Journal Of Palestine Studies Twenty Five

**Christian Philip Peterson, William M.
Knoblauch, Michael Loadenthal**

Journal Of Palestine Studies Twenty Five:

Journal of Palestine Studies Twenty-five-year Index (1971-1996). ,1997 *Journal of Palestine Studies*
Twenty-five-year Index (1971-1996). ,1997-01-01 *Journal of Palestine Studies* ,2004 A quarterly on Palestinian affairs and the Arab Israeli conflict

The Palestinians Cheryl Rubenberg,2003 A forceful penetrating critique of the Oslo Accords and their devastating aftermath

The Politics of the Palestinian Authority Nigel Parsons,2005-06-07 This book explores the development of the Palestinian Liberation Organization PLO from a liberation movement to a national authority the Palestinian National Authority PNA Based on intensive fieldwork in the West Bank Gaza and Cairo Nigel Parsons analyzes Palestinian internal politics and their institutional building by looking at the development of the PLO Drawing on interviews with leading figures in the PLO and the Palestinian Authority delegates to the negotiations with Israel and the Palestinian political opposition it is a timely account of the Israel Palestine conflict from a Palestinian political perspective

Diasporic Activism in the Israeli-Palestinian Conflict Svenja Gertheiss,2015-12-14 With their homelands at war can Diasporas lead the way to peace or do they present an obstacle to conflict resolution nurturing hate far away from those who actually fall victim to violence And which of these roles do the Jewish and Palestinian diaspora communities play in the Israeli Palestinian conflict Particularly since the Oslo peace process the search for a solution to the Israeli Palestinian conflict has been strongly contested among Jewish and Arab Palestinian Organizations in the United States Through an analysis of the activities of Arab Palestinian and Jewish organizations on behalf of and towards their conflict ridden homelands *Diasporic Activism in the Israeli Palestinian Conflict* provides both a detailed picture of diasporic activism in the Middle East as well as advancing theory building on the roles of diasporas in helping or hindering peace Drawing on research into transnational social movements diaspora studies and constructivist International Relations theory this book retraces how this process of diversification occurred and explains why neither the Jewish nor the Arab Diaspora community hold a unified position in the Israeli Palestinian conflict but are each comprised of both hawks and doves Combining theoretical depth and practical orientation this book is a key resource for those working in the fields of Middle Eastern studies Peace and Conflict Studies and Diapora Studies as well as specialists on the ground in Israel Palestine and other conflict settings in which Diaspora communities play a prominent role

Palestinians Born in Exile Juliane Hammer,2009-08-17 In the decade following the 1993 Oslo Peace Accords some 100 000 diasporic Palestinians returned to the West Bank and Gaza Among them were children and young adults who were born in exile and whose sense of Palestinian identity was shaped not by lived experience but rather through the transmission and re creation of memories images and history As a result returning to the homeland that had never actually been their home presented challenges and disappointments for these young Palestinians who found their lifeways and values sometimes at odds with those of their new neighbors in the West Bank and Gaza This original ethnography records the experiences of Palestinians born in exile who have emigrated to the Palestinian homeland Juliane

Hammer interviews young adults between the ages of 16 and 35 to learn how their Palestinian identity has been affected by living in various Arab countries or the United States and then moving to the West Bank and Gaza Their responses underscore how much the experience of living outside of Palestine has become integral to the Palestinian national character even as Palestinians maintain an overwhelming sense of belonging to one another as a people **Censorship** Derek

