Journal Of Modern History Volume 40 No 4:

The Journal of Modern History Bernadotte Everly Schmitt, 1929 Covers the intellectual political and cultural history of Europe since the Renaissance Includes sections Book reviews and Bibliography

Transatlantic Relations and the Great War Kurt Bednar, 2021-09-30 Transatlantic Relations and the Great War explores the relations between the Danube Monarchy of Austria Hungary and the modern US democracy and how that relationship developed over decades until it ended in a final rupture As the First World War drew to a close in late 1918 the Mid European Union was created to fill the vacuum in Central and Eastern Europe as the old Danube Monarchy of Austria Hungary was falling apart One year before in December 1917 the United States had declared war on Austria Hungary and overnight huge masses of immigrants from the Habsburg Empire became enemy aliens in the US Offering a major deviation from traditional historiography this book explains how the countdown of mostly diplomatic events in that fatal year 1918 could have taken an alternative course In addition to providing a narrative account of Austrian Hungarian relations with the US in the years leading up to the First World War the author also demonstrates how an almost total ignorance of the affairs of the Dual Monarchy was to be found in the US and vice versa This book is a fascinating and important resource for students and scholars interested in modern European and US history diplomatic relations and war studies

Sustaining Air Power Trevor Stone, 2017-11-07 Draws on 25 years of original and exhaustive research Richly illustrated with many previously unpublished photographs Content and style will appeal to a wide readership The Royal Air Force is the world s oldest independent air arm yet little has been written about its logistics This ground breaking book which draws on 25 years of original archival research opens the hangar door on this highly important discipline that has been at the forefront of supporting British air power since 1918 Written by a former senior RAF logistics officer and supplemented by material from veterans and currently serving military personnel Sustaining Air Power Royal Air Force Logistics since 1918 explores the fascinating development of RAF logistics This journey just short of a century explores the inter war years Second World War Cold War and the major campaigns the service has been involved in since the fall of the Berlin Wall in 1990 The main narrative ends in 2014 with the RAF s withdrawal from Afghanistan Dedicated chapters consider the more specialist aspects of logistics such as tactical and expeditionary logistics fuels and explosives transport training information technology and how the RAF has managed its extensive supply chain Richly illustrated its content and style will appeal to a wide readership

British Strategy in the Napoleonic War, 1803-15 Christopher David Hall, 1992 Collects together the best articles by key historians literary critics and anthropologists on the cultures of colonialism in the British Empire in the nineteenth and twentieth centuries A substantial introduction by the distinguished historian Professor Catherine Hall discusses new approaches to the history of empire and establishes a narrative frame through which to read the essays which follow The volume is clearly divided into three sections theoretical emphasising concepts and approaches the colonisers at home focusing on how empire was lived in Britain and away the

attempt to construct new cultures through which the colonisers defined themselves and others in varied colonial sites A useful guide to recent scholarship on the culture of imperialism *The Memoir of Ilse Seger* Ilse Seger, 2024-12-03

Elisabeth Ilse Seger was the wife of Gerhart Heinrich Seger a German Social Democratic member of the Reichstag from 1930 to 1933 He was reelected for the last time on March 5 1933 shortly after Hitler came to power A week later the Nazis arrested him and held him in protective custody for three months in a local prison in Dessau and then sent him to Oranienburg concentration camp for six months until he escaped to Czechoslovakia In *The Memoir of Ilse Seger* Ilse tells Gerhart's story but more importantly she tells her own story of her early resistance to the Nazi regime as a political opponent herself of her solidarity with the Jews during the early years of Nazi persecution of her defiance of expectations for women at the time of her time as a hostage alongside her daughter Renate in Rosslau concentration camp and how they got out with help from members of Parliament and lastly of her first years living in exile in France and Switzerland as her husband went on an anti fascist speaking tour in the US Ilse's story is an incredible contribution to our understanding of gendered political resistance life in early German concentration camps and Alltagsgeschichte or the history of everyday life by showing what everyday life was like for the wife of a political opponent in Nazi Germany *The Memoir of Ilse Seger* is a gripping narrative of adventure and intrigue about the wartime life of an ordinary decent woman *Great Power Diplomacy* A. Wess Mitchell, 2025-10-14

