 1948 and was a rodeo queen when she was in her 70s Josie Bassett lived a long adventurous life dying in 1963 [Jake and Josie's Discovery](#) JB Price,2015-04-27 Secrets Everyone has a few Except for the pleasant ones that produce a knowing smile and put a definite spring in our step we tend to hide bury or camouflage the others It is the others that the Roberts siblings have knowingly and unknowingly buried Though their lives are littered with clues they are oblivious to the connection between the two For such secret keepers it is not only disturbing but also disarming when the new family next door begins to openly share their smiley secrets and discreetly disclose the ones that generate tears The Diamond family s openness about life encourages Jake and Josie to unearth their never before revealed stories What they discover is alarming Will they choose the love that heals and the truth that sets free Or will they allow the past to continue to define their present and predict their future Discoveries await either way **Josie and Jack** Kelly Braffet,2005 Teenage siblings Josie and Jack are each other s whole world Josie lives inside Jack s love and happily submits to his control following him on his sociopathic path When their father s erratic behavior finally drives them away things get complicated sinister and interesting in this contemporary Hansel and Gretel story **Goodbye Liverpool** Anne Baker,2010-12-09 A touching portrayal of a mother and daughter bound by love and danger Anne Baker s compelling Liverpool saga Goodbye Liverpool is an unforgettable tale of escapism love and hope Perfect for fans of Nadine Dorries and Katie Flynn When Suzy Lunt s widowed mother Josie marries Luke Palmer it s mainly to keep a roof over their heads But soon Josie realises she s made a mistake and she and Suzy flee Liverpool and a man they now fear But will they be safe from the past in Birkenhead What readers are saying about Goodbye Liverpool Brilliant five stars