Jones,2001-12-01 Censorship A World Encyclopedia presents a comprehensive view of censorship from Ancient Egypt to those modern societies that claim to have abolished the practice For each country in the world the history of censorship is described and placed in context and the media censored are examined art cyberspace literature music the press popular culture radio television and the theatre not to mention the censorship of language the most fundamental censorship of all Also included are surveys of major controversies and chronicles of resistance Censorship will be an essential reference work for students of the many subjects touched by censorship and for all those who are interested in the history of and contemporary fate of freedom of expression *The Persian Puzzle* Kenneth Pollack,2004-11-02 In his highly influential book *The Threatening Storm* bestselling author Kenneth Pollack both informed and defined the national debate about Iraq Now in *The Persian Puzzle* published to coincide with the twenty fifth anniversary of the Iran hostage crisis he examines the behind the scenes story of the tumultuous relationship between Iran and the United States and weighs options for the future Here Pollack a former CIA analyst and National Security Council official brings his keen analysis and insider perspective to the long and ongoing clash between the United States and Iran beginning with the fall of the shah and the seizure of the American embassy in Tehran in 1979 Pollack examines all the major events in U S Iran relations including the hostage crisis the U S tilt toward Iraq during the Iran Iraq war the Iran Contra scandal American Iranian military tensions in 1987 and 1988 the covert Iranian war against U S interests in the Persian Gulf that culminated in the 1996 Khobar Towers terrorist attack in Saudi Arabia and recent U S Iran skirmishes over Afghanistan and Iraq He explains the strategies and motives from American and Iranian perspectives and tells how each crisis colored the thinking of both countries leadership as they shaped and reshaped their policies over time Pollack also describes efforts by moderates of various stripes to try to find some way past animosities to create a new dynamic in Iranian American relations only to find that when one side was ready for such a step the other side fell short With balanced tone and insight Pollack explains how the United States and Iran reached this impasse why this relationship is critical to regional global and U S interests and what basic political choices are available as we deal with this important but deeply troubled country *Blind Spot* Khaled Elgindy,2019-04-02 A critical examination of the history of US Palestinian relations The United States has invested billions of dollars and countless diplomatic hours in the pursuit of Israeli Palestinian peace and a two state solution Yet American attempts to broker an end to the conflict have repeatedly come up short At the center of these failures lay two critical factors Israeli power and Palestinian politics While both Israelis and Palestinians undoubtedly share much of the blame one also cannot escape the role of the United States as

the sole mediator in the process in these repeated failures American peacemaking efforts ultimately ran aground as a result of Washington's unwillingness to confront Israel's ever deepening occupation or to come to grips with the realities of internal Palestinian politics. In particular, the book looks at the interplay between the U.S.-led peace process and internal Palestinian politics, namely how a badly flawed peace process helped to weaken Palestinian leaders and institutions and how an increasingly dysfunctional Palestinian leadership in turn hindered prospects for a diplomatic resolution. Thus, while the peace process was not necessarily doomed to fail, Washington's management of the process with its built-in blind spot to Israeli power and Palestinian politics made failure far more likely than a negotiated breakthrough. Shaped by the pressures of American domestic politics and the special relationship with Israel, Washington's distinctive blind spot to Israeli power and Palestinian politics has deep historical roots dating back to the 1917 Balfour Declaration and the British Mandate. The size of the blind spot has varied over the years and from one administration to another, but it is always present.

The Peace Puzzle Daniel C. Kurtzer, Scott B. Lasensky, William B. Quandt, Steven L. Spiegel, Shibley Telhami, 2012-11-15 Each phase of Arab Israeli peacemaking has been inordinately difficult in its own right and every critical juncture and decision point in the long process has been shaped by U.S. politics and the U.S. leaders of the moment. The Peace Puzzle tracks the American determination to articulate policy, develop strategy and tactics, and see through negotiations to agreements on an issue that has been of singular importance to U.S. interests for more than forty years. In 2006, the authors of The Peace Puzzle formed the Study Group on Arab Israeli Peacemaking, a project supported by the United States Institute of Peace to develop a set of best practices for American diplomacy. The Study Group conducted in-depth interviews with more than 120 policymakers, diplomats, academics, and civil society figures and developed performance assessments of the various U.S. administrations of the post-Cold War period. This book, an objective account of the role of the United States in attempting to achieve a lasting Arab Israeli peace, is informed by the authors' access to key individuals and official archives.

The Palestinian Left and Its Decline Francesco Saverio Leopardi, 2020-07-06 This book examines the history of the Palestinian Left by focusing on the trajectory of the Popular Front for the Liberation of Palestine (PFLP) during its declining phase. Relying on a substantial corpus of primary sources, this study illustrates how the PFLP's political agency contributed to its own marginalisation within the Palestinian national movement. Following the 1982 eviction of the Palestine Liberation Organisation (PLO) from Lebanon, the bases of the PFLP's opposition to Fatah's primacy in the national movement were jeopardised. This book argues that the PFLP's loyalty to the PLO institutional and political framework prevented the formulation of a real counterhegemonic political project. This drove the PFLP's action to suffer a fundamental contradiction, undermining its stance within the national movement. In the attempt to continue its opposition to Fatah while maintaining integration in the Palestinian mainstream, the PFLP's agency fluctuated, compromising its effectiveness and credibility. Apparently irreversible, the PFLP's marginalisation is a factor fostering the current Palestinian impasse, as no alternative is emerging to break the thirteen-year-long Hamas-Fatah

polarisation

The Routledge History of World Peace since 1750 Christian Philip Peterson, William M.