A captivating history of diplomacy and an urgent reminder of why we need to revive its lost arts to survive in a dangerous era of great power competition From the beginning of time human societies have found themselves confronted by enemies too numerous or ferocious to defeat solely by force of arms In these dramatic moments wise leaders have turned to diplomacy to rearrange the gameboard in their favor and stymie seemingly unstoppable foes In *Great Power Diplomacy* American historian and diplomat A Wess Mitchell recounts the forgotten story of how history's most legendary empires have used diplomacy as a tool of grand strategy to outwit outmaneuver and outlast militarily superior opponents Through fifteen centuries of history *Great Power Diplomacy* recreates the perilous junctures colorful personalities and intricate statecraft that led to some of history's most stunning diplomatic achievements and greatest disasters The protagonists include giants like Richelieu Metternich Bismarck and Kissinger but also a lesser known cast of scoundrels eunuchs drunkards and fools At every turn fortune favored those great powers with the foresight and dexterity to build winning alliances splinter enemy coalitions and when necessary make peace with their bitterest foes Diplomacy of this kind has become a lost art in recent years as Western elites embraced the illusion that globalization and the spread of democracy would create a borderless world where nations would live in harmony and war would be abolished from the human story But as *Great Power Diplomacy* reveals we will need to rediscover the secrets of skillful statecraft as the world enters an unstable new era in which continent sized great powers compete for territory resources and prestige By recalling diplomacy's rich past we can equip ourselves for a more dangerous future *The Oxford History of Modern German Theology, Volume 1:*

1781-1848 Grant Kaplan, Kevin M. Vander Schel, 2023-05-20 From the closing decades of the eighteenth century German theology has been a major intellectual force within modern western thought closely connected to important developments in idealism romanticism historicism phenomenology and hermeneutics Despite its influential legacy however no recent attempts have sought to offer an overview of its history and development Oxford History of Modern German Theology Vol I 1781 1848 the first of a three volume series provides the most comprehensive multi authored overview of German theology from the period from 1781 1848 Kaplan and Vander Schel cover categories frequently omitted from earlier overviews of the time period such as the place of Judaism in modern German society race and religion and the impact of social history in shaping theological debate Rather than focusing on individual figures alone Oxford History of Modern German Theology Vol I 1781 1848 describes the narrative arc of the period by focusing on broader intellectual and cultural movements ongoing debates and significant events It furthermore provides a historical introduction to each of the chronological subsections that divides the book Moreover unlike previous efforts to introduce this time period and geographical region the volume offers chapters covering such previously neglected topics as religious orders the influence of Romantic art secularism religious freedom and important but overlooked scholarly initiatives such as the Corpus Reformatorum Attention to such matters will make this volume an invaluable repository of scholarship and knowledge and an indispensable reference resource for decades to come

History of Alaska , Volume I Jonathan M. Nielson, Ph.D., 2018-02-01 As a unique distant geographical region of the United States Alaska has evolved from military insignificance to high strategic priority in the 142 years since its purchase from Russia in 1867 The reasons for this dramatic shift derive from a correlation of geography foreign policy domestic politics and military technology Historically the role of the armed forces in Alaska has been large and diverse Alaska was one of the two principal territorial purchases made by the United States between 1803 and 1867 adding nearly 1 5 million square miles to America s national domain Smaller by the size of Texas than Jefferson s Louisiana Purchase Alaska unlike all of the territories and states carved out of the former languished in obscurity and isolation and was administered as a colonial dependency by the military and other branches of the federal government its official territorial status and government notwithstanding While sharing many common aspects of frontier settlement and Western history with territories such as Montana the Dakotas Wyoming and Colorado Alaska presented special challenges peculiar to a non contiguous arctic and sub Arctic environment separated from the United States by a foreign power Indeed only the defeated South under Reconstruction experienced the same degree of military occupation and martial law Alaska also has the unique distinction in the American experience of belonging to Imperial Russia before it became of interest to American expansionists Still others found Alaska tempting and pursued their own designs North of 53 The Spanish British Canadians and even the French plied Alaska s waters and made their claims to Alyeska the Great Land And it is with these clashing imperial ambitions that this three volume history begins

The Terror in the French Revolution Hugh Gough, 2010-07-30 We now live with the

threat and the reality of political terror and terrorists The French Revolution was the first occasion when a democratic government used terror as a political weapon executing thousands of people for political crimes What caused reasonable people to implement such a brutal regime What did it achieve What are its links with the terrors of the present day This established text examines a range of key issues analyses the terror s background and traces the course from the fall of the Bastille in 1789 to the work of the guillotine during the terror of 1793 4 It puts the terror into context and shows how circumstances and ideas interacted to create an event that has haunted the political imagination of Europe ever since Thoroughly revised in the light of recent scholarship and debates this new edition of an essential introduction includes An updated historiography section Clearly set out definitions of the terror and more detail on its workings An entirely new chapter exploring the social and cultural policies of the Revolution An up to date bibliography organised thematically for ease of reference

The Cambridge World History of Sexualities: Volume 1, General Overviews Merry E.