Knoblauch, Michael Loadenthal, 2018-10-10 The Routledge History of World Peace since 1750 examines the varied and multifaceted scholarship surrounding the topic of peace and engages in a fruitful dialogue about the global history of peace since 1750 Interdisciplinary in nature the book includes contributions from authors working in fields as diverse as history philosophy literature art sociology and Peace Studies The book crosses the divide between historical inquiry and Peace Studies scholarship with traditional aspects of peace promotion sitting alongside expansive analyses of peace through other lenses including specific regional investigations of the Middle East Africa Latin America and other parts of the world Divided thematically into six parts that are loosely chronological in structure the book offers a broad overview of peace issues such as peacebuilding state building and or conflict resolution in individual countries or regions and indicates the unique challenges of achieving peace from a range of perspectives Global in scope and supported by regional and temporal case studies the volume is an essential resource for educators activists and policymakers involved in promoting peace and curbing violence as well as students and scholars of Peace Studies history and their related fields

Italy and the Middle East Paolo

Soave, Luciano Monzali, 2020-12-10 Italy played a vital role in the Cold War dynamics that shaped the Middle East in the latter part of the 20th century It was a junior partner in the strategic plans of NATO and warmly appreciated by some Arab countries for its regional approach But Italian foreign policy towards the Middle East balanced between promoting dialogue stability and cooperation on one hand and colluding with global superpower manoeuvres to exploit existing tensions and achieve local influence on the other Italy and the Middle East brings together a range of experts on Italian international relations to analyse for the first time in English the country's Cold War relationship with the Middle East Chapters covering a wide range of defining twentieth century events from the Arab Israeli conflict and the Lebanese Civil War to the Iranian Revolution and the Soviet invasion of Afghanistan demonstrate the nuances of Italian foreign policy in dealing with the complexity of Middle Eastern relations The collection demonstrates the interaction of local and global issues in shaping Italy's international relations with the Middle East making it essential reading to students of the Cold War regional interactions and the international relations of Italy and the Middle East

Unlocking the Palestinian-Israeli Negotiations

Abdulsalam Muala, 2019-08-28 This book offers a critical review of contemporary literature on the Palestinian Israeli negotiations Its goal is to highlight the shortcomings of the methods that have been used to date to analyse the underlying causes that have led to a stalemate in the negotiation process Further it pursues an approach that considers the multiple factors that can influence the outcomes of the negotiation process The book represents a substantial academic contribution to the field of conflict resolution by broadening the scope of the analytical framework that is needed to analyse the Palestinian Israeli negotiations and bridging the gap between theory and practice Accordingly it offers a valuable asset for researchers and students interested in political theory Middle Eastern studies international relations conflict resolution