Wiesner-Hanks, Mathew Kuefler, 2024-04-30 Volume I offers historiographical surveys and general overviews of central topics in the history of world sexualities Split across twenty two chapters this volume places the history of sexuality in dialogue with anthropology women s history LGBTQ history queer theory and public history as well as examining the impact Freud and Foucault have had on the history of sexuality The volume continues by providing overviews on the sexual body family and marriage the intersections of sexuality with race and class male and female homoerotic relations trans and gender variant sexuality the sale of sex sexual violence sexual science sexuality and emotion erotic art and literature and the material culture of sexuality

Air and Sea Power in World War I Maryam Philpott, 2013-05-30

The Great War tore the fabric of Europe apart killing over 35 million men and challenging the notion of heroism in war Air and Sea Power in World War I focuses on the experience of World War I from the perspective of British pilots and sailors themselves to demonstrate that the army centric view of war studies has been too limited The Royal Flying Corps created in 1912 adapted quickly to the needs of modern warfare driven by the enthusiasm of its men In contrast the lack of modernisation in the Royal Navy despite the unveiling of HMS Dreadnought in 1906 undermined Britain s dominance of the seas By considering five key aspects of the war experience this book analyses how motivation was created and sustained What training did men receive and how effectively did this prepare them for roles that were predominantly non combative How was motivation affected by their individual relationship with weaponry development and how different was defensive service on the Home Front when in close proximity to ordinary civilian life Finally Air and Sea Power in World War I looks at the changing reputation of the services during and after the conflict and the extent to which these notions were created by the memoirs of pilots and sailors Featuring new primary source material including the journals of service men themselves this book will be essential reading for students and scholars of World War I and of Naval Aviation and Military History

Securing Empire Beatrice de Graaf, Ozan Ozavci, Erik de Lange, 2024-10-17 This volume explores how the quest for security reshaped the world over the

course of the 19th century altering the structures hierarchies and dynamics of international relations during a pivotal moment in world history Taking a unique approach to imperial and international history the essays in this volume show how security propelled imperial expansion supported institutions of cooperation maintained networks of imperial actors and shaped experiences of imperial rule Contending that security should be studied as a force in its own right one that drove processes of colonization civilization and commerce *Securing Empire* shows how cooperation between and across empires hinged on shared notions of threats and common ways of countering them In showing that security did not solely inform support and complicate unilateral imperial endeavours but also brought different imperial entities together and forged global modes of government this book shows how integral security was to the global transformation of the 19th century and the new world order that emerged

Planning Armageddon Nicholas A. Lambert, 2012-01-01 Before World War I the British Admiralty conceived a plan to win rapid victory over Germany economic warfare on an unprecedented scale The secret strategy called for the state to exploit Britain's monopolies in banking communications and shipping to create an implosion of the world economic system The plan was never fully implemented

Medieval and Early Modern England on the Contemporary Stage Marianne Dugeon, 2021-09-20 This volume explores the multiple connections between contemporary British theatre and the medieval and early modern periods Involving both French and British scholars as well as playwrights adapters and stage directors its scope is political as it assesses the power of adaptations and history plays to offer a new perspective not only on the past and present but also on the future Along the way burning contemporary social and political issues are explored such as the place and role of women and ethnic minorities in today's post Brexit Britain The volume builds into a dialogue between the ghosts of the past and their contemporary spectators Starting with a focus on contemporary adaptations of Shakespeare's plays then concentrating on contemporary history plays set in the distant past and ending with the contributions of famous playwrights sharing their experience the book will be of interest to practitioners as well as students and researchers in drama and performance studies

Turkey's Violent Formation Hans-Lukas Kieser, 2024-08-22 The decade of war and violence culminating in the Conference of Lausanne was formative for the modern state of Turkey as it was for interwar Europe's diplomacy and appeasement Yet the currents that gave rise to the defining events of the period ultranationalism imperial proto fascism and pan Islamism have yet to be definitively integrated into historiography The case studies in this book reappraise key events concepts and individuals in late Ottoman and early Republican Turkey Divided into four parts the book first examines squandered opportunities for democratic reform of the multi ethnic empire as well as the emergence of extreme politico religious ideology in the late Ottoman period It then examines the continuity of these currents in Kemalist Turkey in case studies including anti Kurdish campaigns and biographical studies of key actors insiders and ideologues such as Ziya Gokalp Cavid Bey Riza Nur and Mahmut Bozkurt The final part of the book explores the legacy of Turkey's violent formation vis vis its relations with wartime ally Germany in the