studies political science negotiation theory and contemporary Arab studies and Israeli studies **Israel, Strategic Culture and the Conflict with Hamas** Niccolò Petrelli, 2017-10-12 This book offers a comprehensive overview of the impact of strategic culture on Israeli military operations against Hamas between 1987 and 2014. It has often been argued that Israeli policies and military operations against Hamas have proven tactically effective but strategically disastrous, allowing the Islamic Resistance Movement to grow from a small spin off of the Muslim Brotherhood into a powerful military and political actor in the Palestinian arena. This book argues contrary to this opinion that Israel was effective in its struggle against the Islamic Resistance Movement between 1987 and 2014 as the Jewish state ultimately managed to deny the majority of Hamas strategic aims and to preserve a position of relative strength. By relying on a synthesis of primary sources, interviews, memoirs, scholarly and professional military studies, and information gathered from the media, the study delivers a careful and comprehensive analysis of the conflict. It provides an historical outline of the development of the Israeli strategic culture and analyzes its impact on the process of military adaptation during the First Intifada, the Oslo Peace Process, the al Aqsa Intifada, and the Gaza wars. Finally, the book illuminates how the Israeli strategic culture moulded a distinctive way of war that though marked by successes and failures, ultimately proved effective against Hamas. This book will be of much interest to students of strategic studies, Middle Eastern politics, counter insurgency, counter terrorism, and security studies in general. **The Palestinians in Israel** Elia T. Zureik, 2023-05-03 The main focus of *The Palestinians in Israel* 1979 is the position of the Arab minority in Israel from being a majority to becoming a minority. By using the framework of internal colonialism, it provides evidence which highlights the social class transformations of the Palestinians in Israel from peasantry to proletariat, the patterns of land alienation, and the nature of inter ethnic contacts which typify Israeli-Palestinian relations. It looks at Arab social structure in pre-1948 Palestine, discusses the Arabs as they appear in Israeli social science writings, describes the transformation of Arab class structure in Israel, and considers the politicization of Israeli Arabs. **The Arab-Israeli Conflict** P.R. Kumaraswamy, 2023-04-24 This book provides a holistic view of the conflict between Israel and its Arab neighbours and studies the global implications of their fraught relations. Focusing on the conflict from its beginning in the late 19th century, the author provides a well-rounded and balanced narrative by examining its religious, ideological, ethnic, political, national, regional, and international dimensions. The volume covers a wide range of issues such as the conflicting historical legacy of the city of Jerusalem, Jewish longing for a homeland, the partition of Palestine, various wars and conflicts since 1948, Palestinian resistance, the Arab Boycott of Israel, and the Abraham Accords. It also tackles the contested national claims and the refugee question and looks at various peace-making efforts, including the role of external stakeholders such as the US, UK, Russia, and India. A comprehensive study of the Arab-Israeli conflict, the book is richly supported by a swath of references to materials, documents, maps, and video links. It will be an essential reading for students, academics, and teachers of politics and international relations, national security, geopolitics, history, military, and strategic studies, Middle East studies.

conflict resolution and peace making *The Encyclopedia of the Arab-Israeli Conflict* Spencer C. Tucker, Priscilla Roberts, 2008-05-12 This exhaustive work offers readers at multiple levels key insights into the military political social cultural and religious origins of the Arab Israeli conflict The Encyclopedia of the Arab Israeli Conflict A Political Social and Military History is the first comprehensive general reference encompassing all aspects of the contentious Arab Israeli relationship from biblical times to the present with an emphasis on the era beginning with World War I The Encyclopedia of the Arab Israeli Conflict goes beyond simply recapping military engagements In four volumes with more than 750 alphabetically organized entries plus a separate documents volume it provides a wide ranging introduction to the distinct yet inextricably linked Arab and Israeli worlds and worldviews exploring all aspects of the conflict The objective analysis will help readers understand the dramatic events that have impacted the entire world from the founding of modern Israel to the building of the Suez Canal from the Six Day War to the Camp David Accords from the assassinations of Anwar Sadat and Yitzhak Rabin to the rise and fall of Yasser Arafat the 2006 Palestinian elections and the Israeli Hezbollah War in Lebanon

Security and Suspicion Juliana Ochs, 2011-06-06 In Israel gates fences and walls encircle public spaces while guards scrutinize inspect and interrogate With a population constantly aware of the possibility of suicide bombings Israel is defined by its culture of security Security and Suspicion is a closely drawn ethnographic study of the way Israeli Jews experience security in their everyday lives Observing security concerns through an anthropological lens Juliana Ochs investigates the relationship between perceptions of danger and the political strategies of the state Ochs argues that everyday security practices create exceptional states of civilian alertness that perpetuate rather than mitigate national fear and ongoing violence In Israeli cities customers entering gated urban caf s open their handbags for armed security guards and parents circumnavigate feared neighborhoods to deliver their children safely to school Suspicious objects appear to be everywhere as Israelis internalize the state s vigilance for signs of potential suicide bombers Fear and suspicion not only permeate political rhetoric writes Ochs but also condition how people see the way they move and the way they relate to Palestinians Ochs reveals that in Israel everyday practices of security in the home on commutes to work or in caf s and restaurants are as much a part of conflict as soldiers and military checkpoints Based on intensive fieldwork in Israel during the second intifada Security and Suspicion charts a new approach to issues of security while contributing to our appreciation of the subtle dynamics of the Israeli Palestinian conflict This book offers a way to understand why security propagates the very fears and suspicions it is supposed to reduce

Decoding **Journal Of Palestine Studies Twenty Five**: Revealing the Captivating Potential of Verbal Expression

In an era characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its ability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**Journal Of Palestine Studies Twenty Five**," a mesmerizing literary creation penned by a celebrated wordsmith, readers set about an enlightening odyssey, unraveling the intricate significance of language and its enduring affect our lives. In this appraisal, we shall explore the book is central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.