context particularly of the Armenian genocide Together the chapters in this book emphasise the legacy of foundational violence which marked the formation of authoritarian modern Turkey while highlighting the need for new inclusive democratic social contracts *Synopsis* Andrew D. Dimarogonas,1999-02-19 Lists the scholarly publications including research and review journals books and monographs relating to classical Hellenistic Biblical Byzantine Medieval and modern Greece The 11 indexes include article title and author books reviewed theses and dissertations books and authors journals names locations and subjects The format continues that of the second volume All the information has been programmed onto the disc in a high level language so that no other software is needed to read it and in versions for DOS and Apple on each disc Annotation copyrighted by Book News Inc Portland OR Max Weber's Vision for Bureaucracy Glynn Cochrane,2017-08-11 This volume examines Max Weber s pre World War I thinking about bureaucracy It suggests that Weber s vision shares common components with the highly efficient Prussian General Staff military bureaucracy developed by Clausewitz and Helmuth von Moltke Weber did not believe that Germany s other major institutions the Civil Service industry or the army could deliver world class performances since he believed that they pursued narrow selfish interests However following Weber s death in 1920 the model published by his wife Marianne contained none of the military material about which Weber had written approvingly in the early chapters of *Economy and Society* Glynn Cochrane concludes that Weber s model was unlikely to include military material after the Versailles peace negotiations in which Weber participated outlawed the Prussian General Staff in 1919 *Arming the Western Front* Roger Lloyd-Jones,M.J. Lewis,2016-06-10 The First World War was above all a war of logistics Whilst the conflict will forever be remembered for the mud and slaughter of the Western Front it was a war won on the factory floor as much as the battlefield Examining the war from an industrial perspective *Arming the Western Front* examines how the British between 1900 and 1920 set about mobilising economic and human resources to meet the challenge of industrial war Beginning with an assessment of the run up to war the book examines Edwardian business state relations in terms of armament supply It then outlines events during the first year of the war taking a critical view of competing constructs of the war and considering how these influenced decision makers in both the private and public domains This sets the framework for an examination of the response of business firms to the demand for shells more shells and their varying ability to innovate and manage changing methods of production and organisation The outcome a central theme of the book was a complex and evolving trade off between the quantity and quality of munitions supply an issue that became particularly acute during the Battle of the Somme in 1916 This deepened the economic and political tensions between the military the Ministry of Munitions and private engineering contractors as the pressure to increase output accelerated markedly in the search for victory on the western front The Great War created a dual army one in the field the other at home producing munitions and the final section of the book examines the tensions between the two as the country strove for final victory and faced the challenges of the transition to the peace time economy Ideas and

Events Leonard Krieger, 1992-11 Leonard Krieger has long been revered as a contemporary master historian. With an eye toward placing his critical achievements before an expanded readership, he helped compile this core collection of his most important essays. Together, these essays bring under a single cover the key themes and ideas of his life's work to serve as a handbook for intellectual history and historians of every stripe. This book reflects Krieger's conviction that the value of intellectual history is as a source of orientation in a world of information overload. In Krieger's hands, intellectual history has stressed thinking through the relations between ideas and events rather than the compilation and recapitulation of mere facts and historical categories. The essays in this collection cover a range of topics, including history of ideas, intellectual history, early modern political history, German political history, Hegel, Marx, and more. Many of these essays are already classics of historical scholarship. With the demise of the Soviet Union and state-sponsored Marxism and with the reunification of Germany, Krieger's history takes on new relevance and a renewed importance. With a splendid introduction by Michael Ermath and an extensive bibliography of Krieger's most important books and essays, this is a must-read for every serious student of modern history. Leonard Krieger was University Professor Emeritus in the Department of History at the University of Chicago until his death in 1990.

Regional Language Policies in France during World War II A. Amit, 2014-11-24 During Germany's occupation of France in WWII, French regional languages became a way for people to assert their local identities. This book offers a detailed historical sociolinguistic analysis of the various language policies applied in France's regions: Brittany, Southern France, Corsica, and Alsace, before, during, and after WWII.

Journal Of Modern History Volume 40 No 4 Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Journal Of Modern History Volume 40 No 4 PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes

intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Journal Of Modern History Volume 40 No 4 PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Journal Of Modern History Volume 40 No 4 free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Journal Of Modern History Volume 40 No 4 Books

What is a Journal Of Modern History Volume 40 No 4 PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Journal Of Modern History Volume 40 No 4 PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Journal Of Modern History Volume 40 No 4 PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Journal Of Modern History Volume 40 No 4 PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Journal Of Modern History Volume 40 No 4 PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing

features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
